 Spring chickens seem to be plentiful, but prices rule high.

The Cape Fear river is still too near the bottom to make it pleasant for the boatmen.

The colleges are beginning to end their commencements—which sentence would be apt to puzzle a foreigner.

Crimping the hair is still in favor among young ladies, who willingly sacrifice their locks in order to look coquettish for the present.

Rev. B. R. Hall, Pastor of Fifth Street M. E. Church, in this city, preached in Fayetteville last Sunday to a large and attractive audience.

The best reform in domestic life is without doubt the introduction of Dr. Bull's Baby Syrup. Where it is known, no more laudanum is given to the babies.

The Cornet Concert Club will toot this evening in the City Hall Park. They will have a delightful night for it and very probably an immense audience.

The drought on the Carolina road is in some places very distressing. The farmers in Robeson and Bladen counties are suffering severely from the want of rain.

Cantaloupes in market this morning. Three dollars per dozen was the price charged for them. They were of the Enoch Arden variety; they were waiting for a sale.

The date for the Press Convention which was to have been held in Beauport, first on the 16th of July and then on the 2d, has now been changed again and to the 20th of August.

The material for brierwood pipes comes chiefly from Corsica. The roots are cut into rough forms of tobacco pipes and then sent in sacks to France, whence they are exported to America and elsewhere.

The steamer *Passport* will not make a trip to Smithville to-morrow, (Saturday) but will receive a coat of paint and resume her regular trip on Sunday, 29 inst "all dressed up in her Sunday clothes."

An editor has one advantage over a king. When an editor goes out riding in his open barouche, drawn by four milk-white steeds, he is never shot at by a Socialist. You have probably remarked this yourself.

The Cornet Concert Club has decided to give the moonlight concert, spoken of by us a few days ago, on Wednesday evening next, on the steam yacht *Passport*. Their concert is always pleasant and the one in anticipation will doubtless be as pleasant as its predecessors. Particulars on Monday.

In the River.
 A sailor fell from a yard-arm on the foremast of the Nor. brig *Gloria*, at Messrs. Preston Cumming & Co's. wharf, this morning, into the river, but we are happy to say escaped a watery grave and was soon landed on terra firma, safe and sound.

Indications.
 WAR DEPARTMENT,
 Office of the Chief Signal Officer,
 Washington, D. C., June 27, 1879.
 For the Atlantic States stationary, followed by falling barometer, southeast to southwest winds, slightly warmer, partly cloudy weather, possibly followed by local rains in the interior.

Magistrate's Court.
 Before J. C. Hill, J. P., this morning, Geo. Vann, colored, was arraigned for assault and battery and in default of payment of fine and costs amounting to \$7.55 was sent to board at the hotel de Howard at the expense of the county. Much good the taxpayers derive from such trials.

St Joseph in Egypt.
 The drama of "St. Joseph in Egypt" will be presented this evening in St. Joseph's Male Academy, and at the same time the scholastic prizes will be presented to the pupils of the Academy. There will probably be a large attendance and we are sure that it will be an occasion of much interest to all who are there.

St. John's Day in Lumberton.

They had a good time at Lumberton on the 24th, St. John the Baptist's Day. The Masons turned out largely and Hon. A. M. Waddell, the Orator of the occasion, delivered to a very fine audience his celebrated lecture on "Morse and Muary." A splendid dinner was spread and the proceeds of it were devoted to the benefit of the Oxford Orphan Asylum, a neat little sum having been thereby realized.

Five Hundred Delinquents.

There are more than five hundred persons in this city who should have listed, but who did not list, their taxes within the time prescribed by law. The consequence is that they will all get into trouble—and that of no ordinary nature, if the Board of County Commissioners do not kindly come to their rescue and grant some additional days for the completion of the lists.

The W. L. I.

The Wilmington Light Infantry, Capt. Walter Coney commanding, were on the streets yesterday in full dress parade though few in numbers their drill was very creditable and the marching maneuvers worthy of the Company in its palmiest days. Oh, for a revival of the military spirit which animated our people for years previous to the war and which made the old Wilmington Light Infantry, in numbers, drill and equipment, second to none in the State.

Overboard.

The gay, festive and fascinating Fanny Brewington, whose name has figured conspicuously, not only in police circles, but as having such a predilection for the water of the Cape Fear that she has taken three or four involuntary baths in the same, in days gone by, met with a like mishap this morning by tumbling off the wharf nearly opposite the Custom House. She was pulled out however, by the standers-by with no further damage than a good "soak" in the water, and the loss of her back hair.

Supreme Court.

In the Supreme Court, at Raleigh, on Wednesday, the following appeals from this, the Fourth District, were called:

A. A. McLean et al, vs John Patterson et al, from Columbus; continued under the rules.

Angus McFadyen vs. J. T. Council, executor, from Bladen; argued by McKee & Broadfoot for the plaintiff, and T. H. Sutton for the defendant.

W. A. Rogers, executor, vs. Robert McKenzie et al, from Robeson; argued on report of clerk, by Hinsdale & Deveroux for the plaintiff, and Battle & Mordecai for defendant.

William Griffin et al, vs. Josephine Griffin, from Robeson; (two cases) continued for absence of counsel.

A Midnight Robber Caught—His Accomplice Arrested.
 Mr. H. Hensel, a clerk in the employ of Mr. L. Vollers, on the corner of Second and Market streets, while preparing to close the store last evening, discovered a young colored boy of about 12 years of age hidden between two barrels of whiskey. The boy, whose name is John Green, was delivered to the custody of a policeman, by whom he was escorted to the guard house to await an examination before acting Mayor Flanner this morning. Upon his arraignment before the city court this morning, the boy stated that a colored man named Henry Johnson induced him to go in the store and hide, and after it was closed to rob it and pass the goods out to him. He also stated that Johnson worked at the shipyard, and being taken by a policeman to the shipyard to-day he identified a man named Henry Loftin as the party whom he called Henry Johnson. Loftin was arrested and locked up to await his examination to-morrow morning. A search warrant was obtained and Loftin's residence, on Queen, between Surry and Water streets, was searched, but nothing was found.

This man Loftin is the same who was arrested several years ago on suspicion of having set fire to the naval store yard of Mr. F. W. Kerchner, while a Democratic meeting was in progress, but was discharged for want of sufficient proof.

We neglected to note yesterday a fact of which we were aware, which is that Hon. D. K. McRae, of this city, will by invitation deliver the address at the Annual Festival of the Sampson County Agricultural Society, at Clinton, July 31st.

Closing Exercises of Misses Burr and James' School.

The closing exercises of the Fourteenth Annual Session of Misses Burr and James' school took place yesterday and last evening. The last part of the exercises, which were those of the evening, were confined to recitations, songs and duets together with performances of instrumental pieces upon the piano and the awarding of the different school prizes to those who were the successful competitors for the same.

The programme of the entertainment last evening was ushered in by a Salutatory from Miss Mary Cassidy, preparing the large audience of ladies and gentlemen, who were assembled in the School Room, for the interesting exhibition which was soon to follow.

A selection from the Oratorio of Daniel by a full chorus was then rendered, with piano accompaniment, in a most delightful manner. This was followed by the appearance on the rostrum of a weety little Miss of scarcely four summers who sang in a very sweet strain "My Doggie" which was most heartily applauded.

Miss Mary David was the next young miss of only a few Summers who came forward, according to the programme, before the audience. The piece was the semi-chorus and pantomime of "Little Bo-Peep" and was participated in by five or six other young misses, in addition to the little one already mentioned, who acted the part in the pantomime of "Little Bo-Peep" in such a manner as to bring rounds of applause. "The Old Clock on the Stairs" was beautifully recited by Miss Isabella Heinsberger.

Il Bacio-Arditi, a solo, sung by Miss Mary Cassidy, was most charmingly rendered and enthusiastically applauded.

"Brown Eyes close to the Window," by a trio of three young voices, consisting of Misses Florence Wood, Ella Van Orsdell, and Mary Vincent, was very pretty indeed. A Legend of Bregeuz, reading, by Miss Bessie Ledford, could hardly have been surpassed in the manner of recitation.

"Is it Any body's Business?" a solo, by Miss Athalia Lippitt, was rapturously applauded and engored, which is ample evidence of the successful rendition of this fascinating little solo.

One of the most interesting features of the entertainment, as it is one of the most attractive features of the school, was the object lessons—which illustrated form and color—in song, while the objects were held in the hands. The first, of form, was done by means of curvilinear solids held in the hand while it was explained in song. The second, that of color, showed the blending and forming of colors by means of pretty colored flags of different hues representing the primary, secondary and tertiary colors. This closed part first, when, according to the programme, the distribution of prizes took place. These were awarded by Captain A. L. DeRosset in a most graceful and pleasant manner, adapting his remarks, which were altogether impromptu, in the happiest style, as the occasion seemed to require, according to the recipient of the honor.

The Excelsior Medals, which were the prizes, as the name imports, for the best order of merit, were awarded to Misses Mary Cassidy, Mal Cowan and Mary VanOrsdell. In the next prize there was a tie between Misses Nena and Ella VanOrsdell and Leo Cameron of the third class, and they were all awarded the second prize. Miss Lula Thompson, of the fifth class, Miss Rosa David, of the sixth class, and Master Henry VonGlabn, of the seventh class, all received prizes.

In the First Composition Class Misses Mary Cassidy and Bessie Ledford were competitors for the prize, but Miss Mary Cassidy having received a half mark of credit more than the other young lady, received an extra prize, which was the gift of Mr. Dickson Muuds, of this city.

In the Second Composition Class, Misses Johnnie Quince and Ada Schenck were the happy recipients of the prizes.

Certificates as testimonials were awarded to the following young ladies for excellence in scholarship and deportment, not over three failures having been made by any one of them during the scholastic year:

Misses Bessie Ledford, Hettie Barlow, Annie Meares, Augusta Moore, Annie VonGlabn and Isabella Heinsberger.

PART SECOND
 In the Vineyard of our Father, a semi-chorus by six young female voices, led by Miss Katie Harris, was sweet enough for an encore.
 A Hebrew Tale, a recitation by Miss

Lula Freeman, was most effectively and affectingly rendered.

Wm Tell, a transcription by Miss Belle Anderson, who is only in the second year of her normal instruction, was admirably performed and reflected great credit upon the musical instructress of the school.

La Petit Carnival, by Misses Paschan and Plummer, was performed excellently well by these two youthful Misses. There were other pieces of instrumental music performed which were possibly surpassed by those just mentioned, but they were by scholars who had received instruction for a greater number of years than those mentioned.

Asleep at the Switch, a recitation, by Miss Mal Cowan, should have been heard to be properly appreciated. The pathetic and manner of the charming young reciter excited the admiration, and drew forth the applause of the entire audience.

At the conclusion of the exhibition it was announced that Miss Mattie Murray had received by an overwhelming vote the piano of the school, which was the gift of Messrs Brymer & Co. to the Raleigh State Fair, and which was awarded to Misses Burr and James' school as a premium at the last State Fair held at Raleigh in November, 1878, and which in accordance with the terms of the award was given to the young lady scholar who was most proficient in music and intended to pursue the avocation of teacher of the same, the lot to be decided by the popular vote of the scholars. And thus ended one of the most pleasant and agreeable entertainments of the commencement season that it has been our pleasure to attend.

Present Habit of Riding Habits.

Riding habits are no longer made as long as formerly. They just cover the feet. There is no longer any superfluous goods in the riding habits; they are made tight fitting, but leaving perfect freedom of movement to the body. There are three kinds of "pantaloon" worn with these habits. First, is the one made of the same goods as the habit, and worn with ordinary gaiters. The second is the half "pantaloon," tight on the end, and closed in with the soft black boot. The third is the short trousers fastened above the knee, terminating in leggings which fasten over the trousers. The leggings and trousers are always of the same goods as the habit. Some ladies have heels to their boots, but the plain boots, with flat heels and strong soles, are the best for riding purposes. The "stovepipe" hat with a low crown and narrow brim, is generally worn.

TRIBUTE OF RESPECT.

WHEREAS, The Great Destroyer, Death, has for the first time, invaded our Lodge and removed therefrom our brother Knight, JOSEPH N. HIXON, thus depriving us of the society and counsel of a most useful and exemplary Knight of Honor; and, whereas it becometh us to sorrow not as "those without hope" but to bear with patience and fortitude all distress as but to glorify affliction, looking for a happy reunion in the great light of the world beyond; therefore be it
 Resolved, That in the death of our brother Knight, JOSEPH N. HIXON, this Lodge has sustained the loss of a most useful and devoted member, one attentive to his duties and true to his obligations.

Resolved, That we believe in the overshadowing mercy of a beneficent Almighty, who doth neither ruthlessly destroy nor indiscriminately cut off, but deigns to gather up the sheaves against a merciful harvest, who doth exhibit His tenderness in the disguise of affliction, and affords us examples both profitable and precious.

Resolved, That as Knights of Honor and individual creatures, we bow submissively to the Divine Hand in this our first and sore affliction, and that we are thus put in active remembrance that each one of us must soon close his mortal career.

Resolved, That we tender to the widow and orphans of our deceased brother Knight our sincere sympathy in their bereavement, and would invoke for them the continued protection of Him who has declared himself to be "a father to the fatherless and a God of consolation to the widow."

Resolved, That this Lodge wear the usual badge of mourning for the period prescribed in our laws; that a page in our minute book be inscribed to the memory of the deceased Knight; that a copy of these resolutions be forwarded to the bereaved family, and that publication be made in our city papers.
