

ULTIMA VERITAS.

In the bitter waves of woe,
Heaven and tossed about
By the sudden winds that blow
From the desolate shores of doubt,

Burlington Hawkeye.

He was weeping softly as he came
out to join his companions; a peculiar
twitching of his muscles and the careful
manner of his gait was painfully
apparent to the boys; they had been
there and understood the whole business.

YELLOW FEVER---BLACK VOMIT.
It is too soon to forget the ravages of this terrible disease, which will no doubt return in a more malignant and virulent form in the fall months of 1879.

Dr. Pemberton's Stillingia or Queen's Delight.
The reports of wonderful cures of Rheumatism, Sciatica, Salt Rheum, Syphilis, Cancer, Ulcers and Sores, that come from all parts of the country, are not only remarkable but so miraculous as to be doubted were it not for the abundance of proof.

A MIRACLE.

West Point, Ga., Sept. 16, 1870.
Gents:—My daughter was taken on the 25th day of June, 1868, with what was supposed to be Acute Rheumatism, and was treated for the same with no success.

Rema-kable Cure of Sciatica, &c.

CASE OF COL. J. C. BRANSON.
Kingston, Ga., Sept. 15, 1871
Gents:—For sixteen years I have been a great sufferer from Sciatica in its most distressing form. I have been confined to my room and bed for fifteen years with scrofulous ulcerations. The most approved remedies for such cases had been used, and the most eminent physicians consulted, without any decided benefit.

A GOOD PLAN

ANYBODY can learn to make money rapidly operating in Stocks, by the "Two Unerring Rules for Success," in Messrs. Lawrence & Co.'s new circular. The combination method, which this firm has made so successful, enables people with large or small means to reap all the benefits of largest capital and best skill. Thousands of orders, in various sums, are pooled into one vast amount and co-operated as a mighty whole, thus securing to each shareholder all the advantages of the largest operator. Immense profits are divided monthly. Any amount, from \$5 to \$5,000, or more, can be used successfully. N. Y. Baptist Weekly, September 26th, 1878, says, "By the combination system \$10 would make \$75, or 6 per cent; \$50 pays \$350, or 7 per cent; \$100 makes \$1,000 or 10 per cent, on the stock, during the month, according to the market." Frank Leslie's Illustrated Newspaper, June 29th: "The combination method of operating stocks is the most successful ever adopted." New York Independent, Sept. 12th: "The combination system is founded on correct business principles, and no person need be without an income while it is kept working by Messrs.
