ARE NOW FULLY EQUIPPED IN  
 THE  
**DRY GOODS LINE.**  
 HAVING BEEN FOR THE LAST  
 seven weeks in the Northern markets, we are now fully prepared to show the most extensive assortments in each and every department of our establishment. Our stock has been selected with all care so as to meet the wants of every one. Our Dry Goods were bought during the late warm weather when importers were anxious to realize on their goods and many advantages were gained. We have many

**Special Jobs**  
 which it will be impossible for us to take notice of as our space will not allow. The following can give but a very faint idea of what we have on hand. A catalog can cover the ground.

**SILKS.**  
 THE CHEAPEST LINE from Auction we have ever shown, \$1.00, 1.15, 1.25, 1.37, 1.50, 1.75 and 2.00.  
 Colored Silk for Trimming, 75 cents, in all the popular shades.  
 Brocaded Satins for Trimming, \$1.50, the latest styles.  
 Black silk Velvets, for Trimming, \$1.50, 1.75 and 2.00.  
 Black Silk Finish Velveteens 75 cents, a good article.

**Fancy Dress Goods.**  
 The largest and most varied assortment in this city, embracing all the Novelties at prices ranging from 12 1/2 to 75 cents.  
 Colored Cashmeres from 15 to 75 cents.

**OUR Mourning Department**  
 Now complete, having added the new fabrics of the season.

**BLACK CASHMERES WE MAKE A SPECIALTY.**  
 BLANKETS from \$1.50 a pair up.  
 COMFORTABLES, a full assortment, all made from pure clear Batting.

**Flannels.**  
 A very large stock, too numerous to detail. Bottom prices guaranteed.  
 Ladies', Gents' and Children's Underwear, Hosiery and Gloves.

Just give us an opportunity of showing what we have got and we do not fear the result.

**Cassimeres**  
 For Men and Boys' wear, all prices.  
 Bleached and Unbleached Sheetings.  
 Bleached Shirtings and Homespuns.

No space to quote prices, but you can rely they are as low as any thing in the market.

**LATEST NOVELTIES**  
**In Ladies' Ties and Neck Wear.**

**BALMORAL AND FELT SKIRTS,**  
 from 50 cents to \$2.50.

**Calicoes from 4 1-2 Up!**

Lack of space prevents us from adding more or quoting as many prices as we desire. We have a great many SPECIAL BARGAINS which we are offering away below market value.

Just give us a call; it is much the safest way of securing any of them.

But one trifling case before the City Court this morning, which was dismissed.  
 Window Glass—all sizes at Haller & Price's.

A quarrel, time times out of ten, merely the fermentation of a mis-understanding.

Nearly everything that can be put up is now put up in cans.

Roulette, with a round wheel, is about the queerest game gamblers play.

Save your money by buying your Building Supplies from Haller & Price.

Regular meeting of the Board of Aldermen takes place on Monday evening next at 7 1/2 o'clock.

Luck is a good thing, but one cannot always afford to wait for it. Pluck is a better thing, because it is always ready to begin.

Finding fault with everything, and growling like a bear with a sore head, is not a good way to make home happy.

Strangers in the city should not fail to visit the Sash Factory, foot of Walnut street.

If your wife object to kissing you because you smoke, simply remark that you know some girl who will. That settles it.

The young man who is cold, and who has no money to buy himself an overcoat, his trying to figure out how much he has spent for cooling drinks during the summer. The sum total makes him shiver.

The celebrated Zeb Vance, Southern Baker and Chief Cook Stoves, Parlor and Heating Stoves for old prices. No advance at JACOBI'S Hardware Depot.

The difference between riding a horse and riding a hobby consists in this—that one can get off a horse at any time but once on a hobby, a man can never get off.

Next Monday afternoon the County Commissioners hold their regular monthly meeting, and on the Wednesday following at 7 1/2 o'clock in the evening, the Financial Committee get together and talk over the financial affairs of the county.

Economy is wealth—buy White Lead Colors, Varnishes, and all kinds of painting materials for the lowest prices at JACOBI'S Hardware Depot.

As they who, for every slight sickness, take physic to repair their health do rather impair it, so they who for every trifle are eager to vindicate their character do rather weaken it.

Railways are said to be aristocratic, because they teach a man to know his own station and to stop there. They are eminently social, too, being held together by many ties.

**For Your Plants.**  
 Collect some soot from a chimney or a stove where wood is used as fuel, put into an old pitcher and pour hot water upon it. When cool use it to water your plants every few days. The effect upon plants is wonderful in producing rapid growth or thrifty shoots with large, thick leaves and a great number of richly-tinted blossoms.

The rising generation ought to be protected against the stupefying influence of Opium preparations. We call the attention of all mothers to the fact that Dr. Bull's Baby Syrup is absolutely free from Laudanum or other Opiates.

**A Good Way to Draw a Crowd.**  
 If the merchants of this city want to offer inducements for people in the country to visit Wilmington, let them have a first-class circus to show here for about a week and there will be no need of issuing excursion-tickets any more. But it must be understood beforehand that they perform no where else in North Carolina and must quit the State as soon as their contract shall have expired.

We have never yet seen a circus fail to draw a crowd for miles around. To be candid we would like to smell a little sawdust ourselves around the ring once more.

The 44th annual meeting of the Stockholders of the Wilmington & Weldon R. R. will be held in this city on Tuesday, the 18th inst.

The Wilmington & Weldon R. R. Company has declared a dividend of three per cent., payable on and after the 22nd inst.

No interments in Oakdale Cemetery this week.

**Patented June 13, 1876.**  
 These Goods have been sold during the past three years. All who have worn them pronounce the Mode of Fastening ABSOLUTELY PERFECT.  
 The many annoyances connected with the old system of Button Gloves are entirely overcome, and the following advantages secured:  
 1st—The perfect ease and rapidity with which it is laced.  
 2nd—Its adjustability to fit the different sized wrists.  
 3rd—The advantage gained by gradually straining the kid, instead of the old system which ruins so many pairs the first time buttoned.  
 4th—Strength of Hooks and mode of clinching them. The fastening will outlast any glove which is a very rare occurrence with buttons.  
 Independent of Improvement in fastening, the quality is guaranteed equal, if not superior, to any other glove in the market.
