MAGISTRATE'S COURT
 There were two or three minor cases before the Magistrate's Court this morning, in which the parties interested desired their names withheld.

City Court.
 Louise Loftin, colored, charged with disorderly conduct, was discharged.
 John Taylor, colored, charged with disorderly conduct, was fined \$10, which fine was paid.

Vessel Ashore.
 The schooner *Curran*, for Sloop Point for this city, is ashore near Corn Cake Inlet and will be a total loss. The cargo consists of naval stores, peanuts &c., a large portion of which will probably be saved.

Any preparation designed to relieve the ills of mankind, and which does so every time, is very rightly judged valuable. Mess. Jones, Cook & Co., Bay State Brewery, Boston, Mass., write: We have used St. Jacobs Oil among our men and find that it helps them "every time." We therefore heartily recommend it as a pain-healing liniment.

Board of Aldermen.
 The Board of Aldermen met in regular monthly session yesterday evening. Committee on Lights reported adversely on a petition for a lamp in front of the Second Baptist church, and the report was adopted. The same committee recommended the placing of a gas lamp at the corner of Eighth and Ann streets. Adopted.

In the matter of repairs to the roof of the City Hall the committee on Public Buildings reported the same as needing painting and repairs; but on motion, the work was deferred for the present.

The committee on Fire Department recommended the erection of a belfry on the lot of the Howard Relief Engine Company, and the removal of the fire-alarm thereto; and also, the purchase of an electric fire-alarm, to be attached to the bell after removal. The recommendation was adopted and the committee were empowered to act in the matter, and invite bids for the work to be done, subject to the approval of the Board of Audit and Finance.

The "power to act" granted committee on Fire Department on the petition of Hall and Pearsall, to erect a tin roof shed on wharf between Market and Dock streets, was reconsidered.

Alderman Worth moved, and the motion was adopted, that action be postponed until the next regular meeting and the committee instructed to inquire as to whether the owners of property contiguous object to the erection of the building, and whether the said building would increase the rate of insurance on property in the vicinity.

Committee on Streets and Wharves recommended the building of a bulk-head at foot of Red Cross street, provided the W. & W. Railroad Co. will fill up the street to the bulk-head. Adopted.

The special committee to whom was referred the matter of renting the market houses made the following report, which was adopted:
 The committee to whom was referred a resolution of this Board, as to the expediency of renting or leasing the market houses of the Wilmington Market Company for a term of years, report that they have informally had the matter under consideration, but are unable to come to any definite and satisfactory decision, and desire to report it back to the Board for discussion, and to be discharged from its further consideration as a committee.

D. G. WORTE, } Com.
 J. B. HUGGINS, }
 A. ALDERMAN. }

A resolution was offered and adopted, directing the Mayor, with the Chairman of the Board of Audit and Finance, to proceed at once to carry out the provisions of an act of the State Legislature to enable the city to provide for its bonds maturing in 1882.

Petition of the Howard Relief Fire Co. for a new set of harness for their horses, was granted.

Petition of "Little Columbia" Fire Company for hose was referred to committee.

Reports were received from the Chief of the Fire Department and the Superintendent of Health, for the month of November, and the report of the City Treasurer of delinquent license-taxpayers was read.

Exports Foreign.
 The following shipments foreign have been made since our last report:
 Nor. barque *Carl Imenes*, Olsen for Liverpool, with 1,353 bales cotton, shipped by Messrs Williams & Murchison; Nor. barque *Gronsvær*, Jacobson, for Liverpool with 1,751 bales cotton shipped by Messrs Williams & Murchison; Br. brig *Sagitta*, David, for Liverpool, with 250 cask spirits and 2,412 barrels tar, shipped by Messrs Paterson, Downing & Co., the Nor. barque *Barbo*, Pedersen, for Trieste, with 3,160 bbls. rosin, shipped by Messrs Robinson & King; and Nor. barque *Euzimus*, Askeland, for Queenstown, with 1,419 casks spirits of turpentine, shipped by Messrs DeRosset & Co.

Railroad Changes.
 We hear it stated upon good authority that there is a prospect of a change of gauge on the W., C. & A. Railroad, and other roads, whose gauge is 5 feet, to 4 feet and 8 1/2 inches, so that they may conform to the gauge of the W. & W. and other roads.

Postponement.
 The lecture on Florida, by Rev. Thos. D. Pitts, which was announced to be delivered, at the Opera House on the evening of Thursday, the 8th inst., has been postponed until the evening of Friday, the 9th inst.

Some Potato.
 We are in receipt of a sweet potato, of the variety known as the "Whig Spanish," which is indeed a curiosity. It is 25 inches long and 9 inches in circumference in its largest part, and has the appearance of six small potatoes joined together. It was raised by Mr. R. W. Player, of Holden township, in Pender county. At first sight, and at a short distance, it somewhat resembles a snake, and is altogether a homely looking specimen. We shall try a portion of it, nevertheless.

The poor sufferer that has been dosing himself with so-called Troches and thereby upset his stomach without curing the troublesome cough, should take our advice and use at once Dr. Bull's Cough Syrup and get well.

Church Matters.
 A meeting of the members of St. Paul's Evangelical Lutheran Church is called for to-morrow at 2:30 o'clock, at which time the pews in the Church will be rented. The meeting is called more especially, however, to consider the matter of extending a call for a Pastor of the Church, as the pulpit will become vacant on the first of January. We learn that the sentiment of the congregation seems largely in favor of extending the invitation to Rev. Mr. Peschan, of Nashville, who preached last Sunday morning and evening to large congregations, and with much acceptableness.

The Jewish Festival.
 We understand that the ladies and gentlemen of the congregation of the Temple of Israel are making very extensive preparations for the Festival, to be given by them in the City Hall, during Christmas week. It will be a grand affair in every way. The days selected are Tuesday, Wednesday, Thursday and Friday, the 27th, 28th, 29th and 30th insts. A large number of beautiful articles are being prepared for exhibition and sale, and edibles will be in profusion. Numerous unique attractions will also be presented. We understand that the Festival will be opened by Col. Wm. L. Smith, Mayor of the city, after which there will be prayer and then an address by Eugene S. Martin, Esq. The congregation look for a large support and a liberal patronage, and we do not think they need fear a disappointment.

Beautifully your homes by using the N. Y. Enamel Paint, ready mixed and warranted. Sold only at JACOBI'S.

County Commissioners.
 We resume to day our report of the proceedings of the meeting of the Board of County Commissioners at the point where we were compelled to close yesterday: Gen. S. H. Manning, Sheriff of the county, offered his three official bonds, to wit: Process bond, in the sum of \$5,000; County, School and Special Tax bond, in the sum of \$50,000, and the Public Tax bond in the sum of \$35,000; with A. W. Shaffer, H. R. Scott, E. G. Pennypacker, E. E. Burress and D. L. Russell as sureties, which said bonds, being found correct in form, were approved and ordered spread upon the record of official bonds and filed.

Edward D. Hewlett, Coroner, offered his official bond in the sum of \$2,000, which, with D. E. Scott and D. O. Connor as sureties, was approved, ordered spread upon the record of official bonds and placed on file.

Elijah Hewlett, Treasurer, offered his official bond in the sum of \$50,000, with Isaac Bates, J. W. Atkinson and D. R. Murchison as sureties, which was approved, ordered spread upon the records of official bonds and filed.

Thos. O. Bunting, Constable of Wilmington Township, offered his official bond in the sum of \$1,000, which was approved, ordered spread upon the records of official bonds and filed.

James Elder, Constable of Masonboro Township, presented his bond and was duly qualified.

MARRIED.
 In Duplin county, at the residence of D. J. Williams on November 23d by Rev. J. S. Black, Dr. R. W. TATE to Miss MATIE WHITEHEAD.
