Great success has been achieved during the past year in restoring the levee system of Louisiana to a high state of efficiency. The embankments resisted the great floods of last year better than even the most sanguine could have expected.

It is understood that Mr. Tennyson has obeyed the Queen's command to immortalize the virtues of the late John Brown in verse, and was made the recipient of unusual royal hospitality when he personally delivered the eulogy to her Majesty.

The Secretary of the United States Navy, Wm. E. Chandler, M. I. S. D., K. C. H., (Most Illustrious Sea Dog. Knight of the Catheads) has returned to his abandoned duties, after an absence of two months on a junketing tour. The country is safe now.

Believers in the descent of all mammals from a common progenitor may hear with interest that a white monkey recently brought to this country from Siam bears a strong physicial resemblance to the Albinos of the human family. His eyesight is dim, and when he looks closely at some object he covers one eye with one of his hands.

"No one at Windsor," says London Truth, "can understand why Mr. Devereux has been made a knight. He is a hatter, is a Conservative and was, on intimate terms with the late Mr. John Brown. It is not clear whether the knighthood has been conferred upon him on account of his hats, of his politics or of his intimacy with the departed one."

A despatch from Ottawa says that the Dominion Government has deter mined not to reduce postage rates and make them uniform with those going in to effect in the United States on the 1st of October. Many new postal routes through the North Western Territories have been opened and this has largely increased the expenditure on accountof the postal service, which now exceeds the revenue over twenty-one per cent.
