The track will be forty-five miles long, starting a few miles outside of London and running to Brighton, and will be eighteen feet wide, paved with asphalt, cost an average of £7,000 per mile, or £315,000 in all. The Brighton to London road is the favorite one for South-country cyclists, hundreds of wheelmen going and returning within that our people had beter take a saving the day during the season. It is esti- lesson from this Wall street explosion. mated that a five-shilling fee would Let them avoid all Northern traps for be very readily paid by 300 cyclists a their spoliation, whether located in day during eight months of the year New York or Chicago. There is a for excursion tickets from London to greater issue at the South than the Brighton and back, besides hundreds of tariff reform in morals that obliterates smaller fees for intermediate distances gambling What the tariff is supposed

at last been enabled to make good to Eastern and Western swindlers of their claim that theirs was the the Stock, Cotton and Grain Exchanges. mother city of Freemasonry in The presumed poverty of the South is America, and thus set 'at rest not caused by the tariff, but by wholethe ples of Massachusetts for priority. sale and disastrous gambling. There is The ledger book of St. John's Lodge, no wiping out that fact. kept by Benjamin Franklin and giving a list of members from June 24, 1731, to Rune 24, 1738, a stiff vellum volume, all in Franklin's own handwriting, is now in the library of the Philadelphia Historical Society, having been presented to it by George T. Ingham, of Salem, N. J., who received it from a descendant of David Hall, who was Frank'in's partner in the printing business. It is well preserved and bears on its face its dusky, cut her throat with a handsaw. evidence as an original record. It is the oldest Masonic lodge book by far in America. The oldest existing lodge record book previously known in Pennsylvania dates back only to 1767, and the oldest lodge record book in Massacousetts, that of Si. John's Lodge, Boston, was compiled and written in 1751-2. Barbee, of Robertson county, Tennesand records events only from 1733, when Masonry was established in Massachusetts. The discsvered record antedates it two years.

The foundation for the pedestal and statue of Liberty is completed, and rises tweaty feet above the old ramparts | grand children. on Bedloe's Island, N. Y. It was formally inspected last week by officers of Third avenue and Thirteenth street. and members of the executive committee, under the guidance of Gen Charles P. Stone, engineer in charge. The foundation stands in the middle of the old fort. Gen. Stone says it will Me .. woman has formed 530 intelligilast longer than the Pyramids. It is matter, and a rival, a man, has formed sunk 15 feet and 8 inches below the 511 words.

Kennedy, J. Pierpont Morgan, David Dows, Charles Francis Adams, Jr., Alonzo B. Connell, H. G. Marquand. and J. L. Ames must be set down as "the indorsers of Gould's drafts on the and of easy gradient. It is estimated to trusting public." By doing so they have placed themselves in a position where they will shrink in a manner which they will find exceedingly unpleasant.

The Augusta Chronicle wisely says

to take from us is a mere bagatelle to The Masons of Philadelphia have what we have voluntarily contributed

SHORTS

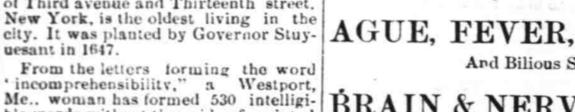

A taxidermist in Reading, Pa., has a collection of 75 000 butterflies.

Near Chillicothe, Mo., a boy chased a rabbit into a hollow tree, and found 200 \$1 and \$2.50 gold pieces.

Alter bequeathing her body to the doctors, Elizabeth Fitzpatrick, of San-A trout has just died at Harwich, England, known to have been living in a well there during the past thirty years. A New Yorker has invented a little spring to attach to gas jets, so that when the light is blown out the gas will be shut off.

The recent deep snows caused rabbits to gnaw the bark of fruit trees. Wm. see, lost 2,000 apple trees in this way Berkshire, N. Y., a town of 1,800 inhabitants, buried, a short time ago, at the age of 73; the only shaemaker it has had for the past 50 years.

The second district of Gibson county, Tenn., has three men that have 63 children, 21 apiece. One of them has 75 Stuyvesant's pear tree, at the corner
