I welcome you to the cooling waves of the classic Neuse where they mingle with the waters of the Trent on their way to the sea. I welcome you to our shell roads and elm groves. I welcome you to Elm city where fair woman is men are ever true to duty.

Gentlemen, you require no introduction to our hearthstones; your good name is in advance of you; your passport is Firemen, and the "latch string course on the 4th of July next.

"Newbern Firemen, the honor of entertaining this distinguished guest is upon you; sustain the reputation of your ancient city. Let the spirits of the lamented Radoliff and Ellis be with them the fondest recollections of old Elm City. Without detaining you

At the conclusion of Mayor Meadows' address the Wilmington band rendered complimented by many. Mayor Hall was loudly called for. He did not expect a call at this stage of the proceedings and was therefore compelled to desion was very appropiate. He spoke in substance as follows:

"In behalf of the representatives of the city of Wilmington, the firemen, desire to return our warmest thanks for this magnificent reception. Wil-mington and Newbern! ever since

Mr. Mayor and Firemen of the City of

two names have been prominent in its history. Thir interests are the same; their sentiments, their ideas, were the same. Educated in the same school. taught by the same class of men-your Gasto., Stanley, Donnells and Manly and others—we by our Dudley, Ashe, Moores and Meares—all animated by State pride, a chivalorus devotion to virtue and duty, how could there be any difference? May it always be so. May our hearts always beat as one for the honor and interest of dear old North Carolina.

"My recollections and associations are of a mixed character of pleasure ago I led a Wilmington volunteer tion of the completion of your railroad. Well do I recollect the delights we had in participating in your magnificent hospitality.

"The second time I visited you, the clouds of war were about bursting over your heads, the step of the invader was at your threshold; men from all points of the State rushed here to offer tence. But alas! our efforts were futile.

"The last time was equally ominous. Atlantic and Newbern companies and In 1868, when the dark cloud of reconstruction was engulfing all that we held Mayor Meadows escorted Mayor Hall dear in its nauseous folds, I was sent in a carriage, and the fire companies here as the standard-bearer of the white except the third, are to meet at Raleigh. was leading a forlorn hope; yet all was not lost. We must not yield our man-Gentlemen of the Wilmington and bood; we must meet dangers squre in the face and fight the good fight for the supremacy of the Anglo-Saxon race. 'It is more a pleasure than duty, as How well we fought, how well we enthem to speak for themselves, and ladies, look on them; don't be afraid of them, they are as brave as lions, but as harmless as a dove. I present them to you; they are the pick of Wilmington. We, at least, are proud of them. Again accept our thanks for this splendid welcome."

> At 12 o'clock a bounteous repast was spread at Weinstein Hall, where the visitors were handsomely entertained. impromptu speeches made and the time passed off happily.

The Rocks.

There have been some remarkable changes and improvements of late in tation extended by our firemen for a the appearance of things at what is friendly contest of fire apparatus. May known as the Rocks, about 20 miles below the city, already famous as a great fishing point and destined, we think, to become more so each succeeding season. There are now a number of comfortable houses built there, the largest of which is a hotel, kept by Mr. W. E. Mayo, where comfortable accommodations and an excellent tas ble are offered to all who wish to stop at the Rocks. There are also bath houses and sail boats, the use of which can be had at moderate rates. We have heard a number of persons speak very cordially of the accommodations at the Mayo House and the attention shown to their guests by the proprietor and his at 5 cents per sheet.

The Yachtsmen.

The Carolina Yacht Club held a meeting at the Mayor's office last night which was interesting as showing from the reports of the various committees that the organization is in properous condition. Its numbers were augmented have passed away will stimulate other by the addition of 12 new members. The report of the committee on revision of the by-laws and sailing regulations was adopted, and 300 copies were ordered printed, each member to receive one copy. Mr. Clayton Giles tendered his resignation as fleet Capalways fairest in her beauty and fire- tain, which was accepted, and Mr. A. R. Campbell chosen to fill the vacancy. The first annual regatta of the season will be sailed over the Wrightsville

Faster than the Fastest.

On Monday last we chronicled the fastest time ever made in the run from Weldon to this city, a distance of 162 aroused within you, so that when their miles, which was made the day before stay shall have ended they may carry in the remarkably short time of 3 hours and 40 minutes, including stoppages, or longer, I tender you the freedom of the 3 hours and 26 minutes actual running city, and above all the cordial hospital- time, with Mr. John Hessinger as the engineer.

To-day we give the time made yester- HERALD, (including Sunday) per week 25c. a riece of excellent music, which was day by Mr. John Niemeyer over the same road. He made the run from shed to shed-162 miles-in 3 hours and 36 minutes, including stoppages, which liver an impromptu address, which are was 4 minutes less than the time made SUN, generally the best, and on this occas- by Mr. Hessinger. Mr. Niemeyer's actual running time was 3 hours and 20 minutes, which was 6 minutes to his credit over any time heretofore record- Clay Peas! Clay Peas!
