For the Campaign.

THE POLITICAL CAMPAIGN UPON I which the people of North Carolina are just preparing to enter will, beyond all ques tion, be one of great excitement as well as one of vital importance to them. It will be no child's play.

All that is needed to insure Democratic suc cess and continued prosperity to the State is a plain, truthful statement of what are now the facts of history, or are daily becoming so. The reasons for Democratic victory, and the even stronger reasons for Republican defeat, are abundant, and it is the purpose of

THE REGISTER to do its full part in laying them before the people. As the best means in its power to this end, and in answer to appeals, the REGISTER will be furnished at such low rates as to put it in the reach of every one during the present State

and Presidential campaigns. If we all do our full duty, victory will sure ly be with us; but that duty will leave ue no idle time. There must be early work, late work, work all the time. If good govern-ment and a people's prosperity are, worth working for, let us all go to work, and at once.

CAMPAIGN RATES. THE REGISTER will be furnished to Clubs,

until November 15, at the following rates: One copy, 50c; five copies, \$2, ten copies, \$3 75; twenty copies, \$7; fifty copies, \$15; one hundred copies, \$28. In every case the paper will be sent until the returns of the election shall be received and published, and we invite the attention of Executive Committees of Counties and Townships, and of all others interested, to the Campaign REGISTER as a sure and cheap means of furnishing information to the people.
