A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best test of merit, but the point proudly to the fact that our medicine has won for itself such universal approval in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known physicians, Druggists should be of interest to every sufferer:

"Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured.

GEORGE ANDREWS, overseer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles for \$5.

AYER'S Ague Cure

contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no Quinine, and any mineral or deleterious substance whatever, and consequently produces no injurious effect upon the constitution, but leaves the system as healthy as it was before the attack.

WE WARRANT AYER'S AGUE CURE to cure every case of Fever and Ague, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Bilious Fever, and Liver Complaint caused by malaria. In case of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.

BLACKWELLS

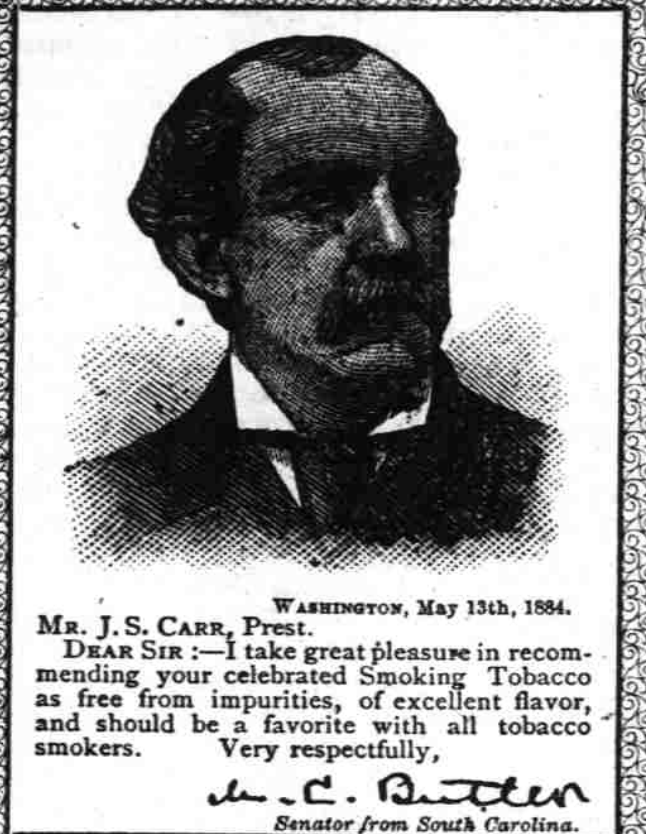

Mr. J. S. Carr, Pres. Dear Sir:—I have used your smoking tobacco. However, the very little use that I make of the article in this shape may not entitle me to be a good judge, but I must pronounce it of excellent quality and flavor.

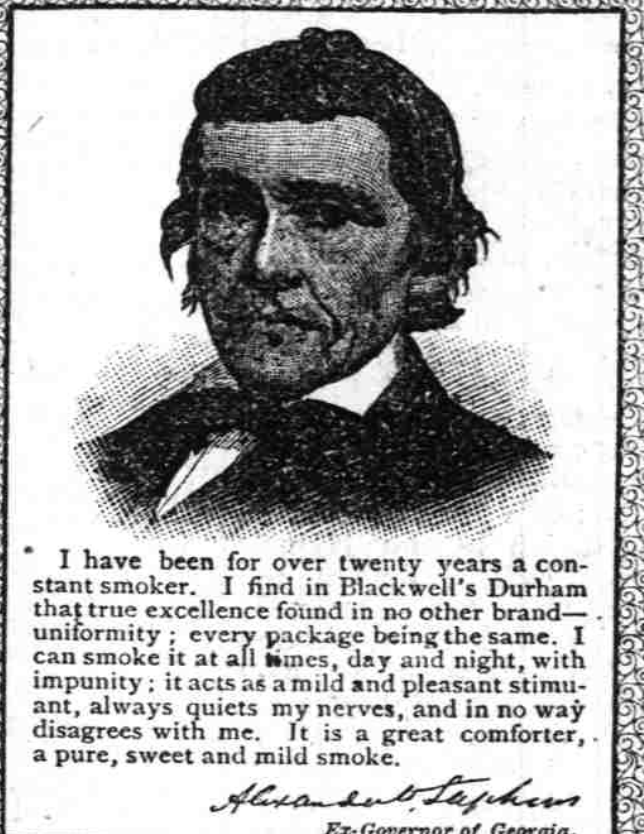

ALFRED TENNYSON. Thackeray's gifted daughter, Anne, in her sketch of Alfred Tennyson, in Harper's Monthly, tells of her visit to the great poet.

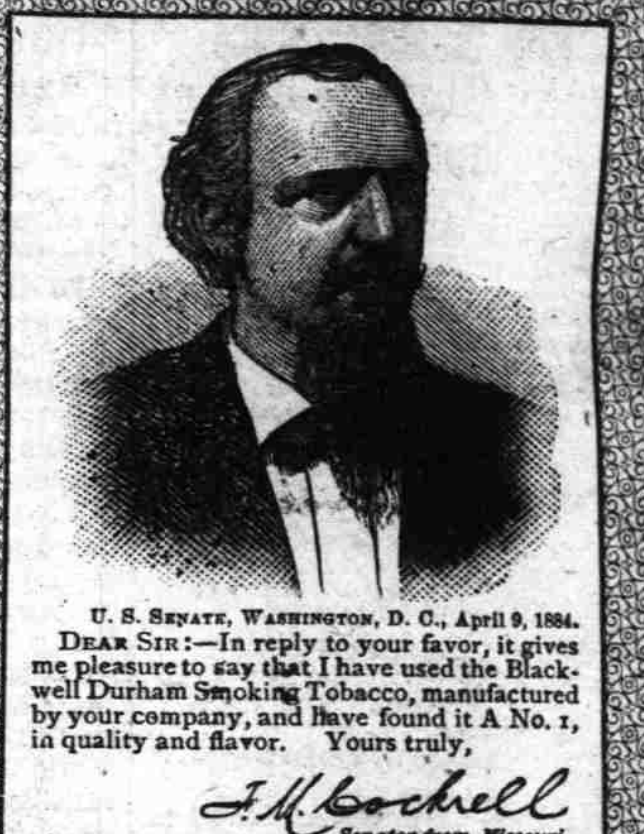

U.S. SENATE, WASHINGTON, D. C., April 8, 1884. DEAR SIR:—For five years past I have used constantly the Blackwell Durham Smoking Tobacco. I regard it as the best and most satisfactory smoking tobacco I have ever used, and take great pleasure in recommending it to all who, like myself, are fond of the pipe.

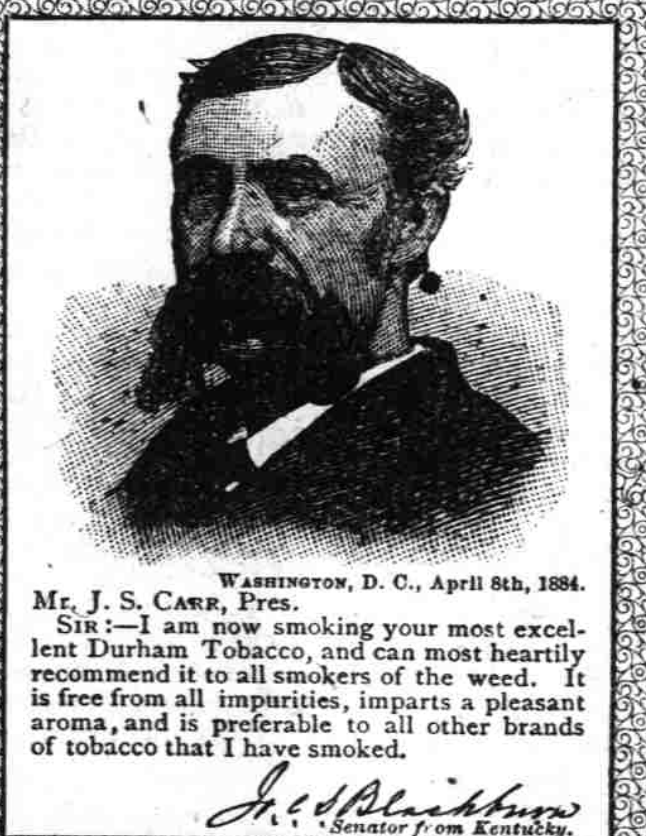

Mr. J. S. Carr, Pres. DEAR SIR:—I take great pleasure in recommending your celebrated Smoking Tobacco as free from impurities, of excellent flavor, and should be a favorite with all tobacco smokers.

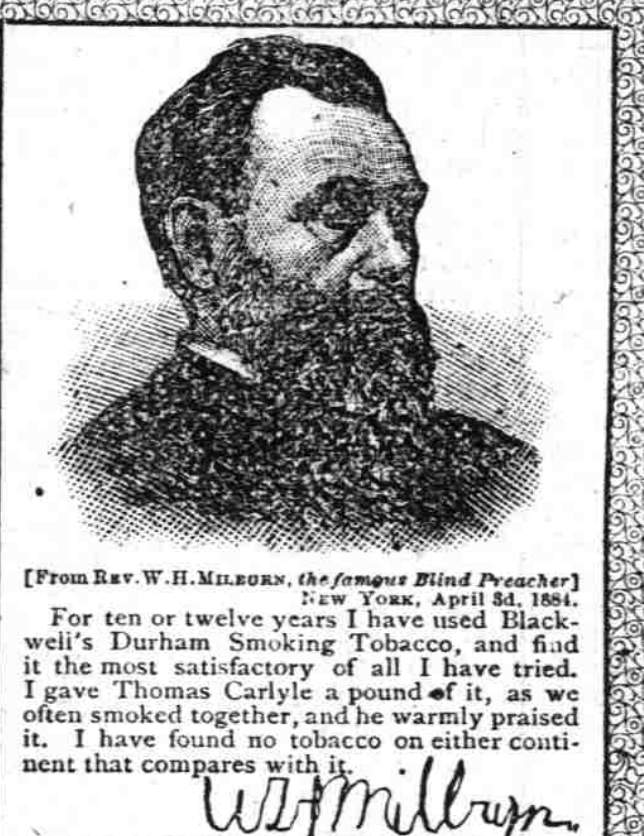

I have been for over twenty years a constant smoker. I find in Blackwell's Durham that true excellence found in no other brand—uniformity; every package being the same. I can smoke it at all times, day and night, with impunity; it acts as a mild and pleasant stimulant, always quiets my nerves, and in no way disagrees with me.

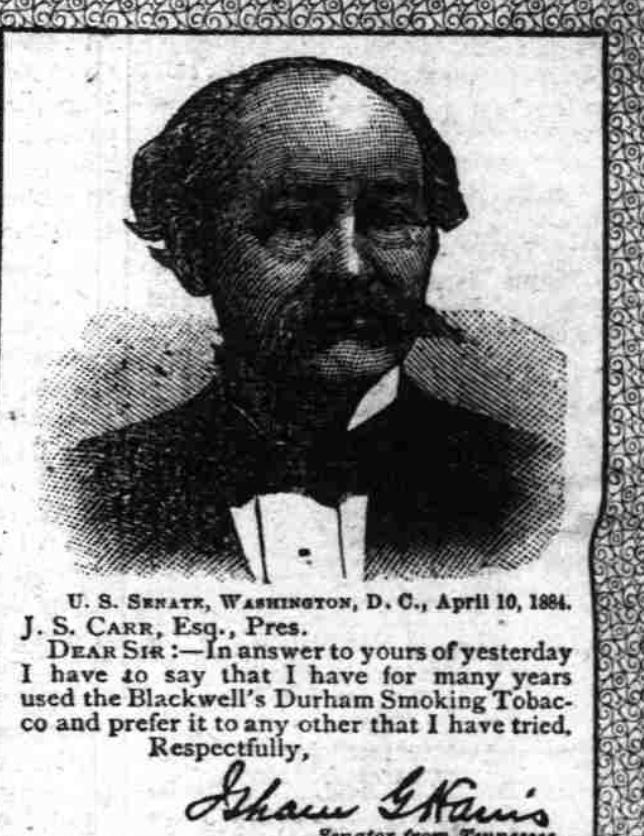

U.S. SENATE, WASHINGTON, D. C., April 10, 1884. DEAR SIR:—In reply to yours of yesterday I have to say that I have for many years used the Blackwell's Durham Smoking Tobacco and prefer it to any other that I have tried.

Mr. J. S. Carr, Pres. DEAR SIR:—I am now smoking your most excellent Durham Tobacco, and can most heartily recommend it to all smokers of the weed. It is free from all impurities, imparts a pleasant aroma, and is preferable to all other brands of tobacco that I have smoked.

[From Rev. W. H. MILLER, the famous Blind Preacher] New York, April 21, 1884. For ten or twelve years I have used Blackwell's Durham Smoking Tobacco, and find it the most satisfactory of all I have tried.

U.S. SENATE, WASHINGTON, D. C., April 10, 1884. J. S. CARR, Esq., Pres. DEAR SIR:—In answer to yours of yesterday I have to say that I have for many years used the Blackwell's Durham Smoking Tobacco and prefer it to any other that I have tried.
