Are generally induced by Indigestion, Foul Stomach, Costiveness, Deficient Circulation, or some Derangement

of the Liver and Digestive System. Sufferers will find relief by the use of

Ayer's Pills

to stimulate the stomach and produce a regular daily movement of the bowels. By their action on these organs, AYER's PILLS divert the blood from the brain, and relieve and cure all forms of Congestive and Nervous Headache, Bilious Headache, and Sick Headache; and by keeping the bowels free, and preserving the system in a healthful condition, they insure immunity from future attacks. contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no Quinine, nor any mineral nor deleterious substance whatever, and consequently produces no injurious effect upon the constitution, but leaves the system as healthy as it was before the attack.

WE WARRANT AYER'S AGUE CURE to cure every case of Fever and Ague, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Bilious Fever, and Liver Complaint caused by malaria. In case of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.

STATE NEWS

season. We learn from an old river man that in August three years ago a stalk of corn matured ears on a shoal at Gray's Creek before high water "cut it down."

Snow Hill Telegraph: Quinny Dunn is a colored man who is a credit to his race. He has a farm of eighty acres for which he would not take \$4,000, and we pronounce his cotton, which we saw last Friday, fine. He make, we believe, on an average, a bale of cotton to the acre.

Hickory Carolinian: Mr. J. T. Cline, of this township, went to Texas some months ago and rented a farm from one Tisdale. After planting a crop and watching the unpromising season for some weeks Mr. Cline surrendered the whole concern, returned home and purchased his old homestead, paying cash for the same with the money Tisdale wanted by way of damages for leaving his place.

Goldsboro Bulletin: Mr. Jas. E. Langston has left on our table five ears of corn that grew upon one stalk. The five measured 40 inches in length and weigh near three pounds. At this rate 25 stalks would make a bushel and allowing 4 840 stalks to the acre wo have 24,200 ears of corn, or about 195 bushels, or 39 barrels. This is of the bid. prolific or 7 ear variety.

Durham Reporter: We receive almost dialy reports concerning the present crop of tobacco. These reports are conflicting. Some tell us that crops in their immediate section are poor, the leaf is narrow, and the drought is doing great damage; while in other sections we are informed that the prespect for a large heavy crop was never more flattering. We think, however, the present crop of tobacco will be larger than for many years past, and that prices will continue high.

Winston Sentiuel: We are called upon this week to chronicle the death of Capt. J. F. Hellen, which occurred at 'Glenwood," Yadkin county, last
Thursday. The deceased came to Spirits Turpentine..... Winston from Newbern, and held at | Spirits Turpentine..... different times the position of chief Rosin..... deputy in the Internal Revenue office Tar here and during the interval that of Crude Turpentine..... postmaster of our city, and won for himself the high esteem of the entire community. Newbern Journal: Mr. John R. Dail of Snow Hill, died yesterday at 9 o'clock a. m., after a lingering illness, Mr. Dail was a prominent citizen of Greene county, and had for several years past resided at Snow Hill. He was about 70 years old. - The cotton year ends August 31st and the crop of 1883 will be snnumed up at the ports of entry. The exchange here reports 14 389 bales sold from the counters of that establishment, showing a falling off of considerable when we compare statements below; which was of the crop of 1881, 21,107 bales; 1882 20,510.
