Quarantine Notice.

QUARANTINE FOR THE PORT OF WIL mington will be enforced from May 1st to Novomber 1st, as follows :

Pilots will bring all ve-sels from Ports south of Cape Fear to the Quarantine anchorage; also, all vessels which have had any kind of sickness on board during the passage or on arrival, and will cause a signal to be set in the main rigging on the port side, as soon as possible after crossing the Bar.

No vessel must leave the Quarantine anchorage, or allow any person, steamer or tug boat, lighter, or boat of any kind to go along si e, unless by written authority from the Quarantine Physician; and every vessel must be an. chored as far to the eastward of the channel as is consistent with safety.
Regulations governing vessels while in Quar-

antine may be had on application at the office of the Quarantine Physician at Smithville Applications for permits to visit vessels in Quarantine must be made to Dr. Thomas F. Wood or Dr. 600. G. Thomas, and permits so obtained will be end reed by the Quarantine Physician, if, in his opinion, it is proper and safe to allow communication with such vessels. A penalty of \$2 0 for each and every offence, will be enforced against any person violating

any of the Quarantine Regulations of the Port.

OSH. T. JAMES, Editor & Prop.

WILMINGTON, N. C.

Entered at the Postoffice at Wilmington, N. C., as second-class matter.

FRIDAY, SEPTEMBER 12, 1884.

will prove to have been a dearly-brought victory for Blaine and his lieutenants. The New York papers term with the bribery and corruption practised before Mr. Blaine's own eyes and not only with his knowledge and consent but by his advice and cooperation. The people such a man to the chair filled by Washington and John Adams and Thomas Jefferson. Read this from the World:

to any extremity and excuse him for Republican party. every wrong. They assume that the evidence of every sin in him is a vile device of the enemy and would not be convinced by proof as plain as Holy

In Angusta he has built up a political Manley, the eminent Postmaster, down lar. to the watchman at the State-House, but will make a compact with a rumseller in the twinkling of an eye. Some of the more richly plumaged ones get drunk when they are outside the State limits. Mr. Manley knows this is not a slander. There are forty clerks as many as are generally found in postoffices of cities having a hundred thou sand inhabitants. These clerks are expected to do political duty. The forty clerks of the Postoffie are forty political messengers, whom Boss Manley sends thither and thither on whatever mission he sees fit.

If Gov. Cleveland were elected Presiprobably have to clean out in the United States would be the Augusta Post-Office. Here are the names of some of the agents of Manley who have places in this Post-Office and who are understood to have been actively engaged yesterday in bribing men to vote the Republican ticket: Horace Cony, who lives in the Fith Ward and who knows how much it cost to buy Ichabod Allen and his crowd; Leslie Dyer in the Third Ward, who gets \$50

As he rubbed his head the barparty; Frank Arnold, who lives in the ber said: "Oh. yes, there's plenty of England about £880,000,000 per annum Third Ward and who carries the mail room at the tob." And the bald head to live. in one hand and a commission in the other for whooping up voters who ask pay for their time and patriotism; Ed Barrows, who lives in the Fifth Ward, and who goes out by night and by day to bring up the dirty birds who want for the coming of the soothing season like hungry cattle who long for the springtime and the green grass: James Wade, who lives in the First Ward, and who knows a good deal more about making a bargain with a voter than he does about attending to his own legitimate business.

These chaps and others in the Post-Office were out in full force and feather Monday and helped to distribute the huge corruption fund that was given to carry this city for Robie by an increased majority. Dozens of men who have heretofore voted the Democratic ticket day and broke his leg. The Rev. Mr. sold out for a fixed price to bribers Gidfelt heard of the accident, and, in after they had learned that there was his Sunday sermon, said: no prospect of remuneration from their own party leaders. Some of them the retribution following the violation were so persistent and anxious that they came to a Democratic leader and said they had been offered \$10 by Horace Cony, Joe Manly's agent mentioned above, but that they would not desert their party it they could get but half that sum. They were sent back and it is supposed took the money from and it is supposed took the money from | Sunday-school, slipped, fell and broke the other side, for they voted the Republican ticket. I mention these facts to indicate in some degree the corruption that prevailed at the election the retribution following self-appointed Cashier Monday. It is not a statement out of censorship If the Rev. Mr. Gidfelt

The Republicans have won a dearly bought victory in Maine—dearly bought because of the actual dollars and cents | matic diseases, Ayers Ague cure is a it has cost and of the sacrifice they have positive remedy. Warranted. made of the most sacred principles that underly a free government. If a truthful account of the bribery practised throughout the State yesterday could be given it would not be believed. The bold, audacious and insolent purchase of votes right here in the city of Augusta is simply incredible to one who did not see it. The only way the American people could be convinced of such wholesale corruption of the ballot LUNGS, and I can say, of a truth, it is would be to look down and behold for far superior to any other tung prepara-themselves men bought and marched tion in the world. My mother was up to the polls in herds like so many confined to her bed four weeks with a servile beasts. It must be a matter of cough and had every attention by a some humiliation to the friends of Mr. good physician, but he failed to effect a Blaine to know that the most flagrant cure; and when I got one bottle of your outrages in the whole State were com- DR. I can say in truth that ir Talk of Copiah and Danville, of South- | WAS THE MEANS OF SAVING HER LIFE.

the purchasable vote of this city numbers about 400. I have no doubt of the truthfulnesss f that statement. I have heard the testimony of dozens concerning these shameful briberies. I have seen the men who did the buying and the men who were bought, and know the prices paid. I confess that I could not have believed there was a place within the domain of the United States Government where law reigns, where there are courts and officers to do police The result of the election in Maine duty, where there is a pretense of decency, law and order at which such wrongs could be tolerated.

There ought to have been scores of arrests in Augusta yesterday. There was but one, and that was not for bribery. To what a fearful condition has any community come when nearly one-fourth of its voting population puts itself up to the bigtest bidder! That of the United States will never elevate 400 men hold the balance of power. Money, and money alone, takes them to this side or that. Principle with them is something never realized or long since forgotten. Only a pen of AUGUSTA, Sept. 9.—The apologists inspiration could depict the picture this of Mr. Blaine have been busy all day city presented last Monday, with its to the class nine of whom are required MAIL AND PASSENGER TRAIN DAILY trying to justify his cowardly dodge of misguided, fanatical women, meaning a vote on the prohibitory amendment well enough, but bringing on their sex yesterday. He tried to explain it him- needless ridicule and embarrassment by self last night in a speech, in which he going to the polls and standing there in and has a moderately broad brim. It taid he did not vote on the question the midst of mobs of drunken, protane is trimmed with flowers. because it was a State issue. The act- and indecent men—men whose hards Dog collars are in vogn ion of Robie was also a State issue, but may never have touched the garment he voted for it. His Prohibition friends, of a pure woman unless when at the like Neal Dow and Anson P. Morrill, breasts of their mothers-men whose ularly well against a soft, white neck. are ready enough to forgive him under very look is defilement, whose breath the circumstances. They would have befouls the atmosphere about them as forgiven him almost as readily as if he the carcass of a dead animal pollutes had voted against the amendment, if it the earth upon which it rots. Think of were evident to them that he would a man so beastly drunk that he could gain a political advantage thereby. not walk nor speak being carried into a Duplicity is one of the cardial virtues voting room, having his name called of the style of politician which out by one of the wretches who had has grown up in this State of bribed him, and having a ballot put in Maine. The party which supports his hand by a woman working for the Blaine here and keeps him in power is cause of Prohibition. All this in the as bad as he is. It would follow him the name of Blaine, teetotalism and
