# THE DAILY REVIEW.

VOL. VIII. WILMINGTON, N. C., SATURDAY, OCTOBER 4, 1884. NO. 237

Mr. Maurice Werthemer, of New York, has commenced a suit against the Cunard Steamship Company for injuries inflicted by the steamship *Servia* while a passenger on that vessel. While suffering from seasickness he was given a dose of chlorate of zinc instead of mineral water. He was disabled for life by the poison, and asks for \$100,000 damages.

The New York *Sun* publishes statistics to show that New York grows healthier; the mortality for the first three quarters of the present year has been about that of the same period in 1872, whereas the population has increased from less than a million to a million and a half. There is certainly every reason why our communities with the discovery and application of most important principles in sanitary science should grow healthier, though they increase rapidly in population.

**Far Off India.**  
The *Englishman*, a leading journal of Calcutta, India, says, editorially, with regard to premiums at the International Exhibition "St. Jacobs Oil, which is known as the Great German Remedy for pain, after crucial tests has been raised to the degree of gold medal."

**Change of Hour.**  
Rev. Dr. Pritchard, having returned to the city, will occupy the pulpit of the First Baptist Church to-morrow morning and again at night. The time for the commencement of the night service has been changed to 7:30 o'clock. The subject of to-morrow night's discourse will be "The Moderate Drinker."

**Just Right.**  
It is very safe to say that the circulation of the New York *Sun* has fallen off 50 per cent in this city in consequence of the stand it has taken in regard to the political campaign. At one store it has been entirely cut off, and at another 15 copies have been taken off. The *World* and *Times* have increased in proportion as the *Sun* has fallen into disrepute.

**Mortuary Report.**  
Dr. F. W. Potter, Superintendent of Health, reports the following deaths in this city during the month of September:  
Whites—3 males, 7 females; 6 adults, 4 children. Total 10.  
Colored—10 males, 19 females; 14 adults, 15 children. Total 29.  
Grand total, white and colored 39.

**Nobody Wants It.**  
The *Rockingham Spirit* says it has information to the effect that Hon. O. H. Dockery will decline the nomination made at the recent convention held in Rockingham, in which case Mr. F. H. Darby will be put in his place. This will hardly be as we heard Mr. Darby say a few days since that he would not accept, in such a contingency. Therefore, if Col. Dockery refuses it the nomination will probably go a-begging.

**The River.**  
The Cape Fear steamers have been unable to put in an appearance here in several days, on account of the extremely low stage of the water. It is now almost impossible to pass over the shoals with any load, and until there are heavy rains in the up country to swell the streams, the steamers may not be expected. There are large quantities of freight awaiting transportation both ways, and especially from up the river, where cotton and naval stores have been collected for shipment.

**Organization.**  
The Second Ward Democratic Club was organized last night. The meeting was called to order by Maj. John W. Dunham, and an election of officers was held with the following result:  
President—John W. Dunham.  
First Vice President—B. R. Moore.  
Second Vice President—O. G. Parsley.  
Secretary—E. R. Hicks.  
Treasurer—J. C. Munds.

The President was authorized to appoint two members, acting with the officers of the Club, to constitute the Executive Committee.  
A resolution was adopted that the Chairman of the County Executive Committee be requested to confer with the Presidents of the several Ward clubs in regard to the conduct of the campaign and for the purpose of adopting some uniform system of raising a fund with which to defray the necessary campaign expenses.  
The meeting adjourned, subject to the call of the Chairman.

**He Sleeps.**  
At about 11 o'clock this forenoon Mr. Samuel W. Dunham, of this city, departed this life at his residence on the corner of Chestnut and Third streets, aged 68 years, 4 months and 5 days. Mr. Dunham was born in Bladen county, but has been a resident of this city for more than 40 years, having removed here before he had attained his majority. He married here and has been actively engaged in the saw milling business as a general inspector of lumber nearly all the time since he came here until 1877, when he retired from active business life. He was engaged in the grocery business for a short time, but his store was burned when he resumed his occupation as an inspector. His wife survives him, and also two children, Maj. John W. Dunham, and Mrs. H. B. Jewett. The deceased has been confined to his house for several months and his death was not unexpected. He had been a member of St. James' Church for many years, and in all the relations of life, whether as husband, father, neighbor, citizen, friend or man of business, had been worthy of the profound esteem in which he was universally held by all who knew him. His interment will take place at 4:30 o'clock p. m. to-morrow.

**"Nordeck."**  
The Washington *Star* says of "Nordeck," which is to be presented here next Wednesday night:  
"Nordeck," Mr. Frank Mayo's new romantic play, produced last night at the National, is the most powerful and best constructed work that has been seen here for years. The first act moves quietly, while the second ends with a powerful dramatic climax. The interest of the audience is sustained throughout, as the drama is replete with striking situations. Mr. Mayo, as *Waldemar Nordeck*, is very strong and is a revelation to those who have only seen him as *Davy Crockett*. The company is uniformly good, Henrietta Vaders, an old Washington favorite, having an especially fine role. The play is very handsomely mounted.

For durable coloring the walls of rooms in beautiful tints, at little cost, nothing equals the MABLEINE sold at Jacoby's Depot.

**Magistrate's Court.**  
Riley Moses, colored, was brought before Justice Hall this morning on a charge of an assault and battery with a deadly weapon upon Mr. E. Scharff. The testimony went to show that the latter had been much annoyed by a pig belonging to the wife of Moses in consequence of which a few rather angry words passed between Scharff and the woman. These were heard by Moses, whereupon he came out with a whip with the butt of which he struck Mr. Scharff on the head and knocked him down, repeating the blows after the latter had fallen. For this offense Moses was required to give bond in the sum of \$50 for his appearance at the next term of the Criminal Court.

To every Housekeeper a good substantial cook stove is an important necessity and our readers will find the best at Factory prices at JACOBI'S Hardware Depot.

Private John Meier, of the Wilmington Light Infantry, has been promoted to be drum major of the Second Regiment, in honor of which he was presented by a number of his friends with a fine bouquet upon the arrival of the corps last night.

**Home Again.**  
The Wilmington Light Infantry returned to the city last night from their trip to Raleigh, where they went to be present at the opening of the State Exposition and to take part in the competitive drill in which the several companies of the State Guard that were present took part. The judges of the drill were Capt. E. M. Hayes, of the United States Army, A. C. Davis and Lieutenant J. B. Bachelor, Jr., who awarded the first prize to the Pasquotank Rifles, Co. I, Second Regiment, and the second prize to the Fayetteville Independent Light Infantry, Co. A, Second Regiment. The judges spoke in the highest terms of the excellence of the drill and soldiery department of all the companies and said that "any State in the Union might well be proud to count among its Guard such a private as Col. Cantwell, of the Wilmington Light Infantry, a veteran of the Mexican war, bearing on his breast the medal of Churubusco." The committee regretted that they were not empowered to award a prize to each and every company which took part in the drill, as they were all deserving on account of their efficiency and soldierly bearing.

The reading of the judge's report elicited great applause and especially that portion of it which mentioned the name of Col. Cantwell.  
The Infantry boys returned in good spirits, regretting only that they had not been able to bring off one of the prizes.

The Presbyterian Synod convened at Winston on Wednesday last. The only delegate from this city is Mr. B. G. Worth. Mr. John McLaurin, of the N. C. Presbyterian, is also in attendance in the interest of his paper.
