JOSH. T. JAMES, Editor & Prop'r. WILMINGTON, N. C.

MONDAY, OCTOBER 31, 1887. Entered at the Postoffice at Wilmington, N.C., as second-class matter.

A question of interest in the Alaska controversy relates to the probable number of seals in and around Behring Sea. A computation last spring by Agent Noyes gave 6,557,750 as the total number of breeding seals on the two islands of St. Paul and St. George.

It is stated in the Panama Canal Company's official bulletin, as quoted by the Panama Star and Herald, that the excavation for the month of July "on the canal proper" amounted to 570,000 cubic meters.

The reported agreement between France and Great Britain for the withdrawal of the French troops from the New Hebrides will, if carried out, be very greatly to the advantage of all concerned.

In Brief And To The Point. Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature. The human digestive apparatus is one of the most complicated and wonderful things in existence.

OCTOBER ODDS.

The harder a base ball club works the more it plays. In its old age every comb loses its teeth and hair.

A lazy man is always equal to the exertion of eating. If a man blows his own trumpet, can his opinion be sound?

The new dynamite gun is determined to make a noise in the world. It takes nine tailors to make a man, but one tailor can make a dude.

The toy balloon maker's business being greatly inflated has an upward tendency. Women are said to give back talk, but do not men do the same when they criticize the modern bustle?

A man may be able to paint a town red from end to end, and yet possess none of the cardinal virtues. "How it all comes back to me!" dramatically exclaims the poet, opening a thick parcel of rejected verses.

A writer says the green apple was never known to do any one any good. The doctor could probably tell a different story.

There are 78,000,000 acres of corn planted in this country, and about that number of corn achers on the feet of its inhabitants.

A newly elected Congressman said last week, speaking of an old friend who had voted against him: "Now there's nothing mean about me, for when I saw that fellow suffering with a terrible cough, I forgave his going back on me and told him to use Dr. Bull's Cough Syrup."

The Kansas druggists, who are required by law to get twenty-five permits to sell liquor, find that it is a hard condition.

When all so-called remedies fail, Dr. Sage's Catarrh Remedy cures. From \$2,000,000 to \$4,000,000 worth of gold is used annually in the shape of foil for gilding, lettering, edging of books, sign and ornamental painting and denistry, gilding taking the greater share.

Dr. Pierce's "Pleasant Purgative Pills" cleanse and purify the blood and relieve the digestive organs.

The oriental fabrics and embroideries which have been so popular in England the past season will be worn very generally here in a variety of ways, particularly, however, as a trimming for elegant evening toilets.

Darby's Prophylactic Fluid. Use it in every sick-room. Will keep the atmosphere pure and wholesome; removing all bad odors from any source.

Will destroy all Disease Germs, infection from all Fevers, and all Contagious Diseases. The eminent physician, J. Marion Sims, M. D., New York, says: "I am convinced that Prof. Darby's Prophylactic Fluid is a most valuable disinfectant."

Perhaps some ladies would like to know that milliners use an ordinary polish for ladies' shoes to renovate old black straw hats. Brush out the dust first.

For three weeks I was suffering from a severe cold in my head, accompanied by a pain in the temples. I tried some of the many catarrh remedies without any relief.

I was troubled with catarrh in my head to an annoying extent for three years. After using one bottle of Ely's Cream Balm I was entirely cured.—Wm. J. Cline, Victor, N. Y.
