The annual meeting of the stockholders of the Carolina Central Railroad Company will be held at the office of the Old Dominion Steamship Company in New York, May 10th.

The new Pender county jail at Burgaw has one inmate. It is a colored prisoner who was ordered committed by a magistrate in Caintuck, in the extreme Western part of the county and who had to be brought through Wilmington, via the C. C. R. R., because of the high water in Black river.

Rock Crystal Spectacles and Eyeglasses
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

A Musical Hop.
Germania Cornet Band will give a hop at the Howard Engine Hall on next Wednesday night, on which occasion the band will appear in full uniform and will render some of their best music, among it several pieces which have never yet been heard here in public. The committee of arrangements consists of Messrs. P. M. Knobloch, F. Bissinger, John Boesch, H. H. Gieschen and C. H. Schmidt.

The increase in our sales the past month was beyond our expectation, and proves conclusively that our efforts to place first class Clothing at New York prices within the reach of buyers from Wilmington and vicinity is appreciated. A Tragedy on the Pike.
A blind horse, a drunken man and a sleeping girl were the elements of a tragedy which occurred on the turnpike last night. The man is a white man named J. L. Brock, the girl, now dead, was named Rosanna McDaniel, and the horse—well, the horse is now probably dead too as his shoulder was broken and he would be henceforth useless.
It seems that Brock, who resides at Greenville Sound, had been into the city during the day with fish, and Rosanna McDaniel, the deceased, aged 13, and her sister, Mary Jane, aged 18, residents of Wrightsville, had been here to sell oysters. At about 7 o'clock they met Brock in his cart at the corner of Market and Fourth streets and he offered to carry them home. They got into the cart and soon fell asleep. At a point a short distance beyond the first mile post on the turnpike, the girls were rudely awakened by the capsizing of the cart. The blind horse, left to his own guidance, had gone into the ditch at the side of the road, in which there was about two feet of water. Mary Jane alighted on the bank and Rosanna on her head in the ditch and when she was pulled out she was dead, by drowning. The girl sat by the body of her dead sister all night. This morning Brock strayed into the city and gave the alarm at the City Hall, when he was arrested and locked up. Coroner Miller was notified and at once went to the scene and had the body brought into the city and carried to an undertaker's shop on Second street. He then empaneled a jury, who after hearing all of the evidence in the case returned a verdict that: "While riding in a cart on the turnpike driving a blind horse in the darkness of the night the driver, J. L. Brock, being drunk and all parties asleep, horse, cart and occupants were precipitated in the ditch of two feet of water, causing the death of Rosanna McDaniel by drowning accidentally."

A Safe Investment.
Is one which is guaranteed to bring you satisfactory results, or in case of failure a return of purchase price. On this safe plan you can buy from our advertised Druggist a bottle of Dr. King's New Discovery for Consumption. It is guaranteed to give relief in every case, when used for any affection of Throat, Lungs or Chest, such as Consumption, Inflammation of Lungs, Bronchitis, Asthma, Whooping Cough, Croup, etc., etc. It is pleasant and agreeable to taste, perfectly safe and can always be depended upon.
Trial bottles free at Wm. H. Green's Drug Store.

Some Truck Notes.
There is not much truck as yet to send North from this section. The peas are backward and the Irish potatoes rotted in the ground. Radishes, however, are being shipped. A gentleman at Burgaw engaged in trucking has been shipping some of these and one barrel netted him \$10.85, which is a first-rate showing. Strawberries have been put back very much by the last cold snap, a large percentage of blooms having been killed. The peas are now getting up out of the ground at a lively rate and trying hard to make up for lost time. The peach crop is variously reported on but heretofore it does not seem to have been seriously injured.

Vessel and Cargo a Total Loss.
At about 8 o'clock yesterday morning the Schr. *Douglass Hovey* Capt. Blake, loaded, from Perth, Amboy for Brunswick, Ga, loaded with railroad iron, went ashore on Frying Pan Shoals, about five miles west of the lightship. She is a large vessel registering 400 tons. The steam tug *Alexander Jones*, Capt John W. Harper, went to her assistance but could do nothing for her. The sea was breaking over and although ashore yet she is fast sinking in the sand. The cargo could not be saved but she was stripped of her sails and boats and some of her ropes and the Captain and crew, eight in number, were taken off, with their effects, and brought to this city. The vessel and cargo will prove a total loss.

Personal.
Messrs. Spencer, George and John LeGrand left here last night in response to a telegram calling them to the bedside of their brother in Richmond county, who is critically ill.
The cheapest place to buy your school books and school stationery is at Heinsberger's.

City Court.
Mary Wooten was before the Mayor this morning, charged with larceny. He was discharged.
Frank Mumford, also charged with larceny, was found guilty and was bound over to the next term of the Criminal Court in the sum of \$100.
Ben Cooper, disorderly, \$10 or 30 days.
W. Gordon, disorderly, \$10 or 30 days.

Merit Wins.
We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Wm. H. Green, Druggist.

Born on the Cape Fear.
We erred in saying that Mr. Maurice Q. Waddell was born in Chatham county. We clip from the *Record* the following short but interesting biographical sketch:
The deceased was born on the 13th of May, 1804, at his father's plantation on the Cape Fear river, several miles above Wilmington. He came from distinguished Revolutionary ancestry, his paternal grandfather having been Col. Hugh Waddell, who, in command of the Brunswick militia overawed the British sloop of war *Diligence*; and his maternal grandfather having been Gen. Francis Nash, who was killed at the battle of Germantown. He was the survivor of six brothers, all of whom lived to an advanced age, the average age of each of them having been over 80 years. Soon after his marriage Mr. Waddell removed to Pittsboro, where he resided until the death of his wife, in 1881, and after that resided with his son in Smithfield. Until about four years ago he was the best preserved man, both in mind and body, that we have ever known, seemingly as vigorous as a man of fifty years of age; but for sometime past he was almost a helpless invalid. His remains were interred in the Episcopal churchyard, at this place, by the side of her who had been his faithful helpmeet for more than fifty years, and who, by a strange coincidence had died and was buried on the same day of the same month, seven years previous.

Gilmore's Band.
The appearance of the renowned "Gilmore," the originator of the famous "World's Peace Jubilee" in Boston, and his band of seventy-five soloists, at the Opera House on the 12th of next month, will no doubt create a "tremendous stir" in musical circles.

In Richmond, Charleston and other cities all the seats for their concerts have already been sold, and Wilmington will no doubt follow suit. Gilmore's great success as a concert giver is due to the fact that he does not confine himself to classical music, neither are his concerts strictly instrumental, for some of the greatest living vocalists accompany this famous organization. His concerts are not intended for the musician alone, but for the masses as well, for Gilmore will render such popular selections as the Anvil Chorus, with full band, anvils, bells, canons, etc. The "personnel" includes some of the greatest living performers, and all the latest musical wind instruments, such as saxophones, flugel horns, oboes, contrabassos, antoniophones, trumpets, French horns, etc., will be represented at these concerts by worthy exponents. As such an important event occurs but once in a life-time, there will no doubt be a crowded house.

Regimental Flag.
The regulation flag of the Second Regiment N. C. State Guard is in the possession of Col. W. C. Jones, commanding the Regiment. It is of three colors, red, white and blue, the two former forming the parallel stripes and the latter being vertical, and next to the staff. On the blue it bears the legend, May 20, 1775—April 12, 1776. These are two historic days in North Carolina, the former being the date of the Mecklenburg Declaration and the latter the day on which the Provincial Congress, in session at Halifax, adopted a resolution declaring the readiness of the people of this State to separate at once and forever from the British crown. The red and white stripes of the flag—which is, by the way, of silk—carry the letters "2d Regiment, N. C. S. G."

THE RAILS ARE HERE.
Schr. *Mary E. Bacon*, Capt. Eskridge, arrived here this morning from Philadelphia with a cargo of steel rails for the Seacoast Railway. She is consigned to Messrs. Geo. Harris & Co. She has enough rails on board to lay about one-half of the track between the city and the hammock. She will discharge cargo at the wharf depot of the W. & W. R. R., and track-laying will begin in earnest on Monday next.
McClammy for Congress.
EDITOR REVIEW:—McClammy stock is away above par in Pender, and he will receive the solid and earnest support of the county in the next Congressional Convention. You can rest well assured of this fact, for it is a fact. The Democrats are satisfied with his course in Congress; they believe he is an able and faithful Representative, and being himself a farmer, and this being almost exclusively a farming district, they think he is preeminently qualified to represent them. This fact, together with his services in behalf of the party in every campaign and sacrifice of both time and money to advance its interests in the past, his friends think, justly entitle him to a renomination at the hands of the party, and Pender will present his name to the Convention confidently expecting that endorsement to which it believes him justly entitled.
