Survivors of Co. I, 18th N. C.

The meeting of the survivors of this afternoon from our good friend, Co. I, 18th N. C. Regiment, called Mr. Henry A. Colvin, of Pender for last night at Dr. Thomas F. county, who was in the city to-day Wood's office, was well attended, the following having responded to the call: Hon. O. P. Meares, Josiah Merritt, F. H. Mitchell, B. F. White, Josh. T. James, C. H. King, R. S. Love, Dr. Thos. F. Wood, Captain James F. Metts, Capt. John Cowan. Wm. Blanks, Capt. T. C. Lewis, A. B. Cook, O. R. Hollingsworth and Geo. W. Huggins.

On a call from the chair, Mr. of forming a permanent organization of the survivors of Company I, Wilmington Rifle Guards, with the this. view of perpetuating, by reunions at stated intervals, the memories and associations of the war, so far as might be extended and might be the river on Monday made a regimental instead of com-

On motion, it was resolved that a permanent organization be effected, and that it be known as "Survivors of Wilmington Rifle Guards, Company I, 18th N. C. Regiment," and that the chairman and secretary of the Lecture Room of the Church. the meeting be made President and Secretary thereof respectively.

The chairman read a communication from Mr. P. Cumming, Chief Marshal, inviting the organization to take part in the services on Memorial Day, which was accepted, with the understanding that the members attend in a body.

On motion, it was resolved that badge, temporarily distinctive o the organization, be adopted for Memorial Day.

The meeting then adjourned, sub ject to the call of the President.

Let Them Have It.

The Wilmington Light Infantry have secured a petition, signed by many of the most prominent business men and residents of the city, asking the Board of Aldermen to give them a long lease on the vacant property corner of Dock and Fourth streets. If the city will do this then the company will agree to erect thereon a handsome brick armory to cost not less than \$20,000. They have about \$15,000 already in sight and feel sure, as do we, that they could easily raise the balance. The petition is to be presented at the meeting of the Board of Aldermen on Monday night and we hope that it may prevail. We see no reason why it should not. The city has no use for the property at this time and this disposal of it will be for an excellent purpose. It is indeed but a slight recognition of the valuable public service this gallant company has performed in the past and stands ready at any time to render in the future.

Owing to the late fire we have removed our Shirt Factory, temporarily, to No. 13 Market street, where we will be pleased to meet our friends and customers. No. 13 Market st. Respectfully, J. Elsbach,
