A private telegram received here yesterday says that Gaston County Democratic Convention instructed the delegates to the State Convention to vote for Maj. Stedman for Governor.

A private letter to the Editor from a friend in Fayetteville, a prominent lawyer in that town, says: "This county, I think, is largely for Stedman and the Convention on the 30th will prove my prediction." So may it be.

The steamer *Acme* is the latest addition to the river fleet. She is 75 feet long, 13 feet beam and draws 3 1/2 feet when loaded. She will ply between this city and Town Creek, under command of Capt. J. W. Taylor, one of the owners.

Pender County Superior Court adjourned yesterday at noon, making the shortest term on record for that county. There were no cases of particular interest and no recruits for the Penitentiary were turned out.

The survivors of the Wilmington Rifle Guards, Co. I, 18th N. C. Regiment, are notified to meet at Judge Meares' office, on Market street, near Third, at 3:15 o'clock to-morrow afternoon, to take position in the Memorial procession.

Rock Crystal Spectacles and Eyeglasses
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

Nothing Fairer.
I, Shrier, at No. 16 N. Front street, guarantees, if any purchasers of Clothing, Hats and Furnishing Goods are not perfectly satisfied, he will refund the money. He also guarantees to save you from 15 to 25 per cent. on the identical goods you may purchase elsewhere. It will be of no expense to you to convince yourself of the fact and you will be money ahead by calling at

Owing to the late fire we have removed our Shirt Factory, temporarily, to No. 13 Market street, where we will be pleased to meet our friends and customers. No. 13 Market st. Respectfully, J. Elsbach, Prop.

Very Good Reasons.
The reasons why you can be benefited by buying from the King Clothier, S. H. Fishplate: You are in a Reliable House. A large assortment to choose from. A saving of 20 percent. All goods steam sponged. Exclusive styles sold by him only. All goods guaranteed sewed with silk. His stores are well lighted by day and night and you can see what you are buying, plenty of light being the most essential thing for buyers of Clothing. If you are not satisfied with any article purchased from Fishplate's return the same and he will cheerfully refund you your money. With the above plainly before you how can you refuse to trade with a house of that kind. tf

According to the Pall Mall Gazette, the loan of a villa to the Queen of England is no simple matter. In Her Majesty's recent visit to Florence seventy-two people in her train had to be provided for, including two Indian potentates, who had separate kitchens, as they were unable to eat with Europeans. Not only was a telegraph laid in the house, but telephones were required for every room. In the process of knocking holes for the telephones, portions of several beautiful ceilings were knocked down which could not be easily repaired.

Everything which belongs to pure, healthy blood is imparted by Hood's Sarsaparilla. A trial will convince you of its merits.
Paint your house with the N. Y. Emerald Paint. It is the best and cheapest. You will find all colors, in any desired quantity, at Factory's agent, Nath'l Jacob's.

SIMMONS' LIVER REGULATOR
"My attention, after suffering with Constipation for two or three years, was called to Simmons' Liver Regulator, and, having tried almost everything else, concluded to try it. I first took a whole bottle, as per directions, after each meal. I enjoyed it until I took two bottles. Since then I have not experienced any difficulty. I feel it in my bowels and would not be without it, but have no use for it, it having cured me."—Geo. W. Sims, Asst. Clerk Superior Court, Bibb Co., Ga.

Weed 'Em Out.
The Pender County Democratic Executive Committee organized for the campaign on Monday last and chose Mr. J. T. Bland for chairman. This is well. Mr. Bland will make a first-rate chairman. Now, let the committee get actively at work and begin the campaign by weeding out all "independent Democracy" from the ranks of the party. This is a very noxious weed and has choked and destroyed more than one promising crop in the gallant little county. Weed it out, gentlemen, weed it out. With good, honest, hard work you are bound to thoroughly redeem your county this year and you don't want anything in the party that savors of discord and disintegration. It is going to be a big victory this year, as Cleveland and Stedman will sweep the State from one end to the other, and we don't want to find Pender in the rear when the roll is called on the 7th day of next November.

Club Reception.
A reception was given last night by the Cape Fear Club to the officers of the French frigate *Bisson* and the lady friends of the members of the club. It was largely attended and the affair was most enjoyable throughout. The rooms were handsomely decorated and the Italian harpers furnished music for the occasion. An elegant repast was served late in the evening.

The cheapest place to buy your school books and school stationery is at Heinsberger's.

On a Little Drunk.

The principal interest at the Mayor's Court this morning centered on the investigation of the case of C. J. Stuckey, from Black River, who was charged with drunkenness and with resisting the police. In making the arrest yesterday officer Hall, who took the man to the lock-up, struck Stuckey with his club and there was a good deal of comment on this fact. A careful investigation by the Mayor brought out facts which justified the policeman in the use of force. Stuckey, it seems, was drunk yesterday afternoon in Mr. Croon's store, corner Princess and Water streets. He had been asleep in the back part of the store and Mr. Lee, the clerk, aroused him and tried to get him to leave. The man refused to leave and Mr. Lee sent for a policeman. Officer Hall appeared in answer to the summons and tried to arrest Stuckey. He resisted and struck the officer full in the breast with his fist, who retaliated by striking the man on the arm with his club. Mr. Lee then ejected Stuckey from the store and Officer Hall once more attempted his arrest. Stuckey thereupon cursed the officer and advanced as if to strike him again, when Officer Hall struck him on the head with his club and then held him down until he could be secured and placed on a dray and taken to the City Hall. It was found that Stuckey had a slight gash on his head and Dr. Potter was sent for to attend him. It was in evidence that the prisoner cursed and abused the good doctor in unmeasured terms while he was attending to his wound. This is the substance of the evidence as brought out at the trial this morning. The Mayor found that the officer was justified in using force and Stuckey was fined \$10 for his fun.

The only pleasing feature about the affair is this: After the trial to-day Mr. Stuckey sought an interview with Mayor Fowler and to him expressed his sincere regrets at what had occurred, and stated that his intention was to seek out Dr. Potter and also apologize for the language he had used towards him. He also stated that he was convinced that he was himself entirely in the wrong; that he thought Officer Hall did no more than his duty and that his punishment was mild as compared with the offense. The Mayor thereupon remitted the fine against him and told him to go and sin no more.

Must Clean Their Premises.
EDITORIAL REVIEW.—In yesterday's Mayor's Court a case of refusal to clean a water closet was tried, and the party fined \$20, whereupon he took an appeal to the Criminal Court.

Parties should assist the health officers in the discharge of their duty to keep the city clean, and then if the officers do not do their duty report them, for the law is imperative that when a person is notified they must clean their premises.

SANITARY.
[We overlooked the item yesterday in making up our report, or we should surely have published it. It was a case brought over from a previous day and did not stand under yesterday's date, hence the oversight.—ED. REVIEW.]

Onslow Democrats in Session.
The Democratic Convention of Onslow met last Monday at Jacksonville and appointed the following named gentlemen as delegates to the State Convention: A. C. Huggins, T. B. Bryan, Richlands. Dr. E. W. Ward and Dr. Nicholson were also appointed, as delegates at large.

It is reported that very nearly all the above are for Maj. Stedman for Governor.

Loving Sympathy.
Mr. John L. Dudley received this morning the following telegram from the Grand Lodge I. O. O. F. now in session at Greensboro:—
Resolved, That the officers and members of the Grand Lodge, speaking for themselves, and the order throughout the State, desire to express their loving sympathy for Past Grand Master Wm. J.
