This will all be done by next Saturday night and by the first of the month it is very probable that the rails will all be laid. The rolling stock is the next thing and the locomotive and cars will probably all be on hand early next week, the contracts calling for their completion on the 20th inst. It is likely that the road will be fully ready to take up a schedule by the first Monday in June, the 4th of the month,

New Bathing Facilities.

The New Hanover Transit Com pany have had constructed at Caro lina Beach a large new bath house which is expected to fill all requirements. It is divided into small com partments so that the utmost privacy may be had. The floor will be of slats, so that the water may run off and there is an arrangement by which a shower bath of fresh water may be had in coming out of the surf. The key of the compartment may be taken off and given to a friend to Sol Bear keep or the occupant may run it on a stout piece of twine and wear it around his neck while bathing.
