Platform of the Democratic Party in

We again congratulate the people of North Carolina on the continued enjoyment of peace, good government and general prosperity under Democratic administration of the affairs of the State which has now been unbroken for so many years; upon the just and impartial enforcement of the law; upon the increasing efficiency of our common school system, and the progress made in popular education; upon the improvement and enterprise manifest ed in all parts of the State. We again challenge a comparison between this state of things and the outrages, crimes and scandals which attended Republican ascendancy in our borders. We pledge ourselves to exert in the future as in the past our best efforts to promote the best interests of the people of all sections of the State. Affirming our adherence to Democratic principles as heretofore enunciated in the plat-

forms of the party, it is hereby Resolved, That no government has the right to burden its people with taxes beyond the amount required to pay its necessary expenses and gradually extinguish its public debt; and that whenever the revenues. medy. That any system of taxation which necessitates the payment of a premium of \$270 by the government on each \$1,000 of its bonds, taken up with the millions that would otherwise lie idle in its vaults, and paid to bondholders who purchased, in many instances, at less than par, is undemocratic, oppressive and iniquitous and should be season. The body needs to be thorrefunded. Resolved, That while the details of the methods by which the constitutional revenue tariff sheriff shall be gradually reached are subjects which the representatives of our people at the national capital must be frusted to adjust, we think the customs duties should be levied for the production of public revenue. and the discriminations in their adjustment should be such as will place the highest rates on luxuries and the lowest on the necessaries of life, distribute as equally as possible the unavoidable burdens of taxation, and confer the greatest good on the greatest number.

Resolved, That we, as heretofore, favor, and will never cease to demand, the unconditional abolition of the whole internal revenue system, as a war tax, not to be justified in times of peace; as a grievous burden to our people and a source of annoyance in its practical operations We call the attention of the people of the State to the hypocrit ical pretensions of the Republican party in their platforms that they are in favor of the repeal of this onerous system of taxation, enacted by their party, while the Republicans in Congress are taxing their energies to obstruct all legislation inaugurated by the representatives of the Democratic party to relieve the people of all or a part of this

odious system. Resolved, That the course of the Democratic party, in furtherance of popular education, is a sufficient guaranty that we favor the educa-

tion of the people, and we will promote and improve the present educational advantages so far as it can JOSH. T. JAMES, Editor & Prop'r. be done without burdening the people by excessive taxation.

Resolved, That, to meet an existing evil, we will accept, for educa-tional purposes, from the Federal government, our pro rata share of the surplus in its treasury; Provided, that it be disbursed through State agents and the bill for the distribution be free from objectional fea-

Resolved, That the United States being one government and ours a national party, we denounce the efof the different sections of our com-

mon country. Resolved. That it is due to the people of our eastern counties, who have so cheerfully borne their share of our common burdens, that the present or some equally effective system of county government shall be 17th, Dec. 10th. maintained.

Resolved, That the Democratic party is opposed to any further extension of the "No-fence" law, un-less such extension shall have first been authorized by a majority of the qualified voters within the territory to be affected thereby.

Resolved. That the Democratic party has ever been the party of the workingman, and has never fostered monopolies, nor have "trusts" or "combinations" or "pools" ever grown up under laws enacted by it. The contest in this country being between aggregated capital, seeking to crush out all competition, and the individual laborer, the Democratic party is, as it has ever been, against the monopolist and in favor of a just distribution of capital, and demands the enactment of laws that will bear equally upon all.

Resolved. That as all taxation

bears most heavily upon the laborer, it is the duty of the legislator, as a direct benefit to the workingman, to keep the expenses of our public institutions at the lowest limit consistent with wise and efficient management. The Democratic party opposes any competition between free and convict labor, but it insists that convicts shall not remain idle at the expense of honest labor. Resolved. That ours being an ag

ricultural State, it is our duty as well as our pleasure to promote any and all legislation that is best calculated to advance the interests of agriculture; and that in so doing we will most effectually advance the interests of mechanics, manufacturers and laborers.

Resolved, That the Democracy of North Carolina, cordially approve the administration of Iton. Alfred M. Scales as honest, patriotic and conservative.

Resolved, That the ability, wisdom, honesty, patriotism, independence, faithfulness to duty and manly courage of President Cleveand have won the admiration of all good men; and the interests of the country demand his re nomination and his re-election.

Impurities in the blood produce diseases. Bodily and mental health depend upon a healthy condition of the blood. The blood, particularly in the spring and during the hot summer months, becomes clogged with impurities, which poison it and generate disease. A harmless blood purifier, without a particle of mineral poison in it, such as mercury or potash, is necessary to remove these impurities and to restore the healthy tone of mind and body. The best purifier and tonic known to the world is Swift's Specific (S.S.S.). In regard to its wonderful purifying and tonic powers we give a few testimonials as Mr. Wm. A. Slebold, with Geo. P. Rowell &

Co., 10 Spruce Street, New York, writes March 29th, 1888: "I feel it my duty, for the benefit of others who may be afflicted as I was, to write you this letter, which you can use as my testimony in any way you choose, I will answer any inquiry from others in relation to the facts herewith stated. In February last I suffered great pain and inconvenience from boils, all over my neck; I could not turn my head without acute pain and my blood was in poor condition. After trying all the usual remedies in such cases, and finding no relief, by the persuasion of Mr. J. W. Fears, Manager of your New York Office, I used one bottle S. S. S, and I improved rapidly and very soon I was entirely relieved of my "Job's Comforters." Now not a sign of my affliction can be seen. I feel strong and cheerful. S. S. S. is a fine tonic as proved in my case. I sleep soundly and my appetite is good. Dr. J. N. Cheney, a well-known physician writes from Ellaville, Georgia: "I use S. S. S. in convalescent fever cases with the best results. It will, in my judgment, prevent sum-

the strains of summer." Mrs. Scott Liston, 116 Zane street (Island), Wheeling, West Virginia, writes: "Having used S. S. S. for the blood, I can safely say that it beats anything I have used to cleanse the blood and make a new being out of a per-Mr. M. S. Hamlin, Winston, N. C., writes:
