STATE NEWS.

**Raleigh Visitor:** Intelligence has been received here of the death in Prairie, Illinois, on June 19th, of Col. James A. Drake, a native of Chatham county, in this State, aged 76. He was a gentleman of high standing and once represented Randolph county in the General Assembly. He married Miss Eliza Balfour, a daughter of Col. Andrew Balfour, who was killed by the Tories during the Revolutionary war. She died four years ago. Col. Drake was much beloved by all who knew him.

**Winston Sentinel:** David Rigby, the man who carries the U. S. mail from Mt. Airy to Fancy Gap, on foot, and barefoot at that, is a good walker, and receives 62 cents for the 26 miles he treads. He not only carries the mail, but frequently takes on freight, such as buggy tires, chairs, &c. His charges are moderate, as it is said that for a nickle he will carry an article of freight a considerable distance. He is so punctual that people say they set their watches by him. Rigby walks with the greatest ease, and never tires. He has no use for a horse and buggy and avoids riding at all times.

**Raleigh News and Observer:** On the 5th the entire property of the North Carolina Millstone Company was sold at Parkwood, in the county of Moore, by Col. John W. Hinsdale and Mr. Ernest Hayward, the receivers appointed by the U. S. Circuit Court. The property was sold to Mr. M. Schall, of York, Penn., a large capitalist, at the price of \$8,500. Mr. Schall is the holder of nearly the whole of the bonded indebtedness of the company, amounting to about thirty thousand dollars. It is thought probable that the sale will be confirmed by the court.

**Fayetteville Journal:** This afternoon at 2 o'clock a telegram from Col. W. J. Green announced that Gen. Wade Hampton was on the train which arrives in the city at 4 o'clock, and would stop over in Fayetteville. The news was immediately made public, and the President of the Young Men's Democratic Club called a meeting to receive the distinguished visitor. Fully 500 people were at the depot to meet him, most of them marching up in a body. Three cheers were given for Gen. Hampton, and he was conveyed to the Cumberland House, and in answer to calls, made a few remarks saying he was fatigued and begged to be excused. Gen. Hampton went out to Tokay as the guest of Col. Green.

**Sanford Express:** Major J. C. Jackson, of Carthage, suddenly expired while sitting in his chair at his home Tuesday morning. He was in his usual health and is supposed to have died from heart disease.

**Mr. John A. Moore,** a well known and respected citizen of Chatham county, died at his residence near Pittsboro on July 1st. At his death, Mr. J. B. Jones, of this place, received a \$4,000 plantation, for which he has been paying Mr. Moore an annuity for the last half dozen years.

**While Mr. Pleasant's work train** (the same train that cut off a careless negro's legs two weeks ago at Osceola and the loss of which caused his death) was standing on the side track at Aberdeen last Thursday, and the fireman, who was drunk, lay down with one of his legs across the track and went to sleep. Yesterday morning Engineer Lacy, of the through freight, had occasion to run some of his cars in upon the side track and the negro's leg was mashed off below the knee joint. He was carried to Moncure yesterday, where his wound was dressed by Dr. Budd.

**Asheville Citizen:** From Mr. W. L. Hume, of Brevard, who was in the city yesterday, we learn that a mob of about twenty-five men visited the house occupied by two grass widows, in Cedar Mountain township, Transylvania county, on Sunday night last, and cut down the building, and with hickory whips, beat the inmates unmercifully. It seems that the women were guilty of immoral conduct, and the citizens had stood the nuisance as long as they were able. The husband of one of the women is now in Buncombe jail serving out a sentence imposed by Judge Dick at the last term of the Federal Court. The husband of the other woman has fled the county, and a considerable amount of excitement over the affair exists in Transylvania. The

house was a frame building and stood upon blocks, which were cut from under it by the mob with axes. Yesterday one of the women came to Brevard, and going before a magistrate, swore out warrants, charging her father, brother, husband's brother and a neighbor with being the principals in the affair. The parties charged could not be found by the deputy sheriff who had the papers yesterday, and it is believed that they have fled into another county.

Stephen Freeman is to die on Wednesday. There seems now no further hope for him on earth. Sheriff Manning is still absent, and Deputy Sheriff Elder will, therefore, have to do the deed.

Mr. A. F. Lucas advertises his manufactures in this issue. His goods are perfectly pure and so guaranteed. His ginger ale is better than any imported article we ever drank and it can be had for half the money.

A big bet was recorded in New York the other day. It was two to one on Cleveland, \$20,000 that he would be elected. The man who gave the odds is a lucky better. It is said that he made \$45,000 in the last State election in New York. It was a cool, clear-headed bet, with not a bit of sentiment about it. The man bet to win. It is said that other large amounts have been wagered on odds of 10 to 6.

**Base Ball.**  
The "Browns" of Wilson will play the "Acemes" of Wilmington on the Seaside's grounds in Wilmington, on the 19th and 20th of July, for the amateur championship of Eastern North Carolina. The "Browns" have challenged the "Acemes" to play them this week in Wilson and it is very probable that the "Acemes" will accept the challenge and go to Wilson and play them Thursday and Friday, probably sooner.

**The Excursion to-Morrow.**  
The ladies of Grace Church will give an excursion to-morrow on the steamer *Queen of St. John's* to the various points of interest on the river, the Rocks, Smithville and Fort Caswell. It will be an excellent opportunity to escape for a day from the dust and heat of the city to the breezes which almost always blow over the water, and to perhaps stop over at the Rocks and haul up a few of those magnificent sheep-head that visit the breakerwater at every incoming tide and are so fond of the nasty little sandfiddlers. The ladies will do all they can to make the day pleasant and enjoyable.

It would be profitable to those wishing to purchase goods in that line to entrust their orders with us or write for samples. Our other great specialty,

## Housekeeping Goods,

is in full stock, and is as it ever has been, a puzzle and wonderment to our neighbors. Where does he buy his goods? How is it that all our customers go to HEDRICK'S to buy all of their Table Linens, Towels and Napkins? Reader, listen; the secret is this. We buy this line of goods direct from the importer. We know what the people want, and we know how to buy them, hence we are enabled to sell a pure Linen Damask at 50 cents per yard, as good as can be had elsewhere for 75 cents; a White pure Linen Damask at \$1.00, as good as any man can show at \$1.40, with all other goods in this line, such as Napkins, Doylies, Towels, etc., at proportionately low prices. We offer a full line of Domestic Goods at prices to suit all classes.
