Bodily and mental health depend upon a healthy condition of the blood. The blood, particularly in the spring and during the hot summer months, becomes clogged with impurities, which poison it and generate disease. A harmless blood purifier, without a particle of mineral poison in it, such as mercury or potash, is necessary to remove these impurities and to restore the healthy tone of mind and body. The best purifier and tonic known to the world is Swift's Specific (S.S.S.). In regard to its wonderful purifying and tonic powers we give a few testimonials as follows:

Mr. Wm. A. Siebold, with Geo. P. Rowell & Co., 10 Spruce Street, New York, writes March 29th, 1883: "I feel it my duty, for the benefit of others who may be afflicted as I was, to write you this letter, which you can use as my testimony in any way you choose, I will answer any inquiry from others in relation to the facts herewith stated. In February last I suffered great pain and inconvenience from boils, all over my neek; I could not turn my head without acute pain and my blood was in poor condition. After trying all the usual remedies in such cases, and finding no relief, by the persuasion of Mr. J. W. Fears, Manager of your New York Office, I used one bottle S. S. S, and I improved rapidly and very soon I was entirely relieved of my "Job's Comforters." Now not a sign of my affliction can be seen. I feel strong and cheerful. S. S. S. is a fine tonic as proved in my case. I sleep soundly and my appetite is good.

Dr. J. N. Cheney, a well-known physician writes from Ellaville, Georgia: "I use S. S. S. in convalescent fever cases with the best results. It will, in my judgment, prevent summer dysentery, if one will take a few bottles in the spring, thus preparing the bowels for the strains of summer."

Mrs. Scott Liston, 116 Zane street (Island), Wheeling, West Virginia, writes: "Having used S. S. S. for the blood, I can safely say that it beats anything I have used to cleanse the blood and make a new being out of a per-Mr. M. S. Hamlin, Winston, N. C., writes

"I use it every spring. It always builds me up, giving me appetite and digestion, and enabling me to stand the long, trying, enervating hot summer days. On using it I soon become strong of body and easy of mind." Treatise on Blood and Skin Diseases mailed
