HEINISBERGER—Copying Presses
LOUIS H MEARES—Flannel Shirts
STEAMER BESSIE—Change of Schedule
MRS E B WIGGINS—Visitors to the City

Headquarters for Bass Balls, Bats, Minks, Gloves, Belts &c., is at Heinsberger's.

Wire Cloth for your windows and and doors can be had at Jacob's Hdw. Depot.

On and after to-day the steamer Bessie will leave Southport 7:30 a.m. and Wilmington at 3 p. m.

Indications.
For North Carolina, local rains and slightly cooler.

Impurities of the blood often cause great annoyance at this season; Hood's Sarsaparilla purifies the blood, and cures all such affections.

Fishing Tackle. A full assortment of all kinds for both salt and fresh water fishing at Jacob's Hdw. Depot.

Personal.
Durham Recorder: Mr. John T. French, of Wilmington, is in the city, prospecting with a view of opening a shoe store. He is a member of the firm of Geo. R. French & Sons, one of the largest shoe houses in the State.

The Elizabeth City Economist rises to remark: "Our soldier boys have all returned, with the exception of a few that stopped off on the route to visit friends. A good time is reported and all are of the opinion that Wrightsville is the place for the encampment of the State Guard."

At the Beach.
Yesterday was one of the most delightful days of the season at Carolina Beach. Between 400 and 500 people visited the place and every one who met was loud in praise of its pleasantness. Quite a large number of bathers took advantage of the splendid condition of old ocean, while others remained at the hotel and enjoyed the delightful Southern breeze.

Burglary.
The residence of Col. B. R. Moore, Solicitor of the Criminal Court, on Red Cross, near Third street, was burglarized this morning between 2 and 3 o'clock. The thief entered Mr. Richard Chapman's bedroom, which is on the first floor, and took from his pants pocket a purse containing the sum of \$25. After taking the money he put the pocketbook back in the pocket. Nothing else was missed. There is no clue as to the thief.

Firemen's Tournament.
Arrangements for the firemen's tournament are so far assured that the necessary preparations for the event, which will take place on the 15th, 16th and 17th insts., will go forward now without delay. The committee on subscriptions have met with a generous response from citizens and have raised eight hundred dollars, and they are confident that the balance required to make the one thousand dollars necessary will be secured without doubt.

The full committee will meet tonight at the hall of the Hook and Ladder Company, when all the preliminary arrangements will be perfected and the programme prepared.

For the Yacht Race.
For the benefit of those who may desire to witness the yacht race to-morrow afternoon, Mr. James H. Chadbourne, Jr., the accommodating General Manager of the Seacoast R. R., has changed the schedule of that road so that all may go and see the race and have plenty of time to get their dinner at home. The train which has heretofore been leaving Front street depot at 3 p. m., will to-morrow leave at 2:30 p. m., arriving at the Hummocks in time to allow its passengers to see the beginning, as well as the ending, of the race. This change is made for to-morrow only.

Dog collars. Largest and finest assortment ever before brought to this city, to be had at Jacob's Hdw Depot.

City Court.
There was a large crowd assembled at the City Court this morning and a docket that showed up nine cases, which were disposed of as follows:
Henderson Hays, disorderly conduct, \$20 or 30 days.
John Spicer and Ed. Edwards, disorderly conduct, bound over to the next term of the Criminal Court in the sum of \$50 each.
Harry Johnson, disorderly conduct, \$5 and costs.
Henry Benson, larceny, discharged.
Mary Barnes, larceny, bound over to the next term of the Criminal Court in the sum of \$50.
Arrietta Hawkins, disorderly conduct, \$20 or 30 days.
Henry Benson, carrying concealed weapon, \$10 and costs.
Jane Bennett, disorderly conduct, bound over to the next term of the Criminal Court in the sum of \$50.

The American Magazine.
The Midsummer issue of the American Magazine abounds with interesting and timely literature. Dr. W. F. Hutchinson presents the fourth of his articles in the series "Along the Caribbean." Another entertaining paper is entitled "Where Burgoyne Surrendered," by C. H. Crandall. Frederick G. Schwatka tells about "The American Arctic Savage," and Trebor Ohl has "Six Story-Tellers for Children." Joel Benton has a poem on "Midsummer," and Sara F. Goodrich describes "The Country in Midsummer." Mary Agnes Tincker's novel, "Two Coronets," is continued. Additional poems are "An Indian Love Song," "Frederick III. of Germany," and "August." The short stories, which are particularly bright and suitable for hot weather, are a feature of the issue. The departments under the general caption of "Our Cabinet" are filled with useful and interesting matter. The Editor's Study is devoted to questions of the day. Dr. Hutchinson has his regular monthly health article: Literature and Book Reviews receive special treatment, and the Portfolio is devoted to an amusing travesty on "The Quick and the Dead." In "Timely Topics a plan for "The Unification of America" is outlined.

Young Men's Democratic Club.
The Young Men's Democratic Club held their regular business meeting last night at Linder's Hall. President Joseph Watters presided and Secretary J. C. Morrison was at his post.

On motion, it was decided to have five hundred postal cards printed so the Secretary can send them out and notify the members of the Club of all meetings and parades to take place. It was also decided to request the press of the city to aid in giving more extended publicity of the times and places of the meetings of the club in order that the meeting shall be as full as possible. In this connection a general invitation is extended to young men to join the Club, in order that Wilmington may be able to muster the largest Club in the State.

Chief Marshal J. C. Morrison made his report, showing that the Club turned out 119 men when it paraded on the occasion of the late ratification meeting in this city.

A communication was read from the committee appointed at the late Convention of Democratic Clubs at Baltimore, urging upon the different clubs in North Carolina to have full representations at the convention of the Democratic Clubs of the State to be held at Morehead City the latter part of this month. It was decided to appoint a committee of five to represent this club at the convention, the members of the same to be appointed later on.

J. C. Morrison, who has heretofore held the position of Secretary and Chief Marshal tendered his resignation as Secretary, for the reason that his duties as Chief Marshal will prevent him from performing the duties of both offices at the same time. The resignation was accepted and DuBrutz Cutlar, Jr., was elected Secretary by acclamation.

The Club adjourned to meet at 8 o'clock Wednesday night next, when very important business will be considered.

Fly Traps, best and cheapest, at Jacob's Hdw. Depot.

Crop Report.
We find the following report of the condition of crops in the July Bulletin of the N. C. Department of Agriculture:
Bladen—Outlook for all crops fine at present; they are clean of grass; rather small for time of year, and in need of rain; some portions of this county crops are exceedingly fine; sorghum, field peas, sweet potatoes and cabbage very good; fruit 115.
Brunswick—Growth of cotton and corn has been considerably retarded by cold and wet weather in spring; rice, only half crop planted, and that late; bugs destroying corn and potatoes; peanuts good; field peas full crop.
Duplin—Crops are improving; may yet get an average; fruit in abundance; rye in some sections, and fine; rice, full crop.
New Hanover—Corn badly injured by "chinch bugs" and worms; peaches, except in some localities near the sound, have dropped off; peanuts looking well; cabbage crop poorer than for years.
Onslow—Condition of corn good, but stand irregular; old corn needing rain; cotton regular in stand, but small, owing to rain and cold; cotton improving; oats fair; fruit sorry.
Pender—Crops generally good, except cotton poor stand and small; peaches full crop, but rotting very fast; sweet potato slips and sprouts scarce, causing small crop.
Sampson—All crops somewhat short of an average, by reason of too much rain in late spring; cotton and corn are not up to the average in size or acreage, but both are improving; rice, sorghum, sweet potatoes and field peas are good; fruit crop good; rain much needed.

The Rowing Race.
The rowing race of the Recreation Club will take place this afternoon at 6:45 o'clock, the boats which are to take part in the contest assembling at Market dock at half-past 6. The start will be made from Market street dock down the river to a buoy opposite Church street, thence up the river to a buoy opposite the New York steamer's wharf, thence down the river to the starting point. There will be four boats in the race, of four oars each.

The first boat, "Nettle," will be manned by W. R. Morrison, bow-oar; Willie Grant, No. 2; Joe Hooper, No. 3; Murray Grant, stroke; Edgar Hinton, coxswain.

Second boat (no name), Joe Smith, bow-oar; R. W. Wallace, No. 2; J. B. Willard, No. 3; H. A. Burr, stroke; W. N. Bowden, coxswain.

The third boat (no name), will be manned by J. L. Keen, Chas. Harper, L. Burnett, Oscar Watson, and P. Heinesberger, Jr., coxswain.

The fourth boat, "Pattie," will be manned by R. H. Cowan, bow-oar; Jno. Lewis, No. 2; Ed Munson, No. 3; Chas. Murphy, stroke, and a coxswain to be selected.

Messrs. J. H. Boatwright and J. F. LeGrand will act as judges.

While at work in his father's field, about three miles East of the city to-day, Mr. Wm. Bonham killed a moccasin snake which had twenty-two young snakes in it, measuring from nine to twelve inches in length.

To the Boys.

A CHILD KILLED.
Another child killed by the use of opiates given in the form of Soothing Syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no Opium or Morphine Sold by Munds Bros., druggists.

Rock Crystal Spectacles and Eyeglasses.
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

The Campaign Organ.
The numerous newspapers of the State have put on their war paint and settled down to business. We may expect some lively music before November. The best campaign Organ and one we can recommend is sold by J. L. Stone. Polite and attentive salesmen will take pleasure in showing instruments and giving prices.

Burglars. You can be safe from them by using the "Buglar Proof Blind Locks, sold at Jacob's."
