Mrs. E. B. Wiggins—Bargains.
F. C. MILLER—Cigars, Cigarettes.
HEINSBERGER—Copying Presses.
LOUIS H. MEARES—Flannel Shirts.
QUEEN OF ST. JOHN'S—Moonlight Excursion.
Change of Sailing Days N. Y. & W. I. S. S. Line.

Rice birds will soon be in order now.

Skipjack are "biting like dogs" row at the Sound and the Hummocks.

Mr. John Scarborough has been appointed temporarily a health officer of the city.

Eggs are scarce and high here now and there are but few on the market. Send them in.

It is evident that we have had the merest touch to-day of the storm which has been raging down in the Gulf.

Are you weak and weary, over-worked and tired? Hood's Sarsaparilla is just the medicine to purify your blood and give you strength.

Another lot of those celebrated Oil Stoves just received at Jacob's Hdw. Depot. It will pay you to use one.

Dog collars. Largest and finest assortment ever before brought to this city, to be had at Jacob's Hdw. Depot.

Mr. Geo. Morton, with a happy crowd of ladies and gentlemen, left for a run of 20 miles up Black river to-day with the steam launch *Boss*. They will return to-night by moonlight.

Mrs. E. B. Wiggins announces in this issue a clearing out sale at the Ladies' Emporium. The goods will be sold very cheap, for cash, and the stock must be cleared out by the first of October.

The first bale of new cotton of North Carolina growth was received here to-day by Messrs. Williams & Murchison, from Mr. J. D. Horne, of Wadesboro. It graded strict middle and was not sold at 3 o'clock.

Bathing Suits. Come down to Head Quarters. 25 dozen Flannel Bathing Suits, in all sizes and colors, sold at the lowest manufacturing prices at the Wilmington Shirt Factory, 27 Market st., J. Elsbach, Prop. Look for the blue awning.

A Suggestion.
We suggest to the authorities of the New Hanover Transit Co. that a boat be engaged to row just out side of the sand reef at Carolina Beach during bathing hours to look out for the safety of those in the water and to warn rash and fool-hardy people against venturing out too far.

The Beach To-Night.
The indications all point to a pleasant evening and a fine attendance on the excursion to-night to Carolina Beach, given under the auspices of the St. Andrew's Brotherhood of the St. James' Home. The Germania Cornet Band have kindly volunteered their assistance and they will accompany the excursionists and render some of their most charming pieces. There will be refreshments on board and nearly three hours of moonlight on the Beach.

Corrected Statement.
Mr. N. R. Barnhill writes to give us a correct version of the unfortunate circumstances which resulted in the death of Mr. J. T. Croome's little daughter, at Kelly's Cove, on the 11th inst. Little Minnie, the deceased, her sister and Mr. Franklin Peterson's little son were playing on a pole lying in the fork of some sparkleberry bushes, about three feet above the ground, and the limb on one of the bushes broke, precipitating Minnie on the sharp snag of a lightwood stump, about 5 feet long. She struck on the snag on her left side, above the hip, but it did not go through the body, as reported to us. Her death occurred within an hour of the accident.

Rock Crystal Spectacles and Eyeglasses.
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

Hands Wanted.
One hundred hands wanted on pants. Highest price paid. None but experienced hands need apply.

I. SHRIER,
Clothing and Hatter,
16 N. Front street.

Down the River.
A pleasant and cheap moonlight excursion is advertised to take place on the steamer *Queen of St. John's* to-morrow night. She will leave at 8 o'clock and make a run some distance down the river and return. There will be good music on board and a fine opportunity for dancing. The fare for the round trip is only 25 cents.

The Body Recovered.
The body of the unfortunate colored woman, Delia Blisson, who was drowned yesterday at Carolina Beach, as reported in the last issue of the REVIEW, was recovered about an hour afterwards, it having been washed up on the beach about a quarter of a mile above the scene of the accident. It was brought up to the city yesterday afternoon and turned over to the relatives for interment. An inquest was held and a verdict rendered in accordance with the facts as published by us.

The Crops.
The weekly weather crop bulletin of the North Carolina Weather Service, dated August 18th, says:
In the Eastern District there was about an average of rainfall, affecting all crops favorably; more rain, however, is needed. In the Central District the rainfall fell below the average; crops, however, were not injuriously affected. In the Western District the rainfall was about the average, affecting all crops favorably.
In all the districts there was an average amount of temperature and sunshine, all crops being favorably affected.

City Court.
Mayor Fowler disposed of the following cases this morning:
Primus Moore, disorderly conduct, \$10 or 20 days.
James Gary, larceny, case continued.

Jno. McMillan, larceny, bound over to the next term of the Criminal Court in the sum of \$100, justified bond.

William Mitchell, disorderly conduct, \$5 and costs or 10 days.

Alex. Richardson, disorderly conduct, case dismissed at the cost of the prosecutor.

Jno. Verhove, drunk and down, \$10 or 20 days.

James Hawkins, W. H. Nash, Albert Nixon, Frank Gause, J. B. Robertson, Jno. Forbes, Jno. Hawkins, Joe Hawkins, Ed Crawford, Jno. Warehoof, charged with an assault and battery on S. Hill Terry, case continued.

Death of Mr. J. B. Fox.
We regret to learn of the death of Mr. J. B. Fox, a Confederate veteran, who died at his residence in this city, at 7 o'clock this morning, of consumption. He was a native of old New Hanover, that part which is now Fender county, and had resided here since the close of the war. He was 53 years of age.

Mr. Fox was a good Confederate soldier and an honorable, upright citizen. He was Orderly Sergeant in Co. G, 61st Regiment, Capt. S. VanAurunge, and served with gallantry. The funeral services will take place this evening, at eight o'clock, conducted by Rev. W. S. Greasy, pastor of Grace M. E. Church, and the interment will be near Rocky Point to-morrow morning.

Audit and Finance.
The Board of Audit and Finance met yesterday afternoon in regular session. All the members were present, Mr. R. J. Jones, the chairman, presiding.

The Board concurred in the action of the Board of Aldermen in appropriating \$150 for repairs to Howard Relief engine house.

Bills for current expenses, amounting to \$203.70, were audited and approved.

An informal discussion took place between members of the Board on the matter of placing a police officer on duty on the west side of the river. No action was taken. The chairman suggested that as expenditures amounting to over two thousand dollars and not provided for in the annual appropriation had already been made, he thought it was a good time now to stop.

Burglars. You can be safe from them by using the Burglar Proof Blind Locks, sold at Jacob's.

Watermelons are on their last legs. Some very fine ones still come in occasionally but they are about the last of the crop.

Fishing Tackle. A full assortment of all kinds for both salt and fresh water fishing at Jacob's Hdw. Depot.

The average rate of the wind here to-day has been but 24 miles an hour. Several times it reached 30 miles, but this was merely spasmodic. No reports have been received from Southport.

Excursion Party to Arrive.
An excursion party, numbering one hundred, from Ansonville, and under direction of Dr. J. C. Brown, will arrive in our city on the C. C. R. R. this evening. To-morrow they will "exert" to the Hummocks and Thursday will go down on the *Sylvan Grove* to Carolina Beach.

Cut and Beaten.
Mr. S. H. Terry, Superintendent of the County Poor House and House of Correction, was assaulted last evening near the Seaside Base Ball Grounds, as he attempted to capture an escaped prisoner. Mr. Terry was cut in the face and also beaten together with two of his men. To-day a number of arrests were made and the defendants will be up before the Mayor to-morrow morning for trial.

Express on the Seacoast Railroad.
Commencing to-day, the Southern Express Company will run messengers on the Seacoast Road. This is a move in the right direction, and will prove a great convenience to residents at the Sound and Hummocks. The Express Company will call for freights addressed to Wrightsville or the Hummocks, if notice is left at their office on Front street.

Just think of it, if you purchase an article from any of the stores you have only to notify the Express Company and all trouble is ended; the package is sent for and delivered aboard the train and at destination.

By the way, these late trains that the Seacoast Road has just put on ought to prove a great convenience to those who wish to take a surf bath in the afternoon, as you will see by their schedule that you can come back early or you can stay later, and enjoy the beautiful moonlight nights.

This World is Given to Lying.
"We hear it quietly whispered," writes a friend from Charlotte, "that the yellow fever is in Wilmington." And a report of a similar nature comes to us from another town in the interior, where it is said that certain parties have received letters from friends in Wilmington stating that it is reported that there are several cases of yellow fever.

"How this world is given to lying," for it is all lies, foolish, nonsensical, ridiculous lies. There has not been, and there is not now, a case of yellow fever, or the suspicion of a case of fever, anywhere in this city; nor, for that matter, have there been any reports of yellow fever here. Nor do we anticipate any trouble here. Our city was never so clean as it is now; our sanitary condition, in fact, is as near perfect as it can be and even should a case or two of fever be discovered here we do not believe that it could become epidemic. Our people are perfectly calm and serene and are quietly at work, not anticipating any danger whatever from the fever this year.

Headquarters for Bass Balls, Bats, Masks, Gloves, Belts &c., is at Heinsberger's.
