Mr. William Astor, of New York
 has sent in his check for \$1,000 for
 the benefit of the yellow fever suf-
 ferers.

The New York *Star* says that the
 subscription in New York for the
 yellow fever sufferers already ex-
 ceeds \$25,000.

The *Herald* insists that if Har-
 rison is elected Blaine will be Pres-
 ident. Blaine has strongly declared
 in favor of trusts and Harrison
 wishy-washily against them.

The New York *Herald* says that
 the angels are trying to find out the
 name of the man who so generous-
 ly gave \$12,000 to the yellow fever
 sufferers and who refused to divulge
 his identity.

The cotton crop of the United
 States for the year ended September
 1st was 7,017,707 bales, according to
 the statistics compiled by the *Finan-
 cial Chronicle*, and which will ap-
 pear in the next issue of that jour-
 nal.

Senator Plumb was engaged to
 boost up protection and trusts at
 Wichita, Ks. to-morrow, but he
 don't get there. The reason is cen-
 tered in the following telegram
 handed to him in the Senate Cham-
 ber:

"Don't come, Barnum's Circus is
 billed for same day. You can buck
 against the Democrats successfully,
 but our people would rather go to
 hell than miss a circus. Better fix
 upon another date."

Two circuses on the same day was
 almost too much for the Wichitans.

Congressman Oates, of Alabama
 a member of the special committee
 investing the immigration question,
 commenting upon Mr. Cleveland's
 letter of acceptance, said to a *Herald*
 reporter:

President Cleveland in his letter
 of acceptance advocates in appro-
 priate and strong language the best
 measure of protection to American
 labor that can possibly be devised,
 and I honor him for bringing it thus
 prominently to the attention of the
 public.

The testimony recently taken by
 the selection committee of the
 House on immigration and contract
 labor dissipates every doubt and
 makes it as clear as the noonday
 sun that no legislative protection
 to American labor can be very val-
 uable while hordes of aliens flock to
 our shores to underbid our laborers
 and take the bread from the mouths
 of their children. The best pro-
 tection that Congress can extend to
 American labor against the pauper
 labor of Europe is to amend our
 immigration laws to prevent the
 latter from coming in competition
 with the former on American soil.
 I have been of this opinion for the
 past four years, and time and obser-
 vation have confirmed me in it.

Thanks to Mr. H. T. J. Ludwig,
 the secretary, for an invitation to
 attend the annual exhibition of the
 C. C. A. & M. Fair Association, at
 Concord, October 9-12.

The wind got around to the East
 this morning and it has been much
 cooler here to-day. There is prob-
 ably a big sea on now and many
 will go down on the 6 o'clock train
 to see it.

A Wing for the Chapel.
 The attendance at the Baptist
 Chapel on Fifth and Wooster streets
 has increased so rapidly of late that
 more room is necessary and hence
 the building will be enlarged. Rev.
 Dr. Pritchard announced this fact
 last night at the First Baptist Church.
 The addition is to be 20 x 40 feet and
 to cost \$500 and work is to be begun
 at once.

Pender County Convention.
 The Democratic Executive Com-
 mittee of Pender County met at
 Burgaw last Monday and issued a
 call for a county convention to be
 held in that town on the first day
 of October which will be Monday. The
 township primaries are to meet on
 the Saturday of next week, the 23rd
 inst, to select delegates to the County
 Convention.

The Freshet in Black River.
 There is an enormous freshet in
 Black river. A gentleman from the
 Point Caswell section, who has been
 living there 50 years, says it is the
 highest he ever saw. A great deal
 of damage has been already done to
 the crops in the lowlands. If to-
 day's rains have extended into the
 interior and another rise should
 come on the top of this one, there is
 no calculating how much damage
 may be done.

Personal.
 Mr. Bruce Williams, of Long
 Creek, Pender county, was in the
 city to-day.

We are sorry to hear that Mr. Jno.
 F. LeGrand is sick and confined to
 his room.
Whiteville Record: Capt. V. V.
 Richardson, who is still quite feeble
 from his severe illness, by the ad-
 vice of his physician has gone to
 Cleveland Springs for his health.
 He was accompanied by Mr. J. B.
 Schulken.

Whiteville Record: Col. T. F. Toon
 has accepted the position of Prin-
 cipal of Fair Bluff High School and
 we congratulate the trustees and the
 good people of Fair Bluff in their se-
 lection.

All In.
 Mr. S. H. Fishblat, the King
 Clothier, has his Fall stock ready
 for inspection. He always purchases
 early so as to obtain the choice
 styles. Merchants buying their
 stocks this season of the year have
 to take the "cuttings," or what is
 left, that other merchants would not
 have. Mr. Fishblat's stock is com-
 posed entirely of first class goods
 and tailor made—equal to custom
 make. He employs no women at 25
 cents a day and work them 10 hours
 each day to make pants and Cheap
 John goods to palm off on the pub-
 lic. His stores are well lighted day
 and night, which is very essential
 for buyers of clothing. We advise
 our readers to beware of a dark store
 and Cheap John goods.

Don't Fail to Go.
 The "Little Tycoon" will be pre-
 sented at the Opera House Wednes-
 day evening, September 10th. All
 who have had the pleasure of hear-
 ing the bright and sparkling music
 of this opera, as rendered by our
 amateurs last December, can vouch
 for the treat in store for those at-
 tending the performance next Wed-
 nesday evening. The young ladies
 and gentlemen are hard at work
 and hope to improve on any of the
 entertainments they have hereto-
 fore given. The cause for which
 the entertainment is to be given, the
 benefit of the yellow fever sufferers,
 is a worthy one and we feel satisfied
 our citizens will give it liberal sup-
 port. To the young ladies is due
 the credit of arranging this benefit
 and their labors should meet with
 financial success. The price of ad-
 mission has been placed within the
 reach of all; 50 cents including reserved
 seats. Don't fail to go.

The Hayes Costume Company
 have sent their costumes free of
 charge and in no wise should Wil-
 mington allow this benefit to pass
 without giving it a large house. Call
 early and get your seats, as there is
 no extra charge for reserved seats.

This was the last half-holiday for
 the up-town merchants and their
 clerks.

All kinds of School Books and
 School Supplies can be bought
 cheapest at Heinsberger's.

 nal one day bargain sales next
 Thursday by offering to the public
 500 pair men pants at \$1.19, worth
 \$2.25, and on Friday, Sept. 14, 500
 yards Union Cassimer at 20c, worth
 40c.; 350 yards Union Worsted at
 25c., worth 65c.; 350 yards Union
 Cassimer at 35c., worth 85c. These
 goods will be placed on sale for one
 day only and sold strictly for cash
 only. Don't forget the place and
 number.

Pender County Crops.
 From Mr. J. T. Collins, of Burgaw,
 who was in the city to-day, we learn
 that the farmers of Pender county
 are more fortunate than those in
 many other sections of the State.
 The crops have been damaged some-
 what by the heavy rains, it is true,
 but it is hoped that this damage will
 not prove very serious. The corn is
 already made, but cotton, peas and
 potatoes will suffer somewhat from
 the heavy rains. The water courses
 are high but if no more rain comes
 it will take but a few days for the
 water to run off.

Ordination Services.
 At the Brooklyn Baptist Church,
 on Sunday afternoon, at 4:30 o'clock,
 there will be special services for the
 purpose of ordaining Deacons in
 that church. The services will be
 conducted by Rev. Mr. Tolson, pas-
 tor of the church, and Rev. Dr.
 Pritchard, pastor of the First Baptist
 Church, and the deacons of the last
 named church will all participate.
 The deacons to be ordained are
 Messrs. J. W. Taylor, C. W. Stewart
 and Z. B. Murrell. One other, Mr.
 McDougall, has already been or-
 dained deacon, and on this occasion
 he will be formally recognized as
 such.

At the Hummocks Yesterday.
 The live pigeon match at the
 Hummocks yesterday was well at-
 tended. There were nine entries.
 The prize was a breech-loader, of-
 fered by Mr. W. A. Bryan. It was
 good shooting all around; only three
 of the birds got away. The three
 best shots were Messrs. W. A. Bryan,
 DuB. Cutlar, Jr., and R. M. Capps,
 who got seven out of nine. Capt.
 Capps and Mr. Cutlar will shoot off
 the tie next Tuesday.

There was a match afterwards
 with clay pigeons, which was tied
 by Mr. Bryan and Mr. R. H. Grant.
 In shooting off Mr. Bryan won.
Whiskey and Yellow Fever.
 Yellow fever is a good prohibi-
 tionist, as far as it goes. The physi-
 cians in Jacksonville say that a man
 addicted to the use of liquor is not
 likely to survive an attack of yellow
 fever and as a consequence the
 ranks of the teetotalers in Jackson-
 ville have been largely recruited.

This pronunciation was also
 made by the physicians in this city
 during the yellow fever epidemic of
 1862, but as there was very little
 liquor here then, and that hard to
 get, a fair test of the theory was
 rather impracticable. There was
 some spirits on hand in the Quar-
 ter-master's department and that of
 the Medical Purveyor and the old bun-
 ners used to exhaust all kinds of
 dodges in trying to "sauple" it.
 Still, some people did get whiskey
 somewhere and there were those
 who argued that whiskey was the
 best preventive in the world for the
 fever. It is needless to say that
 they had "the courage of their con-
 viction" and that they proceeded
 to act up to them as promptly as the
 circumstances admitted of, by al-
 ways keeping as full as possible. We
 remember a case in point. We re-
 member one wet afternoon passing
 along the deserted pavements on
 South Water street when we en-
 countered two men, father and son,
 reeling along, arm in arm, both of
 them under the influence of liquor.
 It was a sad sight, and one we will
 never forget, for within a week or
 so of that day both were dead and
 buried.
