UNDER DEMOCRATIC RULE

The State debt was settled. The effect upon the State was great. Capital, which had shunned the State during the evil days of Republican ascendancy, once more sought and seeks investment here.

The debt for the North Carolina Railroad was settled. The State has regained control of the road, and the sums paid for its lease. It will not be many years before the rents will have paid the debt, and will contribute almost money enough—probably quite enough—to pay the expenses of the State government.

The Western North Carolina Railroad was rescued from final ruin. It is now in operation far beyond the Blue Ridge. One branch has reached the Tennessee line at Paint Rock; another is rapidly nearing the same line at a point far to the south of Paint Rock.

The Cape Fear and Yadkin Valley Road was at its last gasp. It stretches now from Bennettsville to Mt. Airy. Its mileage is 236 miles, reaching from the extreme southeast to the extreme northwest, and passing through one of the finest countries on the globe.

The Atlantic & North Carolina Railroad is increasing in importance and value, and as a part of the line connecting the East and the West, has a great future before it.

Many other roads have been built, foreign capital largely embarked in them as the result of confidence restored. We note the Milton & Sutherland, Franklinton & Louisburg, the Clinton & Warsaw, the Warrenton Railroad, the Oxford & Henderson, the Halifax & Scotland Neck, the Norfolk Southern, the Williamston & Tarboro, the Washington & Jamesville, the Goldsboro & Smithfield, Moncure to Pittsboro, Murphy Railroad, the University Railroad, the Chester & Lenoir N. G., Wilson to Fayetteville, Rocky Mount to Nashville, the Spartanburg & Asheville, the Wadesboro & Cheraw (the extension of the Carolina Central), the Cranberry Mine Road, the Quaker Bridge Road, the road from Hamlet to Gibson's Store, that from Hamlet to Cheraw, the Clinton & Warsaw, the Little Rock & Alma, the Bladen, Columbus & Florida, that from Bogus to Waccamaw, the Danville, Mocksville & Southwestern, and the Wilmington, Chadbourn & Conwayboro, and in contemplation, from Durham to Lynchburg, the Taylorsville extension, the Oslow County Road, the Carthage Road, the Durham & Northern, the road from Oxford to Clarksville, Va., &c., &c.

Our Eastern waterways have become not only sources of the greatest benefit to our own people, but of national importance. Our asylums are of the best and best managed in the Union. The public school system was a farce, and the people held it in contempt. To-day it is a source of just pride, its superintendence held in higher esteem than any office with in the gift of the people. The Department of Agriculture has rendered incalculable service and is daily extending its usefulness. Thanks to the wisdom of Democratic councils the course of the

State is now clear, and she is free and unincumbered to pursue her grand career. And she has been so freed without increasing the general rate of taxation on property as it existed before the passage of the acts that set her free. Not only so, but the rate of taxation is much less than half what it was in the days of Republican misrule; has been materially reduced even since the passage of the acts settling the debt and the issue of the new bonds, and in 1884 there was no State-tax.

The improvements that we see every day around us, in men, manners and material affairs, had their rise and have made their progress under Democratic rule. Will it be wise, then—will it be prudent—for us to change that rule? Let conservative, thinking men throughout the State consider this question well.

The election is approaching and the people will soon be asked to turn over the Legislature to the Radical party, and elect men from that party to the offices to be filled. A wise people will make no change in the political complexion of their government unless substantial reasons demand it. Can any such reason be urged now? Will a Radical Legislature give us better laws than we now have? Are the Radical candidates better men than the Democratic candidates? Does any public interest of any kind call for a change? Would it not be rash to make any change when our people are enjoying such a large measure of prosperity and happiness?

But again, does the business interest of any private citizen demand such a change? Every man lives by his business; from it he supports his family, educates his children and makes provision for establishing them in life. Would his business be promoted in any way by giving the government into the hands of the Radical party? If not, he would do gross injustice to himself, to his family and society—which must suffer if he and they suffer—by giving his vote for or doing any act to bring about a change.

These are questions involving considerations which must be considered by all sensible men. The decision rests with the voters of the State. What the Radical party did, and the Democratic party has done and is now doing, has been laid before them.

Merit Wins

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Wm. H. Green & Co., Druggists.

An exchange speaks of a child having "a gash bitten in its leg by a dog four inches long." A dog four inches long is worthy of a place in Barnum's show. It is the smallest canine on record.—Nor. Her.

"How is it, my dear," said a husband to his wife, "that while you and your sister Ellen are so much alike in most respects, you are married and she prefers to remain single? Surely she has had offers enough." "Yes, love, but Ellen was always more difficult to please than I."—New Hampshire Patriot.

"I WON'T BAKE BREAD"—In other words, Hood's Sarsaparilla will not do impossibilities. Its proprietors tell plainly what it has done, submit proofs from sources of unquestioned reliability, and ask you frankly if you are suffering from any disease or affection caused or promoted by impure blood or low state of the system, to try Hood's Sarsaparilla. The experience of others is sufficient assurance that you will not be disappointed in the result.

Gentleman: "And so you are a newspaper man, now, Uncle Rastus?" "Uncle Rastus: "Yes, sah; I'm editor ob de job department." Gentleman: "Editor of the job department?" "Uncle Rastus: "Yes, sah, I carries in coal, an' all seh editin' as dat, sah."

WHAT IS

SCROFULA

It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which develops ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can SCROFULA Be CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla. "Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was one mass of sores from head to foot. I was advised to use Hood's Sarsaparilla, and we have all taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy." W. B. ABERNETHY, Passaic City, N. J.
