SENATE.

WASHINGTON, October 4. - The Senate at half-past 12 resumed consideration of Mr. Hale's resolution on Gen. Benet's circular as to discharges from arsenals and armories, and Mr. Teller opened the discussion upon it.

The resolution was agreed to without division. As adopted it directs the Secretary of War to transmit full information as to Gen. Benet's order, what the necessities of the War Department were that required such an order; why it was marked "confidential;" all changes of employes made under it in arsenals and armories especially; whether at Rock Island arsenal the wife and children of a former Union soldier were removed; what measures, if any, were taken to learn the politi- 16. also, directing the Secretary of War 19. to transm't copies of any further order or circular relating to the ap pointment of persons in any part of the War Department since the 4th of March, 1885, with copies of any correspondence relating to the politics of employes.
The bill adjusting salaries of fourth

class postmasters was then passed after being amended so as to take

effect July 1st, 1889.

Majority and minority reports on the Tariff bill (as well as Mr. Beck's views), were presented and ordered

A further conference was ordered on the Deficiency bill.

HOUSE OF REPRESENTATIVES On motion of Mr. Vandever, of California, the Senate bill was pass-ed providing that the Secretary of gists. the Treasury may permit the use of petroleum as fuel on steamers not carrying passengers, without the cer-tificate of the Supervising Inspector of the district where the vessels are to be used.

Mr. Burns, of Missouri, then called up the conference report of the General Deficiency Appropriation bill. Mr. Burns called attention to the Industrial Christian Home or night. Association of Utah, an association for the benefit of dependent women and children, who desire to sever their allegiance to the Mormon Church.

The report was rejected in order to enable the conference committee to change the language providing for investigation of the Washington aqueduct matter, so as to enlarge LARGEST STOCK and most complete assortthe scope of the inquiry.

STATE NEWS.

Newbern Journal: The Atlantic Razors, Scissors & Shears. Road has purchased the steel rails for the track between Newbern and Morehead, and will soon begin to tear up the old rails and replace them with the new steel rails. It is also about to begin the erection of a handsome ticket office and waiting rooms at the terminus at Morehead.

Goldsboro Argus: Mr. Colen Moore, while inadvertently reaching across one of the saw tables at the Enterprise Lumber Mill Tuesday afternoon, sustained a serious painful wound on his right arm, near the hand, by its coming in contact with the saw. A small portion of the bone had to be taken out in dressing the wound, and exceedingly that such an accident uation make it more desirable than more should have befallen him.

Rock Crystal Spectacles and Eyeglasses Advice to old and young: In se lecting spectacles you should be cautions not to take more magnifying nower than has been lost to the eve as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.
