Known by these marked peculiarities:  
1. A feeling of weariness and pains in the head.  
2. Bad breath, bad taste in the mouth, and furred tongue.

4. Headache in the front of the head; nausea, dizziness, and yellowness of skin.  
5. Heartburn, loss of appetite.  
6. Distention of the stomach and bowels by wind.  
7. Depression of spirits, and great melancholy, with lassitude and a disposition to leave everything for to-morrow.  
8. A natural flow of bile from the Liver is essential to good health. When this is obstructed it results in

**BILIOUSNESS,**

It restores the Liver to proper working order, regulates the secretion of bile and puts the digestive organs in such condition that they can do their best work. After taking this medicine no one will say, "I am bilious."

**Attempted Suicide.**  
A young man by the name of F. T. Bizzell, a mail agent on the C. C. R. R., who is only 17 years old, attempted to commit suicide last night, about 6 o'clock, at the Central Hotel in Charlotte. He shot himself in the head. The ball struck on the bones between the right eye and ear, and ranged downward, lodging on the left side of the neck. He had previously tried, but in vain, to buy laudanum from a Charlotte druggist. The wound is not necessarily fatal but the physicians would not express an opinion last night. The young man hails from Laurinburg and his father probably reached his bedside this morning. No motive is ascribed for the act but it is said that the lad had been drinking freely during the afternoon. A note was found in his room addressed to his father, in which he claimed that he was crazy, but after the shooting the young man persisted in claiming that it was accidental.

**Rock Crystal Spectacles and Eyeglasses.**  
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.
