The Pythian Anniversary.

The twenty-fifth anniversary of the organization of the Order of Knights of Pythias was celebrated last evening in the hall of Wilming ton Steam Fire Engine Co. No. 1 corner Fourth and Princess streets and it was participated in by the members of the three lodges in this city, Stonewall No. 1, Clarendon No. 2, and Germania No. 4. Mr. James W. King, one of the charter members of Stonewall Lodge, which was the first lodge organized in this State, presided on the occasion. Mr. W. H. Gerken, of Germania Lodge, read an interesting paper which he had prepared, giving a sketch of the history of the order from its foundation in Washington City, in 1864. Mr. Thos. D. Meares, Grand Chan cellor of the State, then addressed the assemblage, giving a clear and uted by Wilson K. Welsh, Edgar succinct statement of the origin and Fawcett, and Elliott Coues. progress of the order, which began a quarter of a century ago with five members and has now, in this country alone, a membership of 250,000. The Order is primarily a beneficiary one, having for its object the promotion among men of the principles of benevolence and charity, the relief of its members in sickness or distress, the care and protection of the widows and orphans. The requirements are that in members shall be good citizens and reputable men of society, who be lieve in the existence of a Supreme Being. It is secret only so far as necessary for the proper transaction of its business. Candidates for ad mission to the Order must be 21 or over, of temperate habits, good character and of sound mental and bodily health. The fee for ranks and membership is \$10, and the annual dues \$6. The growth of the order in the South, particularly during the last decade, has been remarkable. The uniform rank is a popular feature of the order, and is a semi-military organization divided into 568 divis ions with twelve separate regiments and thirteen brigades, composed of thirty four regiments. numbering 22.000 men, all told, almost as large a body of men as the regular army of the United States. 'The members of this division are uniformed and equipped with hemlet, sword and belt, and engage in drill and march-

Real estate at Wrightsville, with water fronts, has advanced hugely during the past twelve months. There is none on the market but we doubt if any of this class of property could be purchased at twice its valnation of a year ago.

Lippincott's Magazine.

The recent death of Selina Dolaro, the famous burlesque actress, lends a pathetic interest to the novel of "Bella Demonia," which opens the March number of Lippincott's. The novel, it will be remembered, had a curious history. Written originally for the New York World, it was accepted by that paper, but the MS. was lost or stolen in some inexplicable way. Mme. Dolaro then rewrote it, and when completed offered it to Lippincott's where it was

Howard Relief Anniversary.

The 33rd anniversary of that venerable and gallant organization, Howard Relief Fire Engine Co. No. an 1, was celebrated here to day, with all due honor. The line was formed at the engine house at 10:30 and preceeded by the Germania Cornet Band, the line of march was taken up over the route as published by us yesterday. The beautiful steamer A. Adrian and the hose reel, both decorated with evergreens and flowers by the fair hands of lady friends, were in the line as were also carriages with invited guests. The officers of the company say that it was the best parade they have yet had. The ranks were full and the Germania Band was also in full force, with 17 pieces.

The march concluded at the engine house on Fourth street, where an appetizing collation awaited the company and their guests. An hour was spent very pleasantly here. Several short addresses were made, the speakers being Mr. Martin Newman, Assistant Chief of the Fire Department, Hon. E. D. Hall, Chief of Police, Mr. Jno. G. Oldenbuttel, Chief of the Fire Department, Capt. Jno. H. Daniel, Mr. E. G. Parmele, Chief Engineer of Wilmington Steam Fire Engine Co. No. 1, Mr. H. H. Gieschen, Foreman of Howard Relief Fire Engine Co. No. 1, Alderman J. W. King, Mr. M. Rathjen, and one or two others. This is the order in which they were delivered. They were all short, pleasant, sensible and appropriate speeches and every one ought to be printed, and would he but for the fact that they were
