# THE DAILY REVIEW.

VOL. XIII. WILMINGTON, N. C., FRIDAY, MARCH 15, 1889. NO. 64.

**PLEASE NOTICE**  
 We will be glad to receive communication  
 from our friends on any and all subjects  
 general interest, but  
 The name of the writer must always be in-  
 dicated to the Editor.  
 Communications must be written only on  
 one side of the paper.  
 Personalities must be avoided.  
 And it is especially and particularly under-  
 stood that the Editor does not always endorse  
 the views of correspondents unless so stated  
 in the edit column.

Australia has just made to a projected railroad a grant of 16,000,000 acres, or 20,000 acres a mile. The grant to the Pacific railroads in this country amounted to about 6,400 acres a mile.

This coming St. Patrick's Day will be a great day for old Ireland, in view of Ireland's champion. At the New York dinner Patrick Egan, Governor Hill and other notable persons will speak to patriotic toasts.

Since 1871 2,500,000 Germans have quit the Fatherland. Of this great host 2,000,000 have come to America. These are the latest figures in Berlin, and the Prussians are talking about them with wonder and some regret.

Russian statesmen, from Count Tolstoi down, are aiding in the organization of societies for the prevention and suppression of inebriety. Total abstinence, except from light beer and kvass, an acid drink with little alcohol, is the rule they seek to establish for too hard drinkers.

Two English servants, Ann Warde and Eliza Wyld, went to a salvation army meeting on a Sunday evening, overstayed the time when they should have been at home, and for fear of a scolding, tied themselves together with a woollen scarf and drowned themselves in a canal.

It is told out in Indiana that in 1880 a dinner was given in Madison county, and thirteen men sat at the table. Gov. Williams, who was one of the thirteen, called attention to the fatal number, and there was considerable fun made of the superstition. To-day but three of the thirteen are alive.

Little "Butt" and his wife, who are Mercurio said of his piece, refer to Dr. Pierce's little pills, which are small, swift and effective in cases of sick headache, biliousness, constipation and indigestion.

**The Governor's Visit.**  
 Our report closed yesterday just at the time when the banquet at the Hummocks was on. Our reporter was compelled to leave there so as to get in yesterday's issue what had been done up to that time. The report was a delightful one. Col. W. C. Jones presided and on taking his seat proposed the following initial toast:

"Our Governor"—Surely my lines fall in pleasant places, and my friends ever kind to me, for at their hands I have the honor to preside at this luncheon which is graced with so much beauty and with talent that would reflect credit upon any occasion. This is an event which I shall ever remember with pleasure—one which, I think, marks an epoch in the history of our citizens are very proud, and for this memorable day we are indebted to one whom we are all proud to honor—one who has been a true friend to us in the hour of need, and thus, ladies and gentlemen, is no other than our worthy Governor, the Hon. Daniel G. Fowle.

The Governor responded briefly and stated in the course of his remarks that it was a definitely settled fact that the encampment would be permanently located at Wrightsville but that the exact spot had not yet been fully determined upon. Hon. Charles M. Stedman thereupon arose and presented the Governor, on behalf of the citizens of Wilmington, with a deed for the ground, saying as he did so:

**GOVERNOR FOWLE:**—By the request and in accordance with the wishes of the citizens of Wilmington, I present to you a deed for the site of the permanent encampment of the State Guard. I should utterly fail to reflect their views, did I not express to you the appreciation of the people of the lower Cape Fear section of your conduct in connection with this site.

Wilmington Light Infantry," by Capt. John H. Daniel. A closing toast, at the instance of the Governor, was to Hon. A. M. Waddell, and this gentleman's response closed the entertainment.

The Governor has remained quietly at the Orton House to day. He will be entertained at the Cape Fear Club to night and will leave for Raleigh to-morrow morning.

Sneak thieves and burglars are getting in their work in the city. Be prepared for them and bid them welcome with powder and shot.

Miss Hattie J. Fox advertises in this issue that she has just received a full line of Spring goods and extends an invitation to ladies to call and examine them at 213 Market street.

Br. brig Trygve, O'Neill, cleared to day for Havana with 350 barrels rosin, 100 barrels tar, 100 barrels pitch, 9,719 feet lumber, 127 empty hogsheads and 41 empty puncheons, valued at \$1,135, shipped by Messrs. Alex. Sprunt & Son.

The Asheville Citizen hears it rumored there that Mr. Vanderbilt has bought the Carolina Central R. R. and that he will at once proceed to build it through to Asheville and from thence on to Cranberry. We don't take any stock in this rumor—don't believe a word of it.

**Dr. Bobbitt Has Improved.**  
 The many friends here of Rev. Dr. Bobbitt will be rejoiced to learn that his condition has materially improved. On Wednesday he left Rockingham for the home of his daughter, Mrs. Ashcraft, in Winston. He went down the C. C. R. R. to Hamlet, and from thence to Sanford, on the R. & A. A. L., and thence on Mullies, to R. R. to Greensboro, N. C. via Herring, Reg. 5 @ that he has a full recovery.

**Year of Inspection.**  
 The Weldon News says that Brigadier General W. H. Anthony will in May begin the official tour of inspection of the State Guard during which he will examine all the commissioned officers on tactics and regulations. These examinations have not been heretofore required and the consequence is there has been no relief from incompetent officers. General Anthony will certainly see that the officers are fully competent and efficient, and will enforce this wise provision of the law.

**Death of Mr. Geo. R. French.**  
 It is with great regret that we announce to-day the death of our venerable fellow-citizen, Mr. George R. French. He died at his residence in this city, at half-past 4 o'clock this morning.

Mr. French was a native of Fall River, Mass. He came to this city in the year 1822, and has resided here ever since. He was in the 88th year of his age, having celebrated his 87th anniversary on the 24th of last January. He was the oldest merchant in this city and probably the oldest in the State. He founded the large shoe house which bears his name and which stands to-day a proud monument to his business integrity and sagacity. There is no stain upon his long and honorable life. He was upright in all of his dealings with his fellow-men and one of those sincere, modest Christians who delight in doing good, but who do not publish their deeds upon the housetops. His charities were many and munificent and the poor of this city have cause to regret the loss of a compassionate and kind benefactor.

The funeral services will take place Sunday afternoon at 3:30 o'clock at the First Baptist Church, and the interment will be in Oakdale.

**"Pete" Baker.**  
 "Pete" Baker will appear at the Opera House next Monday night in "The Emigrant." In speaking of the performance given in New Orleans, the Times-Democrat says:

"Despite the slight drizzle which fell last evening, the Avenue Theatre was crowded from gallery to parquette, and before the curtain rose the sign of 'Standing room only' was hung out. 'Pete' Baker's coming was known to all and his previous successes attained in this city and elsewhere, had gained for him and his company a crowded house to witness the first performance of 'The Emigrant.'"
