Services in St. John's Church to-morrow. Holy Communion 7:30 a. m. Morning Prayer 11 o'clock. Evening Prayer 5:30 o'clock.

When summer comes the young men with their best girls begin their evening sittings in the leafy parks.

"Dream on, young hearts, dream on, dream on," for Dr. Bull's Cough Syrup cures coughs and colds.

Our correspondent at Birmingham, "Dicky Bird," writes to congratulate the Democrats of Wilmington on their selection of aldermen.

He truly says that "they are all good men, and men to be trusted." He expresses the hope that Mayor Fowler may be reelected and when he reads yesterday's REVIEW he will know that his wish has been gratified.

Suppression of the reprehensible conduct engaged in by boys of this city of scribbling obscene words and sentences with chalk or other materials on houses and fences is called for.

Let the city authorities, school teachers and all good citizens assist in detecting some guilty party in order that an example may be made of him for the benefit of others.

Shake!

Many of Mayor Fowler's friends called on him at his residence last night, on South Front street, to congratulate him on his election as Mayor of the city for a second term.

His Honor had a previous intimation to this effect and he was there fore prepared for the emergency.

He "set 'em up" and the popping of champagne corks there for an hour or so was equal to a young fustled. The congratulations were many and hearty.

Sunday School Mass Meeting.

Mr. William C. Reynolds, President of the International Sunday School Convention, will address a mass meeting of the Sunday school children of New Hanover county, to-morrow afternoon at 4 o'clock at the Opera House.

The children will meet at their places of worship, and march in a body to the Opera House where they will be given seats in front.

In the evening at 8 o'clock there will be a meeting for adults, and a large attendance of parents is especially desired.

Mr. Reynolds is an orator of extraordinary force, and is the most noted Sunday school worker in America. He will certainly be worth hearing.

Congratulations Were in Order.

There was a jolly good time at the Atlantic Hall last night. An impromptu reception was tendered by their friends to the newly-elected Chief of the Fire Department.

Mr. Martin Newman, and the Assistant Chief, Mr. John M. Cazaux. Short congratulatory speeches were made by the retiring Chief, Mr. John G. Oldenbuttel, the newly elected Chief, Mr. Newman, Assistant Chief, Mr. John M. Cazaux, Mr. Sol. C. Weill, Mr. DuBrutz Cutlar, Jr., Mr. H. H. Gieschen, foreman Howard Relief Fire Enging Co. No. 1, Mr. Samuel Bear, Jr., Mr. H. Webb, Mr. H. J. Gerken, Capt. W. P. Oldham, Hon. S. H. Fishblade, Mr. Albert Gore, Capt. E. G. Parmele and others.

There was a collation spread, which was heartily enjoyed by all present, and during the evening a handsome ten foot flag was presented to the company by Chief Martin Newman, which has floated above the engine house all of day.

5500 Reward.

The former proprietor of Dr. Sage's Catarrh Remedy, for years made a standing, public offer in all American newspapers of \$500 reward for a case of catarrh that he couldn't cure.

The present proprietors have renewed this offer. All the druggists sell this Remedy, together with the "Douche," and all other appliances advised to be used in connection with it. No catarrh patient is longer able to say "I cannot be cured." You get \$500 in case of failure.

SAMOA.

A Terrible Hurricane at Apia—Every Vessel but one Ashore—Forty-three Americans and Ninety-six Germans Drowned.

Information was received here to day of a terrible hurricane which occurred at Apia, Samoa, on the 15th inst. The news comes via Auckland, and is directed to the Secretary of the Navy at Washington City.

The dispatch says that every vessel in the harbor was on shore, except the British man-of-war Calliope, which got to sea. The Trenton and the Vandatia were total losses. The Nipsic was on the beach, with her rudder gone, and may be saved, but the chances are against it.

She will be sent to Auckland, if possible. The Vandatia lost four of her officers and 39 men. Among the rest are Capt. Schoonmaker, Paymaster Ames, Lieutenant of Marines Sutton and Pay Clerk John Roche. All on the Trenton were saved. The German ships Adler and Eber are to tally lost. The Olga was beached and may be saved. The German losses foot up 96.

Our Financial Custodians.

The present Board of Audit and Finance is the seventh. The Act establishing the board was passed in 1876 and the first term was from March, 1877, to March, 1879. That it has been of great benefit to the city no one can deny.

When the first Board went into office they found a depleted treasury left to them by the Republican Board of Aldermen. And there was not only no money in the treasury but there was a heavy floating debt to meet, while the interest on the city bonds had been defaulted for two payments.

About the time they assumed control of affairs, a lot of 8 per cent. city bonds were offered at public auction at the head of the old market house and sold for 63 cents on the dollar. They carried with them two unpaid coupons. Without these the bonds would probably not have sold for more than 60 cents.

To-day these same bonds, without any past due coupons, could not be bought for 105.

In 1877, when the control of municipal affairs was wrested from the hands of the Republicans, and the first Board of Audit and Finance was organized, the total debt of the city, bonded and floating, amounted to \$624,000.

There was no sinking fund at that time, although the law requiring one had been passed ten years previously. The rate of city taxation at that time was \$3 on the \$100 valuation, in other words, 2 per cent.

To day the bonded debt of the city, including \$30,000 for new markets, is \$581,700, and the floating, or iron bridge debt, is \$12,547.21, a total indebtedness of \$594,247.21, while the sinking fund amounts to \$87,334.30.

The amounts recently voted as subscriptions to the Cape Fear & Yadkin Valley R. R. and the Wilmington, Onslow & East Carolina R. R. are of course not included in the above.

The various Boards of Audit and Finance have been composed as follows:

1877 to 1879—Norwood Giles, chairman; W. D. Maho, R. J. Jones, D. G. Worthing, Thos. W. Player, J. F. Gause, Clerk.

1879 to 1881—Norwood Giles, Chairman; O. A. Wiggins, Wm. Calder, R. J. Jones, Jno. S. McEachern. John Cowan, Clerk.

1881 to 1885—R. J. Jones, Chairman; O. A. Wiggins, Wm. Calder, W. R. Kenan, Jno. S. McEachern. John Cowan, Clerk.

1885 to 1887—W. I. Gore, Chairman; Jno. W. Gerdtz, Wm. Calder, R. J. Jones, C. F. VonKampen. John Cowan, Clerk.

1887 to 1889—R. J. Jones, Chairman; Wm. Calder, J. F. Maunder, W. I. Gore, J. W. Hewett. John Cowan, Clerk.

1889 to 1891—R. J. Jones, Chairman; J. F. Maunder, Wm. Calder, W. R. Kenan, J. W. Hewett. John Cowan, Clerk.

Services at St. Paul's Episcopal Church to-morrow at 11 a. m. and 8 p. m. Miss Schwarz will sing at evening service. Evening sermon on the text: "They sacrificed their sons and their daughters unto devils," will be a practical discourse addressed to old and young. Seats free at all services.
