C McQueen and Chas. H. Robinson, o the Produce Exchange; Charles M Stedman and R. M. McIntire, of the Chamber of Industry. The committee have been in com- munication with Dr. Chase and learned from him to-day that the party will leave Washington City on Thursday morning instead of to morrow morning, as was at first in- tended, and will reach Wilmington at 6 o clock on Thursday afternoon. They have not yet decided as to stopping here but promise to let the committee hear from them on Thurs	dent of the International Sunday School Convention, delivered a grand, a beautiful and an impressive address, which was heard with al- most breathless interest by the im- mense congregation. At night there was another large congregation in the Opera House, for the benefit of the church mem- bers, on which occasion Mr. Rey- nolds delivered another excellent address. <b>Rock Crystal Spectacles and Eyeglases</b> Advice to old and young: In se lecting spectacles you should be can tious not to take more magnifying cower than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is ne- cessary is the daily cause of prema-	Merchant Tailoring.)
