FRIDAY, APRIL 5, 1889.

Entered at the Postoffice at Wilmington, N.C. as second-class matter.

The Hon. J. Proctor Knott has been elected president of the Louisville (Kv.) Realty and Improvement Company, which has a very large subscribed capital. Mr. Knott made a brilliant record as a Congressman, and was an excellent Governor. If he succeeds in booming the Realty and Improvement Company as effectually as he did Duluth in his famous speech in Congress there is no telling what gigantic proportions Louisville may assume. ,

The Nicaragua Canal Company will have no difficulty, it is under stood, in raising the capital required for the construction of their canal. At Mr. Menocal's request the location and estimates made by him will be considered by a number of the most eminent engineers in this coun try. At an early date work will be begun, and the enterprise will be pushed with energy to its completion. Its prospects were never so encouraging as at the present time.

Mr. C. H. Andrews, the coal, iron and railroad magnate of Youngs town. Ohio, was asked the other lay if he was in the race for the Governorship, his name having been mentioned for the office, and he replied: "No, sir, I am not a candi date, and would not go into the fight for that or any other office. I would much rather have the reputation of being a successful business man than to be Governor of Ohio." An Imperative Necessity.

What pure air is to an unhealthy locality, what spring cleaning is to the neat housekeeper, so is Hood's Sarsaparilla to everybody, at this season. The body needs to be thoroughly renovated, the blood purified and vitalized, the germs of disease destroyed. Scrofula, Salt Rheum and all other blood disorders are cured by Hood's Sarsaparilla, the most popular and successful spring medicine.

It is claimed by old hunters that a rabbit train is merely a hair line.

An Important Announcement
About six weeks ago, while at business, I was suddenly attacked with excruciating pains in my feet, knees and hands. So sever, the attack that I took my bed immediately, and in two or three days my joints were swollen to almost double their natural size, and sleep was driven from me. After suffering the most excruciating pain for a week, using liniments and various other ranedles, a friend who sympathized with my helpless condition, said to me:

"Why don't you get Swift's Specific and use it. I will guarantee a cure, and if it does not the medicine shall cost you nothing."

I at once secured the S. S. S., and after using it the first day, had a quiet night and refreshing sleep. In a week I felt greatly benefitted. In three week's I could sit up and walk about the room, and after using six bottles I was out and able to go to business. Since then I have been regularly at my post of duty, and stand on my feet from nine to ten hours a day, and am entirely free from pain. These are the plain and simple facts in my case, and I will cheerfully answer all inquiries relative thereto, either in person or by mail.
