The Daily Review.

JOSH. T. JAMES, Editor & Prop'r. WILMINGTON, N. C. FRIDAY, APRIL 12, 1889.

Entered at the Postoffice at Wilmington, N.C., as second-class matter.

The University of Chapel Hill will celebrate its centennial during the first week in June next. Governor Lee, of Virginia, and Governor Green, of New Jersey, are invited to be present.

Ex Secretary Endicott, who called upon the President recently, commented, after leaving the White House, upon the President's paleness, and complained of the strain put upon Presidents by the people.

The proclamation declaring that the Oklahoma lands will be open to settlement on the 23d of this month has been promptly followed by the appointment of a commission to arrange for the acquisition of full right to certain Cherokee lands, as provided for by Congress.

Ernest Schilling, whose elopement and marriage to Victoria Morosini three years ago created such a stir in New York City, is now living under an assumed name at Stein's Hotel in Steinberg's, Long Island City.

What pure air is to an unhealthy locality, what spring cleaning is to the neat housekeeper, so is Hood's Sarsaparilla to everybody.

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters since the same song of praise.

APRIL ANTICS.

Used up—Balloons. Chop sticks—Ax handles. A military outbreak—Camp fever.

A favorite toast in Algiers—The Day we celebrate. The great difficulty about common sense is that it is so tremendously scarce that it ain't common.

The artist who puts up gilt signs may not be much of a correspondent, but he turns out some brilliant letters.

Old Lady (rushing into drug store)—"Say, mister, I want some paint." Obliging Clerk—"Yes'm. Face or fence?"

Apprentice—Professor, what's the matter with makin' gold and gettin' rich? Watchmaker—Oh, nothing, but you'll have to pay the market price for the material to make it with, you know.

Successful Business Men.

Who are our most successful business men? Go out on the street and look them over. You won't find them men who have pale cheeks.

Harrigan, the New York actor-author, has just completed a new three act comedy.

TERRIBLE.

Two thirds of all deaths in New York City are from consumption or pneumonia. The same proportion holds for most other cities.

HOW DOCTORS CONQUER DEATH.

Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all deaths from coughs, pneumonia and consumption might be avoided if Dr. Acker's English Remedy for Consumption were only carefully used in time."

Peculiar

Many peculiar points make Hood's Sarsaparilla superior to all other medicines. Peculiar in combination, proportion, and preparation of ingredients.

Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered."

Hood's Sarsaparilla Sold by all druggists. \$1; six for \$5. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass.

INVENTION, has revolutionized the world during the last half century. Not among the wonders of inventive genius is a method and system of work that can be performed all over the country without separating the workers from their homes.
