Comfort and economy are to be found in the use of oil stoves. Sold by the N. Jacobi Hdw. Co.

The series of meetings which have been held at Wooster Street Chapel were brought to a close last night.

To-morrow being Good Friday, in accordance with our usual custom, no paper will be issued from this office on that day.

The body is more susceptible to benefit from Hood's Sarsaparilla now than at any other season. Therefore take it now.

The banks and the Produce Exchange will be closed to-morrow and the probability is that very little business will be done then.

The Raleigh *Call* is the latest in the way of journalism in this State. It is a handsome afternoon paper, well edited and well printed, and seems to start under very flattering auspices.

Services at St. Paul's Episcopal Church to-night at 8 p. m. and to-morrow morning at 11 o'clock. Offering to-morrow for "Missions," and on Easter day the offerings are to be applied on church indebtedness.

Charles M. Miller, residing on Ninth, between Mulberry and Walnut streets, had green peas from his garden in market on Monday and they sold at 12 cents a quart. He expects to gather more of them on Saturday.

Confirmation.
The holy rite of confirmation will be administered Good Friday (to-morrow) at 8 p. m., in English, in St. Paul's Lutheran Church, to the catechetical class that confessed its Christian faith last Sunday night.

Knights of Pythias.
At a meeting last night of committees representing Stonewall Lodge No. 1, Calendon Lodge No. 2 and Germanian Lodge No. 3, a sub-committee was appointed to correspond and ascertain prices of equipments for the Uniform Rank, which it is proposed to institute here. This committee is expected to report at an early date. The rank will start with forty or fifty members.

Wilmington Cotton Mills.
The annual meeting of stockholders of the Wilmington Cotton Mills took place yesterday afternoon, and the following Directors were re-elected: Wm. A. French, Geo. R. French, D. MacRae, D. MacRae, Jr., J. H. Chadbourn, B. G. Worth and Elias Richards.

After the stockholders' meeting the Board of Directors met, and Mr. E. S. Tennent, the Treasurer, submitted his report, which was received and approved, showing the mill to be in a very satisfactory condition.

The Board then went into an election of officers, with the following result:
President—Wm. A. French.
Vice President—D. MacRae.
Secretary and Treasurer—E. S. Tennent.
Superintendent—Elias Richards.

Several fishing parties are already projected for Monday and Tuesday of next week.

Mr. Berry Gleaves is in the city to-day and will remain during the Easter holidays.

We are glad to hear that Dr. Ennett is better to-day and it is hoped now that no permanent injury will result from the accident.

A Pleasing Sense
Of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when costive or bilious. For sale in 50c. and \$1.00 bottles by all leading druggists.

Our Sincere Thanks.
Our clever friend, Mr. J. Tate Collins, of Burgaw, was in to see us to-day. We were out at the time but he left with us a beautiful bouquet of Spring flowers, on behalf of his estimable wife, who as Mr. Collins said, "presents you with this bouquet of flowers for the great love she has for your paper."

Services in the Lutheran Church.
The following services will be held to-morrow and next Sunday in St. Paul's Evangelical Lutheran Church, corner Sixth and Market streets, Rev. F. W. E. Peschau, pastor:

GOOD FRIDAY.
German Communion 11 a. m. English services 8 p. m., during which the catechetical class will be confirmed.

EASTER SUNDAY.
English Communion 11 a. m. At 3:30 p. m. the Sunday School will have its Easter services in the church. At 7:45 p. m. German services will be held.

City Court.
The Mayor disposed of, a very large docket this morning and in the following order:

Bud Lord was charged with disorderly conduct, was found not guilty and discharged at the cost of the prosecutor.

Walker Henderson, Louise Moore, Mary J. Hayes, Fannie Holmes, Amy Davis, Alice Cowan, Mary Houston, Nancy Keith, Chas. Armstrong, Wm. Larkins and Carrie Houston, all colored, were arraigned for violating the sanitary ordinance of the city. Walker Henderson and Charles Armstrong were fined \$10 each; Louise Moore and Annie Davis were discharged; the others were fined \$5 each.

Ida Chambers, disorderly conduct, not guilty.
Ida Chambers, Amorette Hawkins and Mary Farrer were fined \$50 each for keeping a house of ill fame.
Jessie Cumber, disorderly conduct, continued.

The Colored Exodusters.
The restless and dissatisfied feeling which has prevailed among the colored people of this State has at length reached Wilmington and it burst into open flame at a meeting held last night in the colored Baptist Church, corner Fifth and Campbell streets. The meeting was called to appoint delegates to attend a meeting of the North Carolina Exodus Association, to convene in Raleigh on the 26th inst.

Richard Ashe presided at the meeting last night and Rev. John Morris was made Secretary. John Holloway, Geo. W. Price and others spoke in advocacy of the movement. Another meeting is announced for to-night at Rev. Scipio Saul's church, on Nixon street, North of the W. & W. R. R.

There seems to be much feeling in this matter which is, however, exhibited in a very quiet way. They appear to be much in earnest. When the "exodusters" do "exode" they propose to go far beyond the Mississippi river. They say they do not want to stop in any of the bottom lands of Arkansas and Mississippi but will aim for the new States. What they will do when they get there does not seem to have been discussed at very great length. There are not many of those who may go from the city who can guide a plow handle. They don't ask any advice, however, from white people and would probably take none. We shall be sorry to see them go but we do not think that either the whites, or those of their own race who may elect to remain here, will suffer by their departure.

Asparagus was selling in market to-day at 15 cents a bunch.

Mr. B. F. Penny makes a very attractive display at his clothing house on Market street. We were surprised to see how cheap he sells nice Spring suits, both for men and boys. Call and see the styles and prices.

Still in the Field.
The Wilmington Shirt Factory, No. 122 Market st., has now on hand a full line of gent's heavy jean drawers, the very thing for the season, at 50 cents a pair, worth 75 cents.

J. ELSBACH, Prop'r.
Superior Court.

The only cases disposed of in this Court to-day were as follows:
Florence G. Bagwell vs. John G. Bagwell. Order of Court to allow defendant to file a demurrer.

A. D. Puffer's Sons vs. A. F. Lucas. On trial at our close.

Everybody will want a good dinner next Sunday and Mr. Garrell will therefore prepare a fine Easter market on Saturday, at his stalls in Front Street Market. He received to day a fine load of mountain cattle from the West and some of this will be on sale, reinforced by Spring lamb, tender veal and fat mutton. See ad.

Will Your Read this for \$500?

For many years the manufacturers of Dr. Sage's Catarrh Remedy, who are abundantly responsible financially, as any one can easily ascertain by enquiry, have offered, in good faith, a standing reward of \$500 for a case of nasal catarrh, no matter how bad or how long standing, which they cannot cure. The Remedy is sold by druggists at 50 cents.

Personal.
Dr. S. S. Satchwell and Mr. R. C. Johnson, of Pender county, were in the city to-day.

Mr. Hasel W. Burgwin, of Virginia, has been here for several days on a visit to relatives in the city.

Mr. Jacob Lyon, for many years a prominent merchant and a highly esteemed resident of this city, is here on a visit to his old friends. We were glad to see him looking so well.

Imperatively Needed.
We have a serious suggestion to make to the city authorities. Ever since Campbell street was torn up in putting down the street car tracks it has been an unpleasant street to travel over in a vehicle. The city, at one time, assisted by private citizens, made a good carriage way there. It does not exist now. It is necessary to build a new roadway to Oakdale Cemetery. Red Cross street now presents the best opportunity for this and two birds can be killed with one stone by doing it. Pine Forest Cemetery is also approachable by this street and a new roadway there can be used to go to both places.

The necessity for this road is imperative. It cannot, of course, be constructed at once, but a better roadway than is now accessible can easily be arranged by Memorial Day. Something must be done with it before then and the only way that occurs to us is that the street be sawdusted. This material makes a nice, pleasant drive and it can be had here in great abundance. The mill owners, we understand, are ready to furnish as much as is needed, free of charge. There are three weeks in which to do the work. The sawdust need be laid only on Red Cross as far East as the street car track goes on Campbell, and then up the cross street one block.

We hope that this matter will be taken seriously into consideration and the work will be done at once. It will save a great deal of discomfort on Memorial Day and on many days after that.
