Ways and means were planned and earnest endeavor toiled to clear away the burden, all in vain. The Masons of New York were in bonds, and few were optimistic enough to see anywhere more than the faintest ray of hope for bursting the chains. And so it was when, three years ago, Frank R. Lawrence came to the seat of the Grand Master of the State. He was young, he was hopeful, he was full of faith even that the day of free dom for his order could not be merely reached but hastened. He went to work with all the ardor of his youth and high purpose, and last night in every lodge room in the State it was his pleasure and his glory, too, to cause an address to be read, announcing that the debt had

#### Merit Wins

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that vineyards about his pre'ty chateau have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Robert R. Bellamy, wholesale and retail druggists.

Found.-"Health and strength, pure blood, an appetite like that of a wolf, regular digestion, all by taking that popular and peculiar medicine, Hood's Sarsaparilla. I want dred doses one dollar.

#### WHAT IS

# SCROFULA

It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

# How Can CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla.

"Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was one mass of sores from head to feet. I was advised to use Hood's Sarsaparilla, and we have all taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy." W. B. ATHERTON, Passaic City, N. J.

An Important Announcement

About six weeks ago, while at business, I was suddenly attacked with excruciating pains in my feet, knees and hands. So severe the attack that I took my bed immediately, and in two or three days my joints were swollen to almost double their natural size, and sleep was driven from me. After suffering the most excruciating pain for a week, using liniments and various other remedies, a friend who sympathized with my helpless condition, said to me:

"Why don't you get Swift's Specific and use it. I will guarantee a cure, and if it does not the medicine shall cost you nothing."

I at once secured the S. S. S., and after using it the first day, had a quiet night and refreshing sleep. In a week I felt greatly benefitted. In three weeks I could sit up and walk about the room, and after using six bottles I was out and able to go to business. Since then I have been regularly at my post of duty, and stand on my feet from nine to ten hours a day, and am entirely free from pain. These are the plain and simple facts in my case, and I will cheerfully answer all inquiries relative thereto, either in person or by mail.
