A correspondent writing from Concord, N. H., to the Boston Transcript describes some interesting and amusing episodes in the close fight going on for United States Senator from the Granite State. He gives a new version of the remark that Gen. Marston made when presented to Senator Blackburn in Washington. Gen. Marston is reported as saying: "I am pleased to meet you; but, sir, you won't pull my ear! New Hampshire ain't sending any more men out here to have their ears pulled," As respects the canvass for Senator evening or sweats at night, all or ex Representative Jacob H. Gallinger claims that he is satisfied he will be elected, and the Transcript's correspondent, in looking over the ground and talking with the friends of both candidates, feels justified in saying that Mr. Chandler's defeat is practically assured.

The Republican Legislature of New York, which has just adjourns ed, is getting a sound rating from the opposition newspapers. The taxes imposed during the session are said to be the heaviest laid upon the people of the State since 1875, when the bounty debt, incurred to meet the expenses of the war, was virtually extinguished. The Albany Argus says: "We believe there is no satisfactory and creditable explanation for this. We believe that the careless, extravagant temper of the Republican majority in the Legisla. ture is responsible for high taxes. The Republican party has just bought its way into power in the nation, when it despaired of its in ability to win, and it has been made reckless by its unexpected success. In the nation it has set out to increase taxes on the necessaries of life, and in this State it believes it can pile up taxes with equal impunity. Here are the figures: The rate of taxation for 1889 is 3.52 and the amount to be raised by it \$12.-558,550. The highest amount raised by taxation from 1876 to date was \$9,512,813 m 1886, and the lowest \$6,-032,830 in 1881."

PEED'S MILL, TEXAS, June 20, 1888—The Swift Specific Company, Atlanta, Ga.—Gentlemen: One of my children was troubled with rheumatism and boils for about two years. We gave her various kinds of medicine, but without profit, and began to despair of curing her at all. I was persuaded to try your Switt's Specific. After she had used several bottles the diseases all disappeared, and she is now a hale, hearty and healthy girl twelve years old. Another child has just become afflicted in the same way, and I am using the S. S. S. and anticipate a prompt and permanent cure. N. C. WAGGONER.

RICH HILL, Mo., July 7, 1888—The Swift BIGH HILL, Mo., July 7, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: Our little glrl when but three weeks old broke out with eczema. We tried the prescriptions from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone her head began to heal, and by the time she had taken six bottles she was completely cured. Now she bottles she was completely cured. Now she has a full and heavy head of hair—a robust, hearty child. I feel it but my duty to make this statement. Respectfully, H. T. Shore. CHATTANOOGA, TENN., June 27, 1988—The Swift Specific Co., Atlanta, Ga.—Gentlemen

In 1886 I contracted blood polson, and at once sought a physician, who treated me for sev-eral months. By his advice I went to Crab Orchard Springs, Ky., where his course of treatment was carefully observed. I recovered, as I thought, but the next spring pimples began to appear on my face and body. These gradually increased to sores and running ulcers. I was advised to try S. S. S., and immediately after taking it I commenced to improve, slowly at first, but more rapidly afterwards, and soon nothing remained to tell of my trouble. My blood is now thoroughly cleansed, and my system free from taint, and I owe my present condition-a perfect cure-to your medicine. Icheerfully rive this statement that others who have suffered as I have may reap the same benefit.

HOMER, LA., May 35, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: About two Co., Atlanta, Ga.—Gentiemen: About two years ago my general health gave way entirely. I was so debilitated that I almost despaired of ever feeling well again. All that the physicians done for me brought no permanent relief. Friends insisted that I should give S. S. S. a fair trial, although I thought it would be throwing away money. After taking a thorough course, my health and strength returned, and I must say that S. S. S. alone cured me, as I discarded all others while using it. As a tonic I can most others while using it. As a tonic I can most heartily recommend it; for general debility, it certainly is a specific. W. F. BRIDGES, J. P. Homer, La. I know Mr. W. F. Bridges, and will say that his statement is correct.
