Mr. M. Cronly, Jr., has returned from a very pleasant visit of a few days to Charlotte.

"Can't eat a thing." Hood's Sarsaparilla is a wonderful medicine for creating an appetite, regulating digestion and giving strength.

We can make you comfortable for \$1.00 by supplying you with the Ironclad Oil Stove. N. Jacobi Hdw. Co.

Rev. Dr. Pritchard will preach at the Seamen's Bethel Sunday evening at 5 o'clock; the public generally and seamen in particular are invited to attend.

Rev. Alex. Sprunt, of Henderson, will preach the sermon on the occasion of the dedication of St. Andrew's Presbyterian Church next Sunday morning at 11 o'clock.

Refreshing and Invigorating
Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

Master S. H. Chadbourn, son of Mr. Jas. H. Chadbourn, of this city, a student at Berkeley School, Boston, Mass., was awarded the first prize for Athletics—a gold medal—at a contest at that school recently.

At the recent Commencement of Charlotte Female Institute Misses Lucy Bacon, Lottie M. Willard and Mary D. Cronly, of this city, were graduated with high honor, and were mentioned most prominently in the Commencement programme.

Whatever may be said *pro and con* in discussing the comparative merits of the two morning papers of our city by the sea no one can be found who will attribute to our brother quill drivers any lack of genuine modesty, when the name of either is mentioned above a whisper.

Tourists.

Whether on pleasure bent or business should take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of sickness. For sale in 50c and \$1.00 bottles by all leading druggists.

Our Little Ones.

The June issue of *Our Little Ones and the Nursery* is as usual full of bright illustrations and matter carefully compiled to suit the tastes of the young folk. We know of nothing better to place in the hands of children of very tender years with ideas just being developed and a world of inquiry for everything they see. Published by the Russell Publishing Company, 36 Bromfield street Boston, at \$1.50 a year.

Tell the good news to the suffering. At last is a remedy found, which might have saved, had they known it.

Many who're under the ground. Tell of the "Favorite Prescription." Bid hopeless women be glad—Bear the good news to poor creatures, heart sick, discouraged and sad. "Female diseases," so terrible in their effects, and so prevalent among all classes, can be cured by the use of Dr. Pierce's Favorite Prescription.

At Rest in Bellevue.

The last sad tributes to the mortal remains of Mr. J. S. McEachern were paid yesterday afternoon. The funeral, which was largely attended, took place from the First Baptist Church. Dr. Pritchard conducted the services. The pall-bearers were Messrs. J. D. Woody, B. F. Mitchell, Wm. A. French, R. J. Jones, J. W. Taylor, S. H. Northrop, W. P. Oldham and Wm. Larkins.

Cheap Excursions Every Evening.

There will be a cheap moonlight excursion to Carolina Beach on the steamer *Passport* this evening and every evening hereafter during the season until further notice. The boat leaves the city at 5 p. m., and returning leaving Harper's pier at 8 p. m. The fare for the round trip will be twenty five cents.

There will also be an excursion fifteen miles down the Cape Fear on the steamer *Sylvan Grove*, which leaves at 7 p. m., and returning arrives in the city at 9 p. m. Fare for the round trip twenty five cents.

The Blockade Being Removed.

The railroad blockade has been broken and communication has now been opened North via the Seaboard & Roanoke Railroad, arrangements having been made for a transfer at the Nottoway river. Arriving at Portsmouth the traveler has the choice of two excellent routes, one via the Bay Line to Baltimore and the other over the New York, Philadelphia and Norfolk Railroad. The Atlantic Coast Line is also open for travel between this city and Richmond, a transfer being necessary at Petersburg.

Death of Mrs. Lumsden.

We regret very much to learn of the death of Mrs. E. A. Lumsden, of this city. She died at her residence here at 20 minutes to 9 o'clock this morning. She had been sick for only a short time but for the past two days her life has been despaired of. She was 55 years of age and leaves five children, all grown, to mourn her loss. For many years past she has conducted in this city a large dressmaking and millinery business, which her ability and her taste rendered very successful. She was born in New York city and removed to this city with her parents when but 11 years of age, and has resided here ever since. Ever since her early girlhood she has been a consistent member of St. James' Church and the funeral services will take place from that church some time to-morrow, at an hour yet to be decided upon.

Foreign Missionary Union.

The Women's Foreign Missionary Union of Wilmington Presbyterian met yesterday afternoon in the First Presbyterian Church. Besides the churches in Wilmington, there were delegates present from Clinton, Faison's, Kenansville, Burgaw, Mt. Williams, Whiteville, Clarkton and Whiteplains.

After devotional exercises, Mrs. S. G. Lewis, President of the Society of the First Church, read an address of welcome, which was responded to by Miss Pass, of Faison.

The Secretary, Miss Anderson, of Clinton, read the minutes of the last Convention, and Mrs. B. F. Hall, the President, read the report of the work for the year, and set forth the possibilities of the organization, especially presenting the subject of how to interest others in the Foreign Mission work. Interesting letters were read from Mrs. Stuart, of Hongchow, China, who was present at the last Convention, Miss Haws, of Kansas City, and Miss Emerson, of Tsing-kiangpu, China.

A committee was appointed to report on organization, and the Convention adjourned until this morning.

Rev. Edward Lane, of Campinas, Brazil, was to have addressed the Convention at a public meeting in the evening, but was detained by floods. Rev. Alexander Sprunt took his place and preached an earnest and timely sermon on the objections to Foreign Mission work, from the text, "To what purpose is this waste?" Revs. Messrs. Hoge and Primrose took part in the service. Mr. Lane, it is hoped, will be here to day and will make addresses on Sunday. He is a most interesting speaker and successful missionary.

There is economy in building barb wire fences and in buying your wire from the N. Jacobi Hdw. Co.

We are sorry to hear that Dr. W. J. Love lost his valuable roan mare a few days ago.

Dr. W. J. Love returned to the city last night from the meeting of the Alumni at Chapel Hill.

Tax lists seem to be exceedingly modest this year. They are very backward in going forward.

The dog tax is the exciting theme now and the shekels for dog badges are rolling in at the City Hall.

Indications.

For North Carolina, fair weather, followed on Saturday afternoon by showers and stationary temperature.

The moon is now on its second quarter and a ride to Carolina Beach this evening and a return by its "soft and silvery light" will not be a hard pill to take.

We would advise our readers to stop at the Wilmington Shirt Factory and look at the largest stock and the most handsome styles of lawn tennis shirts in the city and at prices to suit everybody. No. 123 Market street. Sign of the blue awning.

Four of the leading dry good dealers in this city, Col. Jno. J. Hedrick, Capt. R. M. McIntire and Messrs. Huske & Draper and Brown & Rodick, inaugurated the weekly half-holiday movement to day by closing at 1 o'clock. They are plucky and we hope that their pluck will have its reward in increased sales to-morrow.

To Sunday School Workers.

As several of the delegates appointed to attend the World's Sunday School Convention, to be held in London, Eng., on July 2d, 3d, 4th and 5th, have found it impossible to go, any person identified with the Sunday school work and known or properly endorsed to Col. E. J. Parrish of Durham, chairman of the State Executive Committee, will be appointed by him. The Cunard steamer which will convey the delegates from the United States will sail from New York on Wednesday, June 10th, at 10 a. m.

Saved From a Watery Grave.

Miss Olivia Penny, daughter of our good friend, Mr. B. F. Penny, fell overboard yesterday afternoon from the wharf in front of the hotel at the Hammocks. Miss Olivia is twelve years old and possessed of considerable presence of mind. As she arose from the water she saw a boat moored near at hand and this she managed to reach and cling to until rescued by two colored men who heard her cries for help and who ran to her relief. The water at the wharf was about ten feet deep at that time.

City Court.

The Mayor disposed of the following cases this morning: Mose Evans, charged with larceny, was found guilty and bound over to the next term of the Criminal Court in the sum of \$100, justified bond.

Sherman Madison was arraigned on two charges, one for disorderly conduct and the other for resisting an officer. In the former case he was fined \$20 or 30 days and was found guilty also in the latter, judgment to be pronounced when former sentence is served.

Aid for the Sufferers.

Mr. Donald MacRae, Chairman of the committee appointed to solicit subscriptions for the relief of the sufferers at Johnstown, Pa., and contiguous points, collected the amount aimed for, \$500, and late yesterday afternoon Mr. MacRae forwarded this sum to Gov. Beaver, of Pennsylvania. In this sum is included \$20 forwarded by citizens of Maxton to the *Star*, which was turned over to the committee. There was also a carload of rosin and tar, each, contributed for disinfecting purposes, and these have also been forwarded. Mr. MacRae notified Gov. Beaver, by telegraph, of these facts, and this morning he received the following acknowledgment from that official:

HARRISBURG, Pa., June 6, 1889.
Donald MacRae, Wilmington, N. C.:
Thousands of thanks to the citizens of Wilmington, N. C., for their sympathy and donations. Check will be acknowledged on receipt, and forwarding materials properly distributed. JAS. A. BRAVER, Governor.

Convincing Proof.

Many instances it has been proven that
Dr. (Botanic Blood Balm), made by the
Balm Co., Atlanta, Ga., will cure blood
in its worst phases, even when all
other treatment fails.
P. Branson, Atlanta, Ga., writes: "I had
running ulcers on one leg and on the other
leg greatly prostrated. I believe I actu-
ally swallowed a barrel of medicine in vain
to cure the disease. With little hope I
tried a bottle of B. B. B. I experienced a
marked improvement. I kept using it until I had taken
several bottles, and all the ulcers, rheuma-
tism and all other horrors of blood poison
disappeared and at last I am sound and
again, after an experience of twenty
years of torture.
J. Van Meter, Ga., writes: "My dis-
ease was pronounced a tertiary form of blood
poison. My face, head and shoulders were a
red of corruption, and finally the disease
spread to my bones. My bones ached
and my joints were deranged. I lost flesh and
weight, and life became a burden. All said
I surely die, but nevertheless, when I
used a bottle of B. B. B., I was pro-
duced well. Hundreds of others can now be-
lieve me. I have now been well over twelve
years."
