Rheumatism and Catarrh.
Rheumatism and catarrh are both blood diseases. In many severe cases they have yielded to treatment with B. B. B. (Botanic Blood Balm), made by Blood Balm Co., Atlanta, Ga. Write for book of convincing proofs. Sent free.
R. P. Dodge, Atlanta, Ga., says: "My wife had catarrh and nothing did her any good. Her constitution finally failed and poison got into her blood. I placed her on a use of B. B. B., and to my surprise her recovery was rapid and complete."
W. P. McDaniel, Atlanta, Ga., writes: "I was much emaciated and had rheumatism so bad I could not get along without crutches. I also had neuralgia in the head. First class physicians did me no good. Then I tried B. B. B., and its effects were magical. I cheerfully recommend it as a good tonic and quick cure."
Mrs. Matilda Nichols, Knoxville, Tenn., writes: "I had catarrh six years and a most distressing cough, and my eyes were much swollen. Five bottles of B. B. B., thank God! cured me."
John M. Davis, Tyler, Texas, writes: "I was subject a number of years to spells of inflammatory rheumatism, which six bottles of B. B. B. cured. I thank heaven, has entirely cured. I have not felt the slightest pain since."
J. W. ATKINSON, President. W. P. TOOMER, Cashier.

There was a large crowd yesterday at Wrightsville. It is estimated that there were one thousand people there during the day. Many of these also visited the Hammocks and the Beach. The 3.10 p. m. train on the Seacoast Railroad was made up of eight cars, all full of people. †

Progress.
It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possession these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known. †

Shirts, we have got them by the million, made by good and skillful hand; come and see us, we can save you over fifty-five per cent. We'll not charge you fancy prices, treat you well, don't be afraid, therefore come and patronize; us money saved is money made, at the Wilmington Shirt Factory, 122 Market street. Sign of the blue awning. †

The Little Tycoon.
The second appearance of "The Little Tycoons" for the encampment season will take place at the Opera House to-morrow night. It is unnecessary for us to urge upon the people the necessity of procuring tickets early, for the simple reason that there are not a great many tickets left to purchase. The presence of the Governors of two States on that occasion will not serve to keep anybody away. †

Advice to Mothers.
MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty five cents a bottle. July 6 dead & wly

Welcome Back to North Carolina.

Mr. Edward A. Oldham, formerly of this city and recently of the Charleston World, is to become editor and proprietor of the Durham Tobacco Plant, which paper will in future be known as "The Durham Daily Globe." The paper will appear in a new and handsome typographical dress, and will be metropolitan in appearance and contents. It will be changed to a morning daily. The franchise of the Associated Press will be secured, and facilities perfected for obtaining the freshest news immediately after occurrence, from all the leading points in the State. The essential object is to make "The Globe" a North Carolina newspaper, and the best native talent will be engaged to that end. It will be Democratic in politics, and it will labor unceasingly for the upbuilding of North Carolina without regard to town, county or section. †

Weather Crop Bulletin.

As was predicted by us last Monday the tone of the Weekly Crop Bulletin is of a much more cheerful nature than that which pervaded last week's report. It is as follows: The reports of correspondents of the Weekly Crop Bulletin, published by the North Carolina Experiment Station and State Weather Service, cooperating with the United States Signal Service, shows that there has been a deficiency of rainfall, an excess of temperature and sunshine for the week ending Friday, July 12th. All crops have been favorably affected. The week has been favorable for farm work and harvesting. The oat crop has improved very much and in some places is said to be the finest for years. Tobacco was injured to some extent by the heavy rains of the previous week but is now looking better. Cotton has had just such weather as it needed and is generally looking well. The prospects for an average crop are good. The hot wave that crossed the State the latter part of the week was very beneficial to the growth of all crops. †

Laid to Rest.

The remains of the lamented Col. L. C. Jones were laid away to rest yesterday in the graveyard at Buffalo Presbyterian Church, near Sanford. The attendance was very large, many traveling hundreds of miles to be present on that occasion. There was a special train from Wilmington, and one from Rutherfordton, one from Raleigh and one from Fayetteville. That from this city was composed of four coaches and a box car; two additional cars, full of the employees from that place, were taken on at Laurinburg. The train from Rutherfordton consisted of five coaches. The two trains met at Hamlet and were run thence to Sanford in two sections. †

Capt. John F. Divine, General Superintendent.

Capt. John F. Divine, General Superintendent; Capt. B. R. Dunn, Engineer of Roadway; Mr. W. A. Riach, General Auditor; and Capt. R. F. Langdon and Messrs. H. L. Borden and R. D. Cronly represented the Atlantic Coast Line; Capt. J. A. Dodson, Superintendent, and Mr. J. G. Williams, Auditor, represented the G. C. & N. R. R. Every official of the Carolina Central in this city was in attendance. Messrs. D. S. Cowan, L. S. Belden, J. C. Chase, J. H. Currie, and G. W. Branch represented the citizens of Wilmington. The services at the church were peculiarly sad, solemn and impressive. Those who stood around the newly made grave felt more as though they had lost a brother or a father than a friend. The pall bearers, who were chosen from the officers of the Carolina Central with the view of representing every department, were as follows: Messrs. H. P. Johnston, James Maglenn, W. F. Williams, T. W. Whisnant, K. S. Finch, and W. D. Summersett. The floral designs were exceedingly handsome. That carried by the officers and employees in this city represented a broken column with a wreath surmounted by a star and a dove, carrying a spray in its mouth and with its wings spread. The Raleigh & Gaston people also presented a very handsome broken column surmounted with a dove; while that from the C. F. & Y. V. R. R. employees represented a locomotive made entirely of flowers, true life and exquisitely beautiful. †

The Worst Nasal Catarrh.

no matter of how long standing, is absolutely cured by Dr. Sage's Catarrh Remedy. It does not merely give relief, but produces permanent cures in the worst cases. 50 cents, July 6 dead & wly

Concert To-Night.

The Germania Cornet Band will give a fine concert to night at 8 o'clock in the pavilion at the Hammocks. Lovers of good music will not fail to be present, as the Germania Band is hard to beat, and they will do their best to night. Let there be a large crowd to show the boys that their splendid efforts to please the public are appreciated. †

The Goldsboro Excursion.

The excursion party that arrived here this morning along the line of the W. & W. R. R., some 200 strong, will remain in the city for a few days so as to visit Carolina Beach, the Sound, the Hammocks, and Ocean View; and we are safe in saying that they will all have a nice time. †

Rev. W. M. Kennedy is Sick.

We are very sorry to hear that Rev. W. M. Kennedy, Chaplain of the Seaman's Friend Society, of this city, has been quite sick. He left the Shoo Fly train at Teachey's last Saturday afternoon when he had intended to get off at Warsaw. He seemed dazed and bewildered and was evidently very sick; he was taken by the agent, Mr. W. M. Teachey, to the residence of his brother, Mr. J. D. Teachey, where every care and attention was shown him. He was better yesterday, and Mr. Teachey drove him to Duplin Roads where he took the train for Warsaw to join his family. We trust to hear soon of his complete recovery. This venerable divine has many warm personal friends in Duplin county where he has been preaching the gospel for the last forty years. †

In Camp Yesterday.

Altogether, Wrightsville was full of people yesterday and there were a great many visitors at the camp during the day, yet everything was quiet and devoid of interest with the exception of Divine services and the dress parade in the afternoon. Services were held at 10.30 a. m. and at 5 p. m. In the forenoon they were conducted by Rev. Dr. Carmichael, of this city, Chaplain of the Second Regiment, with an excellent sermon by the venerable Rev. Joseph C. Huske, D. D., Rector Emeritus of St. John's Church, Fayetteville; and in the afternoon Rev. W. G. Campbell, the scholarly pastor of St. James' English Lutheran Church at Concord and Chaplain of the Fourth Regiment, conducted the services, while a very fine sermon was preached by Rev. J. M. Hilyar, Rector of St. Stephen's Church at Goldsboro. †

N. C. Industrial Association.

Mr. J. M. Forshee has been appointed General Superintendent of the Cape Fear section by Capt. J. T. Patrick, Chief Department Improvement Association for Southern States and Superintendent North Carolina State Agricultural Society, the display to take place at Raleigh, October 14th to 19th, 1889. The New Hanover County Society will be formed this week. Pender county organized last week, a report of which appeared in the REVIEW of last Saturday. Now let every man in New Hanover county and every county in the State do what he can and consider himself personally responsible for the success of this display. Talk it up wherever you go, to every one you meet, and get up exhibits of all the agricultural, industrial and mechanical arts of your section. Such an opportunity to advertise the resources of our section has never before been offered. More home-seekers, capitalists and manufacturers seeking locations are expected in Raleigh than have ever been in the State before at one time. Let us show to the outside world that Eastern North Carolina produces something more than tar, pitch and turpentine, which seems to be the general impression entertained by parties outside the State. We urge upon every one who reads this article and who has interest of the Good Old North State at heart to aid in getting up something to exhibit. If you can't get up anything yourself influence some one else to do so. County organizations will be formed all over the State. We beg that our exchanges in North Carolina will write this up, early and often. †

Forecast.

For North Carolina light local showers and slightly cooler. For Wilmington light showers this evening. †

The 11.30 train on the W. & W. R. R.

was crowded this morning, there being about 150 visitors to the city. Some went direct to the Sound while most of them stopped in the city until the afternoon train when they visited the Sound, the Hammocks and the Beach. †

Governor's Day.

To-morrow is Governor's Day at the encampment and we hear that there will be two Governors present that day instead of one. We understand that the gallant Fitzhugh Lee, Governor of Virginia, that grand old mother of States, has signified his intention of being with us on that day, with his staff. If he comes, he will probably arrive here to night on the 9.55 train, and his presence at the camp to-morrow, with Governor Fowle, and in a box with that gentleman at the opera house to-morrow night, will serve to draw out our people largely. †

Chamber of Industry.

The membership Committee of the Chamber of Industry will call upon our citizens this week soliciting members. The dues are only fifty cents per month, all of which is spent in advertising our city and its advantages. If so much good has been done with the little money they have spent in this way how much more can be accomplished by more extensive advertising! Other cities, all over the country, are advertising extensively and if Wilmington wants to keep up with the procession she must do likewise or get left. †
