THE DAILY REVIEW

VOL. XIII. WILMINGTON, N. C., FRIDAY, JULY 19, 1889. NO. 169.

NEW ADVERTISEMENTS

SYRUP OF FIGS

Presents in the most elegant form THE LAXATIVE AND NUTRITIOUS JUICE OF THE FIGS OF CALIFORNIA, Combined with the medicinal virtues of plants known to be most beneficial to the human system, forming an agreeable and effective laxative to permanently cure Habitual Constipation, and the many ills depending on a weak or inactive condition of the KIDNEYS, LIVER AND BOWELS. It is the most excellent remedy known to CLEANSE THE SYSTEM EFFECTUALLY When one is Bilious or Constipated

It is to be presumed that London Justice has made its computation with accuracy when it says that all the people now living in the world, or about 1,400,000,000, could find standing room within the limits of a field ten miles square, and by aid of a telephone could be addressed by a single speaker.

If the huge scheme of town annexation which was partially decided upon last Saturday by the suburban settlements around Chicago should come to full fruition that overgrown village would cover an area of about 174 square miles, and gain an additional population of nearly 200,000.

The immense amount of money spent in Paris by the visitors attracted to that city by the Exposition has put the rate of exchange on London down to 25 francs 15 centimes for the pound sterling, the usual rate being from 25.25 to 25.35, and gold is flowing into the Bank of France at the rate of \$4,000,000 a week.

A Pittsburg paper recently warned the iron producers of that city that they must "make an effort" if they wish to hold their own against the rapidly developing South. At least one of them, Mr. Andrew Carnegie, seems to have heeded the warning by making a wholesale cut in the pay of his thousands of employees. And this is the same Mr. Carnegie who predicted ruin to the industries of the country and the impoverishment of the workmen in the event of the reelection of Mr. Cleveland.

Economy and strength are peculiar to Hood's Sarsaparilla, the only medicine of which "100 Doses One Dollar" is true.

Of course it is dull after the Encampment. We looked for it and are not disappointed. But then it is none the less difficult to bear.

The Quartermaster in Charge. Camp Latimer is now a thing of the past. The last of the troops left to day, The Oak City Guards went home this morning and the Maxton Guards left on the 2.20 train on the Carolina Central Railroad. Col. Fred Olds and his "skirmishers" are left in complete control of the grounds. Everything movable is being taken up and either carried to Raleigh or stored away for use at the new camp next year. By to-morrow night it is thought that everything that is to be moved will be clear of the ground.

City Court.
Only one trifling case, that of a colored boy charged with stealing a brush, came up before Mayor pro tem Craft to-day. He was discharged, on the promise of his father that he would give him a sound thrashing.

Gus Williams, charged with larceny. Nolle pro. entered.
Annie Shaw, larceny. Nolle pro. entered.
Edward Artis, assault and battery, found guilty and sentenced to six months in the County House of Correction.

The Firemen Have Gone.
The visiting firemen from Newbern left this morning on the 9 o'clock train for home. They were escorted to the depot by the W. S. F. E. boys, who reluctantly bade them farewell. The guests, one and all, have expressed themselves as most heartily delighted at their reception here and the elegant manner in which they have been entertained. They say that retaliation is the order of the day now and that the visit must soon be returned.

Pushing Ahead Steadily.
Col. Julius A. Gray, President of the Cape Fear & Yadkin Valley R. R., and Maj. Roger P. Atkinson, Chief Engineer, went up to Point Caswell this morning. They rode ten miles on the new road, for that much of the track has been laid, and from the terminus went the remaining distance in a buggy. They will return to the city to-night via Burgaw and on the W. & W. R. R.

To Mark the Spot.

Tucker, of this city, under the direction of Messrs. Isaac and Samuel Bear, Jr., brothers of the deceased. It is twelve feet high and of granite, in two colors, the only inscription being the letter "B" in German text.
