**Harper's Bazar.**  
ILLUSTRATED.  
HARPER'S BAZAR will continue to maintain  
its reputation as an unequalled family journal.  
Its illustrations are of the highest order, its  
literature is of the most refined kind, and its  
fashion and household departments, of the most  
practical and economical character. Its  
pattern-sheet supplements and fashion plates  
alone will save its readers ten times as much  
trouble and expense as any other similar  
publications. Its articles on decorative  
art, social etiquette, house-keeping, cookery,  
etc., make it indispensable to every household.  
Its bright short stories and timely essays  
are among the best published, and no  
reader is admitted to its columns that could  
find the most fastidious taste. Among the  
attractions of the new volume will be serial  
stories by Mrs. Frances Hodgson Burnett, Mrs.  
Alexander, William Black and Thomas Hardy,  
and a series of papers on nursery management  
by Mrs. Christine Terhune Herrick.

**The Daily Review.**  
JOSH. T. JAMES, Editor & Prop'r.  
WILMINGTON, N. C.  
SATURDAY, AUGUST 17, 1889.

Entered at the Postoffice at Wilmington, N.C.,  
as second-class matter.  
In a letter to the Boston Journal  
Civil Service Commissioner Roose-  
velt says that four months in Wash-  
ington have made him more than  
ever a believer in the merit system,  
and that the spoils system "is a  
curse to the public service, and a  
still greater curse to Congress."

A dispatch from Reidsville, N. C.,  
says: "A negro of this place ap-  
plied some weeks ago for a position  
in the mail service as route agent.  
A letter has just come from Post-  
master General Wanamaker notify-  
ing him of his appointment. Upon  
looking up the address of the new  
appointee it was found that it had  
been changed to the State peniten-  
tiary, he having since his applica-  
tion committed a burglary and been  
sent up for three years."

The New Orleans Daily City Item  
says: "Under no circumstances is it  
possible for Louisiana to make an  
average crop of rice this year. The  
area planted was not as large as  
usual, a large amount of the land  
sowed was afterwards abandoned,  
and the drought and low river did  
irreparable injury to even the most  
promising crops. There has been  
natural irrigation on but few places,  
comparatively, since April, and it is  
a well known fact that crops made  
with pumping are, on account of  
insufficiency of water supply, never  
so good as those made with the nat-  
ural flow through the flumes."

Speaking of the author of "Robert  
Elsmer" a correspondent says:  
"In private conversation Mrs. Ward  
can be either gay or humorous—and  
richly so—or impressive and re-  
freshing. Her power of conversa-  
tion extends over many topics. She  
has essentially an aesthetic rather  
than a philosophic or scientific mode  
of looking at everything, and, I  
fancy, would be liable to apply  
standards of taste where more  
sylogistic logicians, would insist  
upon cooler methods of investiga-  
tion. Mrs. Ward is pungent, bril-  
liant and witty."

New York city has succeeded in  
placing another loan at a very low  
rate of interest. It was for \$1,400,  
000 at 3 per cent., and the bidding  
of lenders was so active that several  
times this amount was offered at  
premiums ranging up to 2.5 per cent.  
The bonds run from 18 to 30 years.  
There is a vast amount of capital  
seeking long time and safe invest-  
ment of this kind, as is shown by the  
low prices at which it is offered in  
this and several similar cases re-  
cently presented. This is due on  
the one hand to the growth of trust  
institutions and the amounts of  
moneyed property placed in their  
care for safe investment, and on the  
other hand to an increasing scarcity  
of suitable securities, such as Govern-  
ment bonds, in which much of  
this property has previously been  
locked up.

Ex-Governor Isaac P. Gray has  
announced himself as a candidate  
for the United State Senate, in the  
event of the Democrats securing a  
majority in the Indiana Legislature  
at the November election, which  
seems altogether probable. Govern-  
or Gray is a man of ability, an  
adroit politician and one of the best  
political organizers in the country.  
This has been shown by his success  
despite of the fact that he is not a  
favorite with many of the Indiana  
Democratic leaders. Senator D.  
W. Voorhees has already announced  
his candidacy for reelection, and is  
already on the stump, addressing  
large meetings in favor of tariff re-  
form and vigorously denouncing  
trusts and monopolies. The contest  
between these two able and elo-  
quent Democratic leaders will  
doubtless be a spirited one, but it  
is to be hoped it will be conducted in  
a friendly manner.

**Beauty's Power.**

abound,  
The happiness will oft be found.  
Where ruby lips and glowing cheek  
The gift of rugged health bespeak,

What an expansion of the electric  
light and motor business there has  
been since the Centennial exhibi-  
tion 1876, when the only exhibits of  
electrical apparatus were two dynamo-  
s and some arc lights run by  
clock-work! Now there is \$510-  
000,000 invested as capital in the  
electric light business, there are  
237,017 arc lights and 2,704,768 in-  
candescent lights, and there are 109  
electric railways. Moreover, an  
electrical motor for the carriage of  
parcels has been invented which it  
is said will travel at the rate of 180  
miles an hour.

**The Verdict Unanimous.**  
W. D. Suit, Druggist, Bippus, Ind.,  
testifies: "I can recommend Electric  
Bitters as the very best remedy. Every  
bottle has given relief in every case.  
One man took six bottles, and was cured  
of Rheumatism of 10 years' stand-  
ing." Abraham Hare, druggist, Bell  
ville, Ohio, affirms: "The best selling  
medicine I have ever handled in my 20  
years' experience is Electric Bitters."  
Thousands of others have added their  
testimony, so that the verdict is unani-  
mous that Electric Bitters do cure all  
diseases of the Liver, Kidneys or Blood.

Bellamy's wholesale and retail drug  
store.

**AUGUST ANTIOS.**  
Nine of this summer's graduates  
at Agontz, the aristocratic Philadel-  
phia school were Chicago girls and  
the class numbered only twenty-one.  
They all spell "pork" with a "que"  
now.—Minneapolis Tribune.  
Jenny—"Here comes Jack, auntie.  
I wish you would come down and  
stay in the room." Aunt—"Why?"  
Jenny—"I'm afraid he's going to  
propose and I can't trust myself—  
he looks so poor and so handsome."  
—Munsey's Weekly.  
Johnson—"But can you speedily  
circulate the rumor in a roundabout  
way so no one will know where it  
starts from?" Anderson—"Yes, I've  
told it to my wife as a secret, and  
she will attend the sewing society  
meeting to-day."—Omaha World.

**Peculiar**  
In the combination, proportion and  
preparation of its ingredients.—  
Hood's Sarsaparilla accomplishes  
cures where other preparations un-  
tiringly fail. Peculiar in its good name  
at home, which is a "tower of  
strength abroad," peculiar in the  
phenomenal sales it has attained,  
Hood's Sarsaparilla is the most suc-  
cessful medicine for purifying the  
blood, giving strength and creating  
an appetite.  
Savannah intends spending \$120-  
000 in improving her water supply.  
**A DUTY TO YOURSELF.**  
It is surprising that people will  
use a common, ordinary pill when  
they can secure a valuable English  
one for the same money. Dr. Ack-  
er's English pills are a positive cure  
for sick headache and all liver  
troubles. They are small, sweet,  
easily taken and do not gripe. Sold  
by Munds Bros., druggists.  
Prices of berries are averaging  
considerably higher than last year.  
**CAUTION TO MOTHERS.**  
Every mother is cautioned against  
giving her child laudanum or pare-  
goric; it creates an unnatural craving  
for stimulants which kills the  
mind or the child. Acker's Baby  
Soother is specially prepared to  
benefit children and cure their pains.  
It is harmless and contains no opium  
or morphine. Sold by Munds Bros.,  
druggists.

**Take Hood's Sarsaparilla 100 Doses One Dollar**  
The Chief Reason for the great suc-  
cess of Hood's Sarsaparilla is found in  
the article itself. It is merit that wins, and  
the fact that Hood's Sarsaparilla actually ac-  
complishes what is claimed for it, is what  
has given to this medicine a popularity and  
sale greater than that of any other sarsapa-  
rilla or blood purifier before the public.  
Hood's Sarsaparilla cures Scrofula, Salt  
Rheum and all Humors, Dyspepsia, Sick  
Headache, Biliousness, overcomes that  
Tired Feeling, creates an Appetite, strength-  
ens the Nerves, builds up the Whole System.  
Hood's Sarsaparilla is sold by all drug-  
gists. \$1; six for \$5. Prepared by C. I. Hood  
& Co., Apothecaries, Lowell, Mass.

**An Important Announcement.**  
About six weeks ago, while at business, I  
was suddenly attacked with excruciating  
pains in my feet, knees and hands. So severe  
the attack that I took my bed immediately,  
and in two or three days my joints were  
swollen to almost unbearable dimensions,  
and sleep was driven from me. After suffer-  
ing the most excruciating pain for a week,  
using liniments and various other remedies,  
a friend who sympathized with my helpless  
condition, sent me  
"I will guarantee a cure, and if it does  
not, I will refund the money." I bought  
at once secured the S. S. S., and after  
using it the first day, had a quiet night and  
refreshing sleep. In a week I felt greatly  
benefitted. In three weeks I could sit up and  
walk about the room, and after using six  
bottles I was out able to go to business.  
Since then I have been regularly at my post  
of duty, and stand on my feet from nine to  
ten hours a day, and am entirely free from  
pain. These are the plain and simple facts  
in my case, and I will cheerfully answer all  
inquiries relative to this medicine, in person  
or by mail.

rious attack of rheumatism by a timely resort  
to Swift's Specific. In all cases where a per-  
manent relief is sought this medicine com-  
mends itself for consideration. It is a treat-  
ment that thoroughly eradicates the seeds of dis-  
ease from the system.

**Harper's Magazine.**  
ILLUSTRATED  
HARPER'S MAGAZINE is the most useful, en-  
tertaining and beautiful periodical in the  
world. Among the attractions for 1889 will be  
a new novel—an American story, entitled "Ju-  
dith Lightfoot" by Constance F. Woolson; Illus-  
trations of Shakespeare's Comedies by E. A.

**1,500 ACRES OF LAND IN THE**  
best pine region. For sale on easy terms in  
lots to suit purchasers. Four acres for \$25.  
Larger tracts \$5 per acre, in monthly  
payments of \$10. This land adjoins the "South-  
ern Pine," a recently established health re-  
sort (or sanitarium), and is especially adapted  
for Fruit Culture, as well as all the cereals.  
A number of New England people have bought  
lots in the town of "Southern Pine," and it  
is the desire of the owners to induce  
small farmers, mechanics and others  
from the New England and Middle States, as  
well as elsewhere, to locate here. No State in  
the Union offers greater inducements to set-  
tlers than North Carolina. Nowhere can  
a better farming country or so fine a climate be  
found. This is the opinion of Northern men  
who have settled in North Carolina. This is a  
bona fide offer, and is limited.
