Mercurial Poison.
Mercury is frequently injudiciously used by
quack doctors in cases of malaria and blood
poison. Its effect is worse than the
original disease. B. B. B. (Botanic Blood
Purifier) purges no mercury, but will eliminate
mercurial poison from the system. Write to
B. B. B. Co., Atlanta, Ga., for book of
convincing proof of its curative virtue.
A. E. Britton, Jackson, Tenn., writes: "I
suffered with malaria in Louisiana, and when the
doctor used mercury, my system was saturated
with poison, and I had to stop my mouth and
nose on my tongue. I got two bottles of B. B. B.,
which healed my tongue and mouth and
gave me a new man of me."
Wm. Richmond, Atlanta, Ga., writes: "My
wife could hardly see. Doctors called it syphilis.
Her eyes were in a dreadful condition.
Her appetite failed. She had pain in
her joints and bones. Her kidneys were de-
veloped also, and no one thought she could be
helped. Dr. Gilliam recommended B. B. B.,
which she used until her health was entirely
restored."
K. P. Jones, Atlanta, Ga., writes: "I was
suffering with severe colored eruptions, loss of
appetite, pain in back, aching joints, debility,
headache, loss of hair, sore throat, and
irregularities. B. B. B. put my system in fine
condition."

Audit and Finance.

met yesterday afternoon in regular
session. All the members were pre-
sent, Mr. Jones, the chairman, presid-
ing.

A communication from the Board
of Aldermen transmitting an amend-
ment to the general ordinances of
the city relative to the duties of the
Chief of the Fire Department was
read.

Also, a communication stating
that an appropriation had been
made of \$200 for the purchase of a
horse for the Fifth Ward Hook and
Ladder Company. It was concurred
in.

Also, an appropriation of \$600 for
the purchase of a "new and lighter
hook and truck." In relation to
this matter Mr. Calder moved that
the purchase of a truck requisite
for the necessities of the city be
authorized by the board, and that
the truck now used by Hook and
Ladder Co. No. 1 and owned by the
city, be sold as soon as a purchaser
can be found for it. Adopted.

In reference to the appropriation
of \$600 for the purchase of two

Pender County Tobacco.
We were shown this morning
some unusually bright, pretty to-
bacco. It was raised three miles
from Willard's in Pender county, by
Mr. D. W. Rencher, formerly of
Granville county. It is as pretty
gold leaf tobacco as we ever saw
anywhere and a hundred pounds
of it ought to bring a hundred dol-
lars at any tobacco warehouse. It
shows what Pender county can do.

No Regatta To Day.
It was decided to have no regular
regatta over the Wrightsville course
to day, as per schedule, but instead,
to have a "Lady's race" on Friday
next, when all the yachts will be
sailed by the members of the fair
sex. This conclusion was rendered
necessary by the fact that so many
sailing masters were absent from
the city. The item was prepared for
yesterday's issue of the REVIEW but
was somehow overlooked.

Thoroughly Harmonious.
The conference yesterday after-
noon between the Board of Audit
and Finance, the Mayor, the mem-
bers of the Fire Committee of the
Board of Aldermen and the Chief
of the Fire Department, was in all re-
spects a pleasant and satisfactory
one. The needs of the department
were made known and the Board
of Audit and Finance responded gen-
erously and liberally. The proper
horses are to be procured for the
work before them and the depart-
ment is to be made as thoroughly
efficient as possible in every respect.

New Band and Good Music.
Capt. Nolan telegraphed to Balti-
more a few days ago for a band of
music to play at the Island Beach
Hotel during the remainder of the
season and the response has been
a prompt one. A band of eight
pieces will arrive here to night and
will go down at once to the Ham-
mocks. It is a brass band as well as
a string band and we may look for
some good music hereafter every
day at the hotel. A series of enter-
tainments will be arranged for and
the balance of the season promises
to be a gay one.

A Gang of Cattle Thieves.
Some of the good folks resident
at and near Burgaw have been
troubled for some time past by cat-
tle thieves. Their operations were
dissimilar from those of their West-
ern brethren, however. Instead
of running off the cattle they would
butcher them, a beef at a time, and
it was very difficult to detect them.
The leader of the gang has been
caught, however, and was arrested
at Burgaw a few days ago. His
name is Madison Murphy. He is
colored, and he has for some years
past borne a bad character. He im-
plicates others and it is thought
that a regular gang of cattle thieves
have been at work.

Don't Read This for \$500.
For many years, through nearly
every newspaper in the land, the
proprietors of Dr. Sage's Catarrh
Remedy, who are thoroughly re-
sponsible, financially, as any one
can easily ascertain by proper en-
quiry, have offered, in good faith,
a standing reward of \$500 for a case
of nasal catarrh, no matter how
bad, or of how long standing, which
they cannot cure.

A Long Pastorate.
That venerable man of God, Rev.
W. M. Kennedy, took charge of
Riley's Creek Baptist Church, in
Brunswick county, in 1854, and is
yet its pastor. He has administered
to the spiritual wants of the people
of that church for the past 35 years.
He preached there on last Sunday
morning to a large congregation.
Mr. Kennedy is also the earnest,
pains-taking and conscientious Chap-
lain of the Seaman's Bethel, in this
city.
