**Mercurial Poison.** Mercury is frequently injudiciously used by quack doctors in cases of malaria and blood poison. Its after effect is worse than the original disease. B. B. B. (Botanic Blood Purifier) contains no mercury, but will eliminate mercurial poison from the system. Write to Alfred Hall Co., Atlanta, Ga., for book of convincing proof of its curative virtue. A. P. Britton, Jackson, Tenn., writes: "I caught malaria in Louisiana, and when the quack doctor broke my system was saturated with poison, and I had sores in my mouth and nose on my tongue. I got two bottles of B. B. B., which healed my tongue and mouth and gave me a new man of me." Wm. Richmond, Atlanta, Ga., writes: "My wife could hardly see. Doctors called it syphilis. Her appetite failed. She had pain in her joints and bones. Her kidneys were damaged also, and no one thought she could be cured. Dr. Gilliam recommended B. B. B., which she used until her health was entirely restored." E. P. Jones, Atlanta, Ga., writes: "I was troubled with copper colored eruptions, loss of appetite, pain in back, aching joints, debility, weakness, loss of hair, sore throat, and great nervousness. B. B. B. put my system in fine condition."

The steamer *Bessie* carried down a party of 18 fishermen to the Rocks yesterday, and they had a fine day's sport, as the fish bit well.

The band at the Hammocks will furnish music at the Carolina Club House at Wrightsville Beach to-morrow during the race.

Old seaside salts say that September is the best month for fishing. Our experience somewhat agrees with this.

Are you weak and weary, or worked and tired? Hood's Sarsaparilla is just the medicine to purify your blood and give you strength.

The Rutherfordton excursionists return home to-morrow. The train will leave the Carolina Central depot at 7 o'clock a. m. "Mind you don't get left."

I am closing out everything AT COST FOR CASH. No humbug in this. Making room for new goods, at I. Shrier's, S. E. corner Princess and Front streets.

Burglars. Be secure from them by putting our Burglar Proof Locks on your blinds. They are cheap and can be put on by the most inexperienced. N. Jacobi Hdw. Co. †

Paint your house with Regal Ready Mixed Paint. It is the best and cheapest. You will find all colors in any desired quantity at the factory's agents, N. Jacobi Hdw. Co. †

The Germania Cornet Band have ordered five new instruments, which are expected here in a few days. Several additions have recently been made to the strength of the band.

The party of young ladies from this city, who were with the Teachers' Excursion to Europe, arrived safely in New York at 5 o'clock yesterday afternoon and are expected here to-morrow night.

Mr. A. F. Lucas, in addition to his other manufactures, is now turning out an improved article of his justly celebrated ginger beer. It is prepared by a formula of his own and it is a delicious drink and a delightful mild invigorant just suited to this season of the year.

We'll not charge you fancy prices, treat you well, don't be afraid, therefore come and patronize; us money saved is money made, at the Wilmington Shirt Factory, 123 Market street. Sign of the blue awning.

Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

We wish to be as truthful as possible and therefore state that the new band at the Hammocks consists of six pieces. We had it eight, at first, as that was the number originally expected, and the morning papers said ten.

Messrs. W. H. Green & Co. have purchased the drug store corner of Eighth and Market streets and have refitted and stocked it with first-class drugs and patent medicines. It is a good locality for the business and we wish the firm much success.

Stoves. We have a very large line, made by the best factories, of the latest and most improved styles, which we guarantee to bake and cook well and to give general satisfaction. Our low prices will astonish and our Stoves please you. N. Jacobi Hdw. Co. †

**Friday Night Concert.**  
The regular Friday evening concert of the Germania Band will take place at Carolina Beach to-morrow evening. The *Grove* will leave at 5 o'clock and the *Passport* at 7. The fare on these trips is only 25 cents and tickets may be had at Messrs. Glameyer & Kuck's.

**City Court.**  
The following cases were disposed of by the Mayor to-day:  
Harriet Brown, larceny, guilty, bound over to the Criminal Court in the sum of \$100, justified bond.  
Wm. Brown, disorderly conduct, case continued.  
Jas. Reynolds, drunk and down, guilty, \$5, fine remitted.

**To Dispel Colds.**  
Headaches and Fevers, to cleanse the system effectually, yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, use Syrup of Figs.

**Services in Giblem Lodge.**  
Rev. Mr. Tuttle had an appointment to preach to night in the Giblem Lodge building but a telegram was received here this morning from him, at Wilson, saying that it would be impossible to fill the appointment. He expects to be here, however, to-morrow night. There will be services to night in the building, conducted by members of the Market Street Mission.

**Gay Times for September.**  
The Island Beach Hotel is now in the hands of the owners, the Seacoast Railroad Company, and under the direct management of Capt. J. R. Nolan, the Superintendent of the road. Mr. Platt's "skip" doesn't seem to have a very serious disaster to the business, judging by the patronage of the house for the past two days, for its people have had all they could do to meet the demands. September is expected to be an unusually gay month there. The rates of board have been reduced for the season and the fine band from Baltimore, recently arrived, will play every day and evening.

**Ladies' Regatta.**  
The following yachts have entered for the ladies regatta, to be sailed over the Club course at Wrightsville to-morrow afternoon:

The new band at the Hammocks will be on the club grounds and furnish music for the occasion.

**Don't Read This for \$500.**  
For many years, through nearly every newspaper in the land, the proprietors of Dr. Sage's Catarrh Remedy, who are thoroughly responsible, financially, as any one can easily ascertain by proper inquiry, have offered, in good faith, a standing reward of \$500 for a case of nasal catarrh, no matter how bad, or of how long standing, which they cannot cure.

**Forecasts.**  
For North Carolina, fair weather, and stationary temperature. For Wilmington and vicinity, fair weather.

**Encourage Home Enterprise.**  
We are glad to note the fact that Mr. W. M. Cumming is making a handsome success with his mattress factory in this city. Mr. Cumming makes a specialty of genuine hair mattresses. Some of these have been sold to parties in this city and one and all have expressed themselves as well pleased with the investment. He makes them of good material and those ordering can plainly see what they get. The work is good and the prices are reasonable and it is easy to see the advantage of giving an order to a responsible party who will not deceive you rather than send it North to some firm known only by name and run the risk of being imposed upon.

Mr. Cumming also renovates old mattresses and makes them as good as new. Beds to be healthy should be renovated, especially after sickness.

**Lippincott's Magazine.**  
The complete novel in the September number of *Lippincott's Magazine* is from the prolific pen of Edgar Fawcett. It is a brilliant and entertaining romance of a startling and original character. Mr. George W. Childs gives the last instalment of his interesting series of "Recollections." "Related by an Unavailable" gives an entertaining account of the difficulties an unknown author has to encounter. A timely article is "The Australian Ballot System." This system has been adopted in both Australia and England, and has scored a success. In a slightly modified form it has been recently introduced into some of our State governments, and time alone will prove its value. "The Pine and the Palm" is a clever story whose title is taken from Heine's well known song. It is a story of a practical joke and its results. "The Log College and Early Presbyterianism in Pennsylvania," has an especial interest owing to the Presbyterian reunion which is soon to take place at Hartsville, to commemorate the establishment of the first American Presbytery. Chas. Morris gives an incisive answer to the remarkable article upon Evolution by Dr. Bonwill which appeared in the August number. "Bride Catching" gives an account of some curious marital customs among various tribes. "The Stenographer," gives some good advice to young students. "The Philosophical Novel," is a clever dissertation upon this peculiarly modern branch of fiction. The department of "Our One Hundred Questions" closes with number. The poetry of this exceptionally interesting number includes "An Alabama Garden," "Unfulfilled," and "The World Knows Best."

Rain is needed to lay the oppressive and disagreeable dust.
