"The gentlemen who slayed it" is good.

There was a slight rain at Wrightsville Saturday night but none here.

Mr. Jas. A. Hewlett had the first oyster roast of the season at his restaurant, on Ocean View Beach, yesterday.

Get rid of that tired feeling as quick as possible. Take Hood's Sarsaparilla, which gives strength, a good appetite and health.

We have a few Fluting Machines which we are closing out at less than factory cost. See them. N. Jacobi Hd. Co.

A perfect fusilade was kept up on the marsh hens at Wrightsville all day long on Saturday last, and the slaughter was immense.

The Ocean View train made the trip between the city and Wrightsville Beach yesterday, which looks as though the "differences" had been adjusted.

Headquarters for Sash, Doors and Builders' Supplies is the N. Jacobi Hd. Co. They sell the best goods at prices that you pay for those of an inferior quality.

Burglars. Be secure from them by putting our Burglar Proof Locks on your blinds. They are cheap and can be put on by the most inexperienced. N. Jacobi Hd. Co.

Paint your house with Regal Ready Mixed Paint. It is the best and cheapest. You will find all colors in any desired quantity at the factory's agents, N. Jacobi Hd. Co.

Ladies will find a very handsome and complete line of ladies' Muslin Underwear at astonishing low prices at the Wilmington Shirt Factory, 123 Market street. Sign of the blue awning.

An unusually important meeting of the Chamber of Industry will be held at the City Hall to night and all are urged to attend. Business of much importance is to be considered.

My very low prices for Cash have proved a success. Every dollar's worth of goods will be sold 20 per cent. lower than at any other store in the city. I. Shrier, S. E. corner Princess and Front sts.

Prof. Burk's trained horses paraded the streets this morning and the sidewalks were lined with spectators. There was a performance this afternoon and the tent was crowded. Those who were present pronounce it a very fine show.

Stoves. We have a very large line, made by the best factories, of the latest and most improved styles, which we guarantee to bake and cook well and to give general satisfaction. Our low prices will astonish and our Stoves please you. N. Jacobi Hd. Co.

Messrs. John A. Corbett and Simon Sanders while hunting marsh hens on Saturday at Wrightsville killed what is believed to be a sea otter. If so the animal—or fish—was strangely out of its latitude. The sea otter is rarely found elsewhere than in the North Pacific.

Mr. L. T. Bowden and Mr. W. W. Doyle have formed a partnership under the name of Bowden & Doyle to engage in the lightering business at this port, and solicit a share of patronage. The office of the new firm is corner of Water and Mulberry streets.

The working model of the Arnold drawing room boudoir car has been completed and has been placed in the hands of Mr. E. V. Richards for decoration and lettering, where it is attracting much attention. We hear it rumored that Mr. Arnold has been offered, and has refused, \$45,000 cash for his invention.

Refreshing and Invigorating  
Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

The Rock Spring Hotel, with 22 rooms, is for rent. See ad. of Maj. D. O'Connor.

Mr. Iredell Meares offers for sale 25,000 hard Philadelphia brick. See ad. in this issue.

Mr. E. P. Boatwright, of this city, has been chosen one of the marshals at the State Fair.

Mr. John H. Koek returned last night from an extensive trip to Baltimore, Philadelphia and New York.

Mr. John R. Turrentine, we regret to say, is still confined to the house as a result of the injury received by him some weeks ago.

The Mayor had a large number of defendants at his court to day. There were no cases of special importance but the fines, independent of costs, aggregated \$105.

The Sisters of Mercy will open the schools under their charge on Monday, the 10th inst. Particulars can be learned on application at the Convent on Fourth street.

Capt. John W. Daniels, the popular and efficient commander of the W. L. I., has tendered his resignation and the company will meet to night to elect his successor.

Mr. E. Fains, merchant tailor, of New York, is now at the Orton House, where he will remain for one week only, with a display of the latest styles of custom tailoring. See ad. in this issue.

The *Sylvan Grove* had a large crowd on board this morning. Among them were many old, aged and infirm colored people who were kindly taken down free by Capt. Harper, the Manager of the New Hanover Transit Co. and master of the *Grove*.

Ladies of the Lutheran Church. The ladies of the Lutheran Church are requested to attend a meeting for making final preparations for the Merchants' Carnival at the Luther Memorial Building to-morrow, Tuesday, at 4 p. m.

The Harvest Moon. The nearly full moon shone very prettily last night. It is the harvest moon and for several nights to come will rise with an interval of about 30 minutes from night to night. It will be a fine thing to see it coming up out of the sea to-night.

For the Third Time. We regret very much to hear of the affliction that has again visited our friend, Mr. Wade H. Harris, of the *Charlotte News*, in the loss of his only child, a bright baby boy only 14 months old. It is the third time that the Angel of Death has entered his household, each time leaving a childless home. It is a sad blow to our friend and his estimable wife and we tender them our most sincere sympathies.

Big Fire at Rockingham. Rockingham had a big fire yesterday morning. It started at 3:30 a. m. in the back of the grocery store of Elisha Leak, colored, and this and five other buildings were destroyed, the losses in all aggregating about \$3,000.

The following were the sufferers: L. Weill, livery stable, beef market and office. Goldston & McNeill, general merchandise.

J. M. Smith, general merchandise. John McKoy, colored, restaurant. J. G. Smith, barroom. Elisha Leak, colored, groceries. J. M. McDonald, groceries.

His Gain Is Our Loss.

Prof. Paul M. Knoblock, of this city, has been appointed to a position in the medical examiner's department of the Equitable Life Insurance Company, at New York, and leaves here on Thursday to accept the position. There is a handsome salary attached to it, with the promise of an increase. While glad that our friend has thus secured so advantageous a position yet we will part with him with much regret. He is an honorable, clever, accomplished gentleman and we commend him as such to all. Prof. Knoblock's family will remain in Wilmington.

Tried for years; severely tested, and still growing in popular favor and use, is the record enjoyed by Dr. Pierce's Pleasant Purgative Pellets—the little sugar coated laxative granules, sold by druggists, anti-bilious and cathartic.

For North Carolina, fair weather and stationary temperature. For Wilmington and vicinity, fair weather.

The Ladies Delighted. The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kidneys, liver and bowels.

The Seacoast Schedule.

The change of schedule on the Seacoast Railroad, spoken of by us last week, is now in effect. On Sundays trains will leave Front Street Depot at 9.00 a. m. and 2.30 and 6.15 p. m.; and leave the Hammocks at 9.50 a. m. and 5.10 and 9.00 p. m. On other days of the week trains will leave Wilmington on as follows: From Princess Street Depot at 7.00 a. m.; Front Street Depot, 2.30 and 6.15 p. m. Leave Hammocks at 8.00 a. m. 5.10 and 9.00 p. m.

The 6.15 p. m. train from Front street is the "supper train," for which round trip tickets will be sold at 25 cents, to be used the same night.

Yesterday Morning's Fire.

The alarm of fire yesterday morning was caused by the destruction of a frame dwelling on Eighth, between Swann and Nixon streets, owned and occupied by Simon Ashe, colored. He was insured for \$125 on house and furniture in the Sun Mutual of New Orleans, represented here by Messrs. Northrop, Hodges & Taylor. An adjoining house, owned by Mr. James H. Chadborn, and occupied by Benj. Jones, colored, also took fire and was almost completely destroyed. It was insured for \$350 with Messrs. Northrop, Hodges & Taylor in the Insurance Company of North America.

Weather Crop Bulletin.

The reports of correspondents of the Weekly Crop Bulletin, published by the North Carolina Experiment Station and State Weather Service, show there has been a marked deficiency in rainfall, an average temperature and amount of sunshine during the week ending September 6th 1889. Fully ninety five per cent. of the correspondents report that the weather has been very favorable to crops and farming operations of all kinds. The deficiency of rainfall has especially benefited cotton, except in some counties of the Western District, where the dry weather has continued longer and rain is much needed. The only rains reported during the week occurred in the western part of the State where they were certainly required. The cotton worm has appeared in some places but not generally. Cool nights with heavy dews have been very beneficial to the tobacco crop while bright days have been favorable for cutting and curing. In some places curings are reported very fine. Other crops are generally doing well. The saving of fodder has been greatly facilitated. Farmers have had a very busy week and are very sanguine. The indications seem to be for continued good weather.
