PRED'S MILL, TEXAS, June 20, 1838-The FEED'S MILL, TEXAS, June 20, 1838-The S.vift Specific Company, Atlanta, Ga.-Gen-tienen: One of my children was troubled with rheumatism and boils for about two years. We gave her various kinds of medi-ciae but without profit, and began to despair of euring her at all. I was persuaded to try y ar Switt's Specific. After she had used reveral bottles the diseases all disappeared, and she is now a hale, hearty and healthy girl twelve years old. Another child has just become afflicted in the same way, and I am using the S.S. and anticipate a prompt and permanent cure. N. C. WAGGOMER. Rich HILL. Mo. July 7, 1883-The Swift

RICH HILL, MO, July 7, 1988-The Swift Specific Co., Atlanta, Ga.-Gentlemen: Our little girl when but three weeks old broke out with eczema. We tried the prescriptions from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone her head began to beat and by the time she had taken six time one bottle was gone her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—a robust, hearty child. I feel it but my duty to make t is statement. Respectfully, H. T. SHOBE.

CHATTANOGA, TENN., June 27, 1883-The S.vift Specific Co., Atlanta, Ga.-Gentlemen : S vift Specific Co., Atlanta, Ga.—Gentlemen : Le iS86 I contracted blood poison, and at once sought a physician, who treated me for sev-eral months. By his advice I went to Crab Orthard Springs, Ky., where his course of treatment was carefully observed. I recov-cred, as I thought, but the next spring plm-ples began to appear on my face and body. These gradually increased to sores and run-ning ulcers. I was advised to try S. S. and immediately after taking it I commenced to improve, slowly at first, but more rapidly afterwards, and soon nothing remained to tell of my trouble. My blood is now thor-oughly cleansed, and my system free from taint, and I owe my present condition—a taint, and I owe my present condition-a perfect cure-to your medicine. I cheerfully give this statement that others who have suffered as I have may reap the same benefit. HARDY M. BURT, 21 West Ninth St.

MOMER, LA., May 25, 1888-The Swift Specific Co., Atianta, Ga.-Gentlemen : About two years ago my general health gave way en-tirely. I was so debilitated that I almost tirely. I was so debilitated that I almost despaired of ever feeling well again. All that the physicians done for me brought no permanent relief. Friends insisted that I should give S. S. S. a fair trial, although I thought it would be throwing away money. After taking a thorough course; my health and strength returned, and I must say that S. S. S. alone cured me, as I discarded all others while using it. As a tonic I can most heartily recommend it; for general debility, it certainly is a specific. W. F. BRIDGES, J. P.
