"Heaven's last best gift—my ever-awed delight," is not my brown-stone house, nor my carriage and pair, nor my fine new yacht, nor my prettiest girl, nor my hopes of a seat in congress, not these, but my wonderful cure for pain, Salvation Oil.

### Forecasts.

For North Carolina, fair weather, and stationary temperature. For Wilmington and vicinity, fair weather.

### Audit and Finance.

The Board of Audit and Finance met yesterday afternoon in regular session.

Bills were audited and approved as follows: For current expenses, \$5,376.78; refunded pound fee, \$5.00; note in bank, \$10,000; interest on same, \$180.83.

### City Court.

The Mayor disposed of the following cases to-day:

Wm. Bell, disorderly conduct, case continued.

Franco Brown, disorderly conduct, \$20 and costs.

Fannie Gore, disorderly conduct, \$20 and costs.

James Mureht, disorderly conduct, \$20 and costs.

James Davis, disorderly conduct, guilty, but judgment suspended.

"Man wants but little here below." This is particularly true of medicine, and he really needs a very small amount, provided it be of the right kind. Dr. Pierce's Pellets fill the bill in respect of size, and are stupendous in point of effectiveness. If you desire immediate relief from headache, "liver complaint," indigestion, and constipation, they will not fail you.

### Refreshing and Invigorating

Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 24°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

### Children Enjoy

The pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative and if the father or mother be costive or bilious the most gratifying results follow its use, so that it is the best family remedy known and every family should have a bottle.

### Slight Fire.

The alarm of fire was sounded from box 21, corner of Orange and Front streets, about 1 o'clock this afternoon, caused by fire on a dwelling on Second street, between Ann and Nun, and occupied by colored people. The damage to the building, which is the property of Mrs. H. C. Daniels, consisted in the burning of a hole in the roof. One bureau was destroyed and also a quantity of clothing belonging to a colored girl was burned up. Several colored families occupied the house. No insurance.

### A Deserved Compliment.

Mr. Thomas C. James, who for the last four years has been joint agent of the Associated Railways and stationed at Charlotte, N. C., has been appointed local freight and passenger agent of the Cape Fear & Yadkin Valley Railway, with headquarters in this city. The estimation in which Mr. James is held by the people of Charlotte is pleasantly expressed by the *Daily News* in the following language:

Mr. James has made a great many friends during his stay in Charlotte. He is an excellent man in every respect, and our people will regret exceedingly to lose him. Mr. James will leave for Wilmington about the middle of November.

### U. S. District Court.

The United States District Court, for the Eastern District of North Carolina, Judge A. S. Seymour presiding, convened at the U. S. Court room in this city last night, but adjourned until 11 o'clock this forenoon without transacting any business. At the re-assembling of the court this morning, the principal business of the forenoon consisted in empanelling the grand jury and delivering the customary charge to the same. The following comprise the grand jury: Wilkes Morris, foreman, Joseph C. Brooks, L. J. Yates, John A. Jones, T. M. Sykes, R. L. Bryant, Henry Taylor, A. J. White, John G. Wagner, E. J. McCracken, M. C. Blount, T. J. Bradshaw, L. M. Cropper, W. R. Bryan, J. W. Perdue, J. Hamilton, Donald MacRae and Martin Robinson.

The only case tried up to the time of the noon recess was that of the U. S. vs. Thomas Murphy, for stealing from a Postoffice. Verdict guilty, but judgment suspended on payment of the cost.

### The Way to Do It.

There was an important business meeting of the members of the First Baptist Church last night, the object being to determine whether they would build a lecture room or purchase a new organ. Both of these are much needed, and after a brief deliberation, in which entire harmony and earnest enthusiasm prevailed, it was decided to have both with as little delay as possible. Almost enough money was pledged in a few moments by liberal subscriptions on the part of individual members, and work will be commenced on the lecture room as soon as the plans can be submitted and decided upon, and then it will be pushed as rapidly as possible to completion. It will be located in rear of the church, fronting on Fifth street, and is to cost \$5,000. The organ will also be secured at once. It will be an elegant instrument in every way worthy of their beautiful house of worship. It is proposed to place it in rear of the pulpit, and that is just where it ought to be. Two thousand dollars had previously been raised, and last night five thousand additional was subscribed, making a total of seven thousand dollars, leaving only one thousand dollars yet to be raised, which will very soon be subscribed.

### PEOPLE EVERYWHERE

Confirm our statement when we say that Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee by Munds Bros., druggists.

### Board of Aldermen.

The Board of Aldermen met last night in regular session.

Alderman Hicks, from the Committee on Finance, to whom was reported the application of Mr. W. L. DeRosset, Jr., for a subscription in aid of an industrial publication, reported adversely. Concurred in.

Alderman Post, from the Committee on Lights, reported additional lights put up, making the total 52 gas lights, 104 oil lamps and 51 electric lights.

Alderman Hicks, of the police committee, reported that the Winter uniforms for the police had been received.

Alderman Craft of the Public Building Committee reported progress in the matter of repairs to the city prison.

Alderman Hicks reported that the contract for furnishing the city and Fire Department with coal had been awarded to Messrs. Boesch & Bro., at \$6 per ton.

Alderman Post, of the Fire Committee, reported that the committee as a body had gone before the Board of Audit and Finance and stated the necessities of the department as to horses, and that the Board of Audit and Finance in a spirit of liberality had authorized the Committee to purchase such horses as were needed. He thereupon stated that the committee had purchased two pairs of horses, one pair each for Wilmington Hook and Ladder Company No. 1, and one pair for Wilmington Steam Fire Engine Company No. 1.

There was read the report of Dr. F. W. Potter, City Superintendent of Health, stating that the number of deaths in our city during the month of October was thirty-four, including one drowned and two still births. This he pointed out was a less rate than had been the case for the past years, the number of deaths being as follows: 51 in 1885; 57 in 1886; 34 in 1887; 45 in 1888.

The report of Martin Newman, Esq., Chief of the Fire Department, was read and ordered on file as information. The report shows that six fires occurred during the month of October, and calls attention to the incapacity of the horses of Howard Relief Steam Fire Engine Company. The Chief stated that a new truck to cost \$1,000 had been ordered for Wilmington Hook and Ladder Company No. 1, and recommends that the hydrant at the Carolina Central depot be removed to a point near the freight warehouse and that the order as to disallowing the reel hoses to be worked not over five squares from the engine houses be enforced. He reports the sale of the two condemned horses of the Adrian Company at \$45.50 and of one from the Cape Fear Company at \$20.

Mr. H. H. Gieschen, Foreman of Howard Relief Fire Engine Company, was present and asked to be heard. Permission being granted, he asked for two horses for his company, stating that the two now in service were no longer fit for duty. One of them had been in use thirteen years and one of them was a horse transferred from the Atlantics. These horses, he stated, balk and refuse to go out of the engine house when an alarm is sent in, and are no longer suitable for the service.

In the course of his remarks he incidentally stated that his reason for appearing before the Board himself was because he had appealed in vain to the Chief of the Fire Department, who informed him that the Fire Committee disregarded any of his recommendations.

The members of the committee denied that they ignored the Chief, and gave him the opportunity to say something before the Board in his defense. Chief Newman thereupon made a detailed statement showing how things stood.

On motion of Alderman Hicks, the Chief of the Department was instructed to report to the Board at their next meeting upon the condition of the Adrian horses with a recommendation regarding the request for new horses.

On account of a petition from Cape Fear Steam Fire Engine Company, it was decided not to sell the black horse now in the service of that company.

A petition from the Dread Not Company was read, asking that a horse be furnished that company. On motion of Alderman Lane \$250

## NEW ADVERTISEMENTS.

was appropriated for a horse, driver, feed, etc.

Alderman Post, of the special committee appointed with reference to codifying the ordinances and laws of the city, asked for further time.

Attention was called to several frame sheds and buildings erected contrary to the ordinance near Front Street Market, and the question as to having them torn down was referred to the Market Committee.

Alderman Post, acting for the Sanitary Committee, read a communication from Dr. F. W. Potter, City Superintendent of Health, stating that he could not do the sanitary work of the city with two officers and asking that the officer recently laid off, be reinstated. On motion, the Board voted to reinstate Capt. Bray.

Alderman Hicks, of the Nutt Street Crossing Committee, reported that Capt. Divine, General Superintendent of the Atlantic Coast Line, cheerfully did all in his power to keep the crossing from being obstructed and that there was now no complaint whatever.

Alderman Smith called attention to the bad condition of the street car tracks at the intersection of Fifth and Castle streets and inquired as to the liability of the street car company with regard to same. The matter was referred to the Streets and Wharves Committee with instructions to look into the matter and report back to the Board.

On motion of Alderman Smith it was ordered that the streets near hydrants be ballasted with sawdust so the fire engines can approach them.

On motion, Frank McKoy, colored, was allowed to beat a drum at the City Hall for an entertainment next Monday night, provided it be done not later than 11 p. m.

Alderman Post reported the serious illness of Alderman Pearsall and expressed sympathy for him in his illness. Alderman Hicks spoke very tenderly of the sick Alderman, and moved that Alderman Post be instructed to express the sincere sympathy of the Board, and to express the gratification at the same time that he is convalescent.

Alderman Post called attention to the necessity of an established grade for the streets and of the crying need of a sewerage system, and on motion the Board appropriated \$1,000 for the purpose of having a survey made for this purpose, and also to report a feasible plan for securing a uniform width of the streets.

Alderman Lane made an effort to secure an amendment of the hog ordinance so that hogs may be allowed in the prescribed limits during the winter months, but his motion looking to that end was defeated.

Alderman Bell asked if there was any means by which stevedores, or laborers from distant ports, could be taxed in order to protect home labor, but he was informed by the Mayor that nothing of the kind could be lawfully done but that he sympathized with home labor. Alderman Hicks also expressed his sympathy for them and said about the only remedy would be through the Produce Exchange. He thereupon made a motion and it was adopted asking concurrent action by that Exchange.

At the instance of the Mayor, the following, offered by Alderman Craft, was adopted:

WHEREAS, On the 20th, 21st and 22nd inst., the hundredth anniversary of the adoption by North Car.

olona of the Constitution of the United States will be appropriately celebrated in the town of Fayetteville; and.

WHEREAS, The citizens of Wilmington are in full and perfect accord with the citizens of our sister town of Fayetteville in their efforts to make their centennial celebration the grandest occasion ever known in our State; be it

Resolved, By the Board of Aldermen that said Centennial Celebration commends itself to the patriotism of every true North Carolinian.

Resolved, That we recommend to the citizens of this city a general suspension of business during said days (particularly the 21st inst.) that all those desiring to attend the celebration may have an opportunity to do so.

Resolved, That a copy of these resolutions be delivered to the Chamber of Commerce and Produce Exchange with a request for concurrent action.

The power of the imagination is certainly very strong, but it takes something with more of a body and base to cure a cold or cough. Dr. Bull's Cough Syrup is now the great national remedy.

## Inherited Blood Poison.

For many people there are whose distressing rashes, eczema, and eruptions tend to be due to inherited blood poison. Blood passes from parent to child, and it is the duty of husband and wife to keep their blood pure. This is easily accomplished by a timely use of B. B. B. (Botanic Blood Balm). Send to Blood Balm Co., Atlanta, for book of most convincing proof.

James Hill, Atlanta, Ga., writes: "My two sons were afflicted with blood-poison, which doctors said was hereditary. They both broke out in sores and eruptions which B. B. B. promptly controlled and finally cured completely."

W. S. M. Williams, Sandy, Texas, writes: "My two-year-old child, who inherited blood-poison, had a large ulcer, and on the stump there came a large ulcer, which kept every day until doctors gave me up. I only weighed 120 pounds when I began to take B. B. B., and 12 bottles increased my weight to 180 pounds and made me sound and well. I never knew what good health was before."

## NOVEMBER 1ST, 1889.

We begin the month with a magnificent stock of Dry Goods, to which we invite an examination. Our stock covers every department in the Dry Goods line, and every department is complete. We would call special attention to our stock of Dress Goods. We have the best and cheapest stock of Mourning Goods in the city. Time and space will not permit us to enumerate the great number of special bargains we have to offer. It is sufficient to say that we are willing and anxious to show our stock and that we are able to offer Superior Goods at lowest prices. The liberality of our sales and extended credit of our stock of Gents' Furnishings enable us to offer inducements in that line, and a class of goods not to be found in any other store in the State. We have in reserve for the Holidays the handsomest stock of Embroidered Handkerchiefs ever opened in the South. These goods will be exhibited to persons desirous of seeing them.

Respectfully,

J. S. J. HEDRICK.
