The development of the accident insurance business in this country of late has been very wonderful. All over the country employers in large concerns are insuring all their employes in the accident companies because it can be done for less than by co-operation among the men of a single concern. The other day a great railroad went to one of these all their passengers-the idea being this particular railroad; but possibly some rival road will come to the mark and steal its thunder.

Merit Wins

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Con-sumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled refuedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Robert R. Bellamy, wholesale and retail druggists.
