Judge Advocate General Ingalls might make a codicil to his late speech and tell us about the treatment of the negro in his own State of Kansas. Not long since a colored man was fired from a seat in a theatre and is now suing the manager for damages. This, mind you, did not happen in Dixie's land but in the State which the bloody-minded Ingalls is proud to represent.

In chronic cases of neuralgia, rheumatism or gout, where the disturbing cause is a certain acid which poisons the blood, Salvation Oil should be used according to directions. There seems to be but few theatrical companies on the road now. The warm weather has caused most of them to close their wings and go back to New York.

"What's the matter, sonny?" "The matter?" Why, I don't have no time to play at all—just because Ma's got a medicine what'll cure our colds in a minute, every old woman in our square wants to go round to the store and get her some." "What's the medicine, sonny?" "Why Dr. Bull's Cough Syrup, of course."

The two stern-wheel steamers which put in at Moore's Inlet, opposite Wrightsville, on Wednesday last, are there yet, and will probably leave to-morrow. They are named *St. Augustine* and *Sebastian*, and are both bound to St. Augustine, Fla.

The committee appointed in the matter of beautifying the Encampment Grounds at Wrightsville, of which Capt. R. M. McIntire is the chairman, will commence the canvass of the city to-morrow for the purpose of raising the amount necessary, about \$1,800.

Second of the Series.

The first hop given by the Social Club was such a decided success that the demand for another has caused the issue of cards for the second somewhat sooner than was intended. It will take place to-morrow night, at Hibernian Hall, on Third street. There will be an excellent band of music and a fine supper will be spread. The managers are Messrs. J. E. Humphrey, J. H. Litgen, J. H. Grotgen and M. G. Silvia.

Place Aux Dames.

A city correspondent, a lady, writes us to know, if the baby carriages are to be prohibited from occupying so much of the sidewalk, why cannot the greater nuisance of flying kites and playing football and using sling shots on the streets be abated? She says that these things are not only nuisances but that they are dangerous, and we fully agree with her. There is a penalty against flying kites in the streets and the throwing of stones, by sling or otherwise, and it is \$5 for each offense, but there is none against the playing of foot ball in the streets, so far as we can ascertain.

The Delicacy of Woman.

"Like the lily once mistress of the field, woman often hangs her head and perishes, trusting to innocence and love to protect." Her eye may grow dim, her cheeks pale before her lips will reveal the secret of her suffering. Appreciating this element in woman's nature, Dr. R. V. Pierce has prepared a remedy, called "Favorite Prescription," adapted especially for the diseases and weaknesses peculiar to women, and placed the same on sale by druggists. Ask for the "Favorite Prescription," and you can cure yourself without publicity, and without being subject to the examinations of surgeons. Full directions with each bottle. It is the only guaranteed cure. See guarantee on every bottle-wrapper.

Forecast. For North Carolina, fair except on the coast, local rains, and slightly warmer. For Wilmington and vicinity, rains to day, followed by fair weather.

Its Excellent Qualities Commend to public approval the California liquid fruit remedy Syrup of Figs. It is pleasing to the eye, and to the taste and by gently acting on the kidneys, liver and bowels, it cleanses the system effectually, thereby promoting the health and comfort of all who use it.

City Court. Mayor Fowler disposed of the following cases to day:

Louis Robinson, disorderly conduct, \$20 or 30 days. Rudolph Shanrock, disorderly conduct, \$5 or 10 days. John McKinnie, disorderly conduct, \$5 or 10 days. There was a case of drunk and down, but at the request of the unfortunate individual who was hauled up, we will withhold his name.

Always Report It. Among other benevolent practices of the Y. M. C. A. is visiting the sick. This is cheerfully done and every aid and comfort given that is in their power to render. These visits are, of course, to young men, but they cannot be paid unless it is known who the sick are and they will therefore be glad to have information of this kind lodged with them by the friends of the sick men. They are very earnest in this matter and theirs is not a pretense of well doing but an earnest effort to accomplish all of the good that lies in their power.

About the Odd Fellows.

The *Raleigh News and Observer* has an "Odd Fellow's Column" and in this yesterday it says: "The tidings from Wilmington are that the order is in fine condition there. New men are being brought in every evening. Of the lodge at Clinton it says: "Clinton Lodge, No. 124, will probably participate in the services of laying the corner-stone of the Methodist church, at Clinton, N. C., on the 7th of March. Deputy Grand Sire Busbee, who visited the lodge not long since, speaks in high terms of the character of the men composing it, and predicts a bright future for the lodge."

Strong Men.

Women love strong men. A weak man may excite their sympathy and a woman's careful tenderness soothe and soften the anguish of a weak man's soul, but the laughing, joyous, warm, exuberant love of women dear, belongs to the men that are strong and noble and kind. Then why will a man continue weak, and mean and peevish?

An old gentleman writes: "B. B. B. gives me new life and strength. If there is anything that will make an old man young, it is B. B. B."

Some men say, and women too, they never feel weak and mean except in the spring. Why then feel weak and mean and nervous and prostrated in the spring time when life and spirit awakens with thrilling buoyancy even the vegetable world? Must you allow sluggish blood, inactive organic functions, rusty joints and general weakness to make your life miserable simply because the long winter has restrained your natural activity? If need not be. If only you will use that pleasant and incomparable tonic blood purifier known as B. B. B. or Botanic Blood Balm your health in spring time will be all that you can wish. Try it this spring. Try it now. P. A. Shepherd, Norfolk, Va., August 10, 1888, writes: "I depend on B. B. B. for the preservation of my health. I have had it in my family now nearly two years, and in all that time have not had to have a doctor."

Refreshing and Invigorating Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

Now For the Gala Week.

The committee of twenty five, appointed at a meeting of citizens held last Saturday, met at noon to day at the Produce Exchange. There was a free and harmonious discussion of the proposition to celebrate in some way the opening of the Cape Fear and Yadkin Valley Railroad to this city and it was finally determined to invite all of the merchants along the line of the road to visit Wilmington at a date hereafter to be specified. It is expected to have a gala week here some time in May or June. They will be invited here on that occasion. Mr. John H. Currie was appointed permanent chairman of the committee and Mr. Geo. R. French Secretary. The following sub-committees were named:

Entertainment—C. H. Robinson, A. D. Brown, Geo. R. French, Jos. H. Watters, J. A. Bonitz. Invitations—F. W. Kerchner, H. C. McQueen, D. G. Worth, J. C. Stevenson, F. H. Stedman. Finance—D. G. Worth, Roger Moore, E. S. Latimer, W. P. Oldham, J. W. Murchison, W. H. Sprunt, W. E. Springer, F. Rhenstein, E. J. Pennypacker, T. D. Love, H. G. Smallbones.
