A novel flower has been found at the Isthmus of Tehuantepec. The floral chameleon has the faculty of changing its colors during the day. In the morning it is white, when the sun is at its zenith it is red, and at night it is blue. The red, white and blue flower grows on a tree about the size of the guava tree, and only at noon does it give out any per-

At a recent great ball at the Russian Comet all the ladies appeared in white, without any other ornament than diamonds, pearls, and their own beauty. The Empressherself was present, and danced in nearly every dance. The scene is said to have been marvellously beautiful. The white room in the Winter Palace, where the ball was held, is so large that'3,000 persons danced there with ease.

During the height of the anti-English excitement in Portugal a new hat styled the "Serpa Pinto" appeared in the shops, and the Portuguese adopted the style at once and bought the hats by the thousand to wear in honor of their hero and as a token of defiance of the English. After a while it came out that the hats were manufactured by an English firm, who had reaped a rich harvest from the Portuguese hatred of the country.

Democratic absenteeism is assigned as the cause of the loss of another Democratic member of the House. A few of the Republican members, it is stated, knowing that Mr. Cates had been fairly elected, absented themselves in order to let the Democrats defeat the resolution unseating him, but so many Democratic members were absent that the opportunity afforded by the right the craving I had previously experienced." thinking Republicans could not be availed of.
