

# THE DAILY REVIEW

VOL. XIV. WILMINGTON, N. C. THURSDAY, MARCH 27, 1890. NO 88.

The Boyle trial began again in Raleigh to-day.

Gov. Holden's condition is reported as unchanged. The old fellow seems to be Holden out well.

Mr. Fab. H. Busbee will deliver the Memorial address in Raleigh. His subject will be "General W. D. Pender."

A health item says: "The moment you leave your bed or bath is the best time to shave." Ladies will please make a note on't.

Lord Tennyson recently wrote to a London friend that he would never again write a poem for publication. He will write now for fun.

Edward J. Sanderlin, colored, of Denver, Col., is worth \$200,000 and he has made it all out of soap. He is a barber, but not a barberian.

The President is in Maryland this week on a duck-hunting expedition and word has gone out all along the line to keep the turkeys and geese well under cover until he gets back to Washington.

Yesterday's Petersburg Index Appeal published a rumor current in that city to the effect that the Norfolk and Western Railroad had been sold to Gen. Mahone, Ex-Senator Don Cameron and others.

Andrew G. Curtin, the war Governor of Pennsylvania, is among those who are looking for a political revolution this year in the Keystone State. The curtain will drop and then you will hear something.

An exchange says that the McKinley tariff is getting some of its thickest-soled kicks from the New England shoe interests. But how can the shoe interests kick? It is well known that corporations have no souls.

Mayor Thompson, in his annual report to the Board of Aldermen of Raleigh, suggests that the city own its own water and light power. Nothing is said about gas. There is too much competition among private citizens in that line.

A fashionable item says that "gloves are not worn quite as long as last Winter." Last Winter was not very long; in fact, it wasn't much of a winter at all, and gloves are generally worn in this latitude as long as they will last.

It is reported in London that there is a scheme on foot to open a large hair cutting saloon for gentlemen in that city with a large and well-trained staff of women barbers. But it won't succeed, there are too many men in London who have their hair thinned out at home.

Flowers are rented instead of purchased at Washington, and a clever florist recently used the same flowers at an afternoon lunch, at a tea and at a reception in the evening. We suggest five o'clock for the lunch, tea roses for the tea and orange flowers for the reception.

Mrs. John Lourie, wife of a farmer living at Charleston, Ohio, gave birth a few days ago to four children, two boys and two girls, all of which are alive and well developed. Three years ago it was twins, and two years previous to that it was triplets. Next time it will be...

And now another of Wanamaker's pets has gone wrong. His name is Ferrell and he has been postmaster at Apex, in Wake county. He is said to have been drinking pretty heavily of late and to have made the postoffice a rendezvous for degraded women. This was probably the straw that broke the camel's back. The pious John can't stand everything.

Last Monday's Mail and Express had the following verse of Scripture as a text-line: "For he that will love life, and see good days, let him refrain his tongue from evil and his lips that they speak no guile." If the pious Col. Shepherd would take some of his own physic and practice what he preaches the mission of his paper would be ended. Shepherd's party has no use for a paper that speaks the truth and does not bear false witness against its neighbor.

"If humor, wit, and honesty could save" from the ill flesh is heir to, what a good price they'd bring in the market. Well, twenty-five cents will buy a good panacea—Salvation Oil, a certain cure.

Don't forget the festival to-night at the City Hall, given under the auspices of the Ladies' Aid Society of the Brooklyn Baptist Church.

Paint your Buggy for 75 cents, "6 bits," with Detroit car. Paint, a varnish and paint combined. Guaranteed to give satisfaction. Sold by the N. Jacobi Hdw. Co.

A gentleman who is well qualified to speak on the subject remarked a few days ago that the C. F. & Y. V. R. R. had already thrown \$100,000 worth of business in the city since it was opened.

Over three hundred responses have been received to the invitations sent out for the C. F. & Y. V. celebration. There is no doubt of the fact that there will be a large crowd here on the 16th and 17th of April.

Look out for counterfeits! See that you get the genuine Dr. Bull's Cough Syrup! Do not let the dealer sell you some "just as good," but insist upon getting the genuine with the Bull's Head trademark on the wrapper.

Miss Florence Bowden, who has been in New York for some time past, receiving musical instruction in vocalization, under an eminent professor, has returned to the city and will remain here for a few weeks.

The next public meeting of the Evangelical Alliance will be held at the First Baptist Church, next Tuesday evening, April 1, at 8 o'clock, and will be conducted by the Rev. J. W. Primrose. The topic will be, "What is it to be a Christian?"

Miss Lillian Bowden has returned from the New York markets with a large and handsome and carefully selected assortment of new Spring millinery and fancy goods which will be opened and displayed to the ladies at the Emporium in a few days.

A letter from Bishop Watson, to a friend in this place, received to day, mentions the destruction by fire, on the 20th inst., of the Postoffice at Aurora, N. C. A letter to the Bishop postmarked Wilmington, N. C., was burned in the office. It is not known, as yet, who wrote the letter.

It is said that Mr. Warren G. Elliott, the new President of the W. & W. R. R., has purchased Mr. Pembroke Jones' elegant residence, on South Front street, corner of Nun. Fifty years ago this house was the hospitable home of Edward B. Dudley, Governor of North Carolina. We think that it was built by Gov. Dudley.

**City Court.**

The same, charged with larceny, was sent on to the Criminal Court for trial, in a justified bond for \$100. Lewis Jackson, disorderly, \$20 or 30 days.  
Primus DeLeon, placing filth on the street, was fined \$20.

**Industrial Manufacturing Co.**  
The stockholders of the Industrial Manufacturing Company met yesterday evening at the City Hall. Dr. W. J. H. Bellamy was called to the chair and Mr. E. F. Johnson was secretary. Three hundred and forty shares of the capital stock were represented in person or by proxy.

A resolution was introduced to increase the capital stock of the company to \$30,000, and authorizing an issue of six hundred more shares.

A full and free discussion was had and the sense of the meeting being taken on the resolution, it was found that more than two-thirds of all the stockholders favored the resolution, but further consideration of the matter was deferred until a meeting to be held next Wednesday night at the same place.

The company was reported to be in a fine condition. The works yesterday turned out 30,000 butter dishes. In this connection we learn that one of our merchants offered the company an order for 100,000 dishes which will be accepted.

**Katie Putnam.**

This charming young actress, always a great favorite here, received a perfect ovation at the Opera House last night. The audience was a very large one and it seemed as though every seat was filled. She appeared in Erna, the Elf, supported by one of the best troupes which has ever appeared on the boards at the Opera House. It was evident, at a glance, that the charming little lady had lost none of the pretty piquancy and delightfulness of manner which has heretofore characterized her. The piece, as presented, was a great success and was received rapturously by the audience. Miss Putnam was the recipient of numerous floral offerings. She should come again and as soon as possible, as she may always count on a full house in Wilmington.

**Kind Words of Cheer.**

When a proprietor knows he has a grand and good remedy for the many ills that flesh and blood are heir to, it pleases him exceedingly to receive such evidences of appreciation as follows:

W. F. Miles, Milesville, N. C., writes: "I have used Botanic Blood Balm and find it to be all that it is recommended to be."

D. C. Blanton, Thomasville, Ga., writes: "I have used Botanic Blood Balm in my family as a tonic and blood purifier with highest satisfactory results."

F. O. Hoffman, editor Times, Rocky Mount, Va., writes: "I am pleased to say that Botanic Blood Balm is the best appetizer and tonic for delicate people I ever saw. It acted like a charm in my case."

F. H. Hickey, 1308 Main street, Lynchburg, Va., writes: "I was broke out all over with sores, and my hair was falling out. After using a few bottles of Botanic Blood Balm my hair quit falling out and all the sores got well."

Julia E. Johnson, Stafford's P. O., S. C., writes: "I had suffered 13 years with eczema and was at times confined to my bed. The itching was terrible. My son-in-law got me one-half dozen bottles of Botanic Blood Balm, which entirely cured me, and I ask you to publish this for the benefit of others suffering in like manner."

August A. Klages, 810 St. Charles street, Baltimore, Md., writes: "From my youth I suffered from a poisonous taint in my blood. My face and body was continually affected with eruptions and sores. I am now 42 years of age and had been treated both in Germany and America, but no remedy overcame the trouble until I used Botanic Blood Balm. I have used about twenty bottles, and now my skin is clear, smooth and healthy, and I consider the poison permanently driven from my blood. I endorse it as the best blood remedy."

**Death of Dr. Baker.**

We regret very much to learn of the death of Dr. James Baker, an old and highly esteemed resident of this city and a gallant Confederate soldier. He died at his residence near the city this morning.

Dr. Baker was in the 68th year of his age. He was a native of Fayetteville and served throughout the war as a lieutenant in Co. K. (Bladen Guards) 18th N. C. Regiment. He removed to Wilmington soon after the close of the war and was for a time associated with Messrs. Benj. Robinson and Harry Smith in the publication of a newspaper. He afterwards practiced his profession, that of dentistry, for quite a number of years. He was a genial, accomplished gentleman, a great student and with a mind richly stored in all departments of literature. He was an honorable, high-toned Christian gentleman in every phase of life. He had been for many years an upright and consistent member of St. Paul's Episcopal congregation. The funeral services will take place tomorrow and the interment will be in Oakdale.

Hood's Sarsaparilla possesses curative powers exclusively its own, and which make it "peculiar to itself." Be sure to get Hood's.
