left in an almost penniless condition, applied for a pension, alleging that the deceased soldier incurred physical and mental disabilities by reason of the privations of the service. Mr. Bussey concludes that Colonel Morton incurred in the Libby prison the disease which ended in the suicide. The claim was originally rejected on the ground that the cause of the soldier's death did not originate in the service. The widow's pension will begin May 26. 1880, the date of the soldier's death, and will be rated at \$30 a month. Mrs. Mortyn is a daughter of the late ex-GovernorWilliams, of Illinois.

Senator Sherman's anti-trust bill has finally gone the way of all buncombe bills in the U.S. Senate. It been decently interred in a pigeon hole with the Judicary Committee as pall-bearers. Senator Vance said he never had a bill in which he felt any interest referred to "this grand mausoleum of Senatorial literature, Has Paid to Memthe Judiciary Committee." without feeling that he had attended a funeral. He said further, according to the Washington Post: "So, if it is the determination of the Senate to send this bill to the Judiciary Committee, to deliver the child for nurture to the persons having most interest in its death, I shall have sorrowfally to submit myself to that state of things, but I hope I may be pardoned for saything that I feel a good deal as we are given to understand the Apostle Paul felt when he took leave of the elders at Ephesus. Having told them that he should depart from them never more to return, the record says: 'They all wept sore and fell on Paul's neck, sorrowing the most of all for the words which he spoke, that they should see his face no more.' I am satisfied, sir, that when this bill does come back it will be so mutilated that it will have everything that an possible be of any benefit to the people of this country so entirely eliminated and eradicated, that it will for practical purposes not be worth the paper that it is written

upon, and the country will so accept it. The country knows the receptacles where we deposit our dead by this time. We can no longer hope
