WHAT HE SAYS ABOUT
**DR. KING'S
Royal Germateur!**

We are in receipt of a letter from the above
well-known Evangelist, from which we
take the following extract:
"I returned from Taylor, Texas, on the 12th

Germateur two weeks to the great relief of
her system. She is now all
right and free from the distressing headaches with
which she has been a martyr for twenty years.
Surely it has done wonders for her! I wish
every poor suffering wife had access to
this medicine."
It is an infallible cure for rheumatism, neu-
ralgia, paralysis, insomnia, dyspepsia, indig-
estion, debility, palpitation, liver, bladder
and kidney troubles, chills and fever, catarrh,

Mr. Bruce Williams, of Burgaw,
was in the city yesterday on pro-
fessional business.

Hon. Daniel L. Russell went down
on the *Passport* this morning to at-
tend Brunswick Court.

A great many ladies took advan-
tage of the fine weather to do some
Spring shopping to-day.

This has been a genuine Spring
day with plenty of sunshine and
the wind from the Southwest.

Onslow Superior Court, Judge
Graves presiding, was in session last
week. It adjourned on Friday.

Col. W. L. Saunders, Secretary of
State, is in the city and at the Orton
House and will remain here for some
days.

When ready to build, paint or re-
pair you will find it to your advan-
tage to buy your material of the N.
Jacobi Hdw. Co.

The water in the Cape Fear is very
low and is getting still lower every
day. There was 34 feet on the shoals
at Fayetteville yesterday.

"It pleases me so I shall use no
other," is what the farmers said when
asked about the Boy Clipper Plow,
sold by the N. Jacobi Hdw. Co. †

The fire this morning was out in
the woods but very near the city
limits, hence the alarm which called
out the firemen so unnecessarily.

The word "Easter" occurs once in
the New Testament (King James'
version) in Acts 12:4. In the later
revised version the word "Passover"
is used.

Ask for "Our Old Chief." This
new and improved Wamsutta Shirt

Mr. Edwin W. Kerr, of Clinton,
arrived in the city yesterday and
went down to-day to Southport to
attend Brunswick county Superior
Court, now in session there.

The market is absolutely bare of
North Carolina beef. Why don't
our country friends send in their
cattle and get the benefit of the
good prices it is quoted at now?

Mr. D. Stone Cowan, Jr., of this
city, but recently with the Seaboard
Air Line, has secured a position
with the National Mexican R. R.,
with headquarters in the City of
Mexico.

A Baltimore Confectioner says:
I've had rheumatism in my arm for
six months, and Salvation Oil made
an entire cure of it, after using less
than one bottle. WILLIAM SCHELL-
HAS, JR., 444 Pennsylvania Ave.,
Baltimore, Md.

It is acknowledged by every one
that I. Shrier, corner Front and Prin-
cess streets, does the largest clothing
business in Wilmington, and every
one that buys there saves at least
from 15 to 25 per cent on the dollar. †

The stereopticon entertainment
at the Opera House last night was
one of the very best of the series,
and so all voted it. The next will
be on Wednesday night, the 15th,
when "A Tour Through Switzer-
land" will be presented.

The Hibernian Benevolent Society
will give an excursion to Carolina
Beach on or about the first of May,
for the benefit of the Widow's
and Orphan's Fund of the Society. It
is expected that this will be the first
excursion of the season.

Mr. F. C. Prindle, U. S. N., who
has had the management of the
works of the Carolina Oil and Creosote
Works in this city for some
time past, has been ordered by the
department to report for duty at the
Portsmouth, N. H., Navy Yard. Mr.
Prindle has made many warm friends
here who will greatly regret his re-
moval.

A Pleasing Sense

Of health and strength renewed and
of ease and comfort follows the use
of Syrup of Figs, as it acts in har-
mony with nature to effectually
cleanse the system when costive or
bilious. For sale in 50c and \$1.00
bottles by all leading druggists.

Audit and Finance.

The Board of Audit and Finance
met yesterday in regular session.
One hundred and sixty-four cou-
pons, amounting to \$3,161, which
had been redeemed and cancelled,
were burned in the presence of the
Board.

Bills were audited and approved
as follows: Current expenses, \$7-
411.00; coupons, 3,161; refunded taxes
\$5.90.

The Board adjourned to meet Fri-
day, April 11th, at 3 o'clock p. m.

The Band Concert.

Great preparations are being made
for the concert which is to be given
at the Opera House by the Germania
Cornet Band, on the 23d inst. An
elaborate programme is being pre-
pared. Prof. William Ortman, the
young and distinguished violinist
of Charleston, who is a nephew, by
the way, to Mr. F. W. Ortman, of
this city, has consented to take
part in the entertainment, and Prof.
R. J. Herndon, the well-known and
accomplished instructor, will also
assist in the presentation. It prom-
ises to be an unusually notable
event in musical events.

Confederate Veterans' Association.

The Confederate Veterans' Asso-
ciation of New Hanover county met
at the Court House last night and
elected officers for the ensuing year,
as follows:

Commander—Col. John D. Taylor.
1st Vice Commander—Maj. T. D.
Love.

2d Vice Commander—Col. Wm. L.
DeRosset.

Secretary—Wm. Blanks.
Treasurer—C. H. King.

Executive Committee—J. H. Cur-
rie, Geo. W. Huggins, P. Heinsber-
ger, Col. E. D. Hall.

The Hibernian Sociable.

It was unanimously voted by those
who were present last night at the
Sociable given by the Hibernian
Benevolent Society that it was the
most pleasant of any given by the
Society for years past—and that is
saying a great deal for it, for these
sociables have become a marked
feature in the enjoyments of the
Easter tide. There was a large at-
tendance last night and the dancing
was kept up until the morning
hours. The only break was the an-
nouncement of supper, at 12 o'clock.
The management are to be congrat-
ulated on the marked success which
has attended their efforts.

Island Beach Hotel.

Mr. J. A. Brown, of Chadbourn,
has leased the Island Beach Hotel,
with the privileges at the Ham-
mocks, for the ensuing year, and
will open there on the first of May.
The house will be overhauled and
renovated throughout and Mr.
Brown will have competent and well
trained assistance in its manage-
ment. As proprietor last year of
the Brown House on Wrightsville
Beach Mr. Brown made an excellent
reputation on which to open a much
larger and more commodious house
like the hotel. He will keep a good
house and all may rest assured of
that fact.

The Lame Walk.

Pitiful indeed is the condition of
those who are confined to their beds
or chairs unable to walk. How grate-
ful all such must feel when they re-
cover from their helplessness. B. B.
B. (Botanic Blood Balm) has made
more than one lame person happy.
Mrs. Emma Griffiths, Union, Tenn.,
writes: "My little boy had scrofula
so bad his knees were drawn up and
his knees stiff, and he could not
walk. He derived no benefit from
medicines until I tried B. B. B. Af-
ter using it a short time only, he can
walk and has no pain. I shall con-
tinue its use."

Murtle M. Tanner, Boonville, Ind.,
writes: "I had blood poison from
birth. Knots on my limbs were as
large as hen's eggs. Doctors said I
would be a cripple, but B. B. B. has
cured me sound and well. I shall
ever praise the day the men who in-
vented Blood Balm were born."

Refreshing and Invigorating

Munds Brothers' magnificent new
soda fountain at a temperature of

Produce Exchange.

The annual meeting of the mem-
bers of the Produce Exchange was
held to-day. The meeting was called
to order by the President, Mr. D.
L. Gore.

The reports of the Secretary and
Treasurer and the President were
read and ordered on file.

A resolution of thanks to the Pres-
ident for the zealous and efficient
manner in which he has filled the
position during the past year was
adopted and ordered spread on the
minutes.

An election of officers for the en-
suing year resulted as follows:
President—D. L. Gore.

Vice President—Wm. Calder.
Board of Managers—T. D. Love,
M. J. Corbett, Owen Fennell, S. P.
McNair, W. H. Sprunt.

Inspectors of Elections—M. S.
Willard, T. F. Bagley, D. M. Wil-
liams.

President Gore, in his report,
makes an exhaustive resume of the
condition and operation of the Ex-
change. He regrets to state that
affairs are not in as good a condi-
tion, financially, as when he took
charge. There are two causes for
this, discontinuing the market re-
ports early last season and the brok-
erage office conducted here by Dor-
an, Wright & Co., who gave out re-
ports free. This caused the loss of
some members. The fact that the
brokerage firm is not in business
here now and the reception of the
Chicago reports accounts for the
regaining of some of the ground lost.

Recently the reports have again
stopped but Mr. Gore hopes they
will soon be resumed. The Postal
Telegraph Co. now furnishes the
telegraphic reports and a better ser-
vice is hoped for. The Postal Com-
pany, he thinks, should be patron-
ized, for the reason that there is
some home money in it; that com-
petition is the life of trade and that
it is surely to our interest to have
two telegraphic companies compete
for the business here. The Postal
Company, he adds, have been
prompt in service, have done their
work well and merit success.

Mr. Gore dwells at some length on
the finances of the Exchange. The
operating expenses are about \$3,000
a year. He regrets that the con-
stitution limits the assessments at
\$30 per year. When a deficit occurs
as it frequently does, some of the
more liberal members make it up
while the advantages of the reports
are equal to all.

The gratifying statement is made
that there is never a law suit within
the Exchange. The Arbitration
Committee never fails to settle a dis-
pute. There is even but little nec-
essity for arbitration as it is seldom
that a case is laid before the com-
mittee.

Mr. Gore pays an eloquent and
feeling tribute to the worth of the
late Col. L. C. Jones, Superinten-
dent of the C. C. R. R., saying that
"he was one of the most courteous,
charitable and honorable gentlemen
of our city."

The receipts of spirits turpentine
last year were 4,098 casks in excess
of the year previous, an estimated
gain of \$81,960. In rosin the excess
of receipts this year has been 5,786
barrels, and in this article prices
have averaged 25 per cent. higher.
There has been a falling off in cot-
ton of 16,486 bales but the decrease
in receipts has been rather appar-
ent than real. The bales this season
are on an average 37 lbs heavier
than those of last season and the
price has averaged one cent higher;

hence the market value of the crop
is really more than that of last year.

In the concluding portions of his
address Mr. Gore alludes to the ad-
vance of real estate here, putting it
at 33 1/2 per cent. in the past three
years and refers to the opening of
the C. F. & Y. V. R. R. and the
Onslow R. R. and the stimulating
influence they are sure to impart to
all departments of business, to our
various seaside resorts and to the
approaching celebration of the open-
ing of the C. F. & Y. V. R. R.

Dyspepsia's victims are numbered
by thousands. So are those who
have been restored to health by
